CONDITIONS AND RESTRICTIONS OF GRANT OF EASEMENT

1. Encumbrance of Fee Interest. Grantor may grant a mortgage, deed of trust, or other secured financing document, as the case may be, on Grantor's fee interest in the subject property, or otherwise encumber Grantor's fee interest, in and to the Easement area without Grantee's consent, but such mortgage, deed of trust, or other secured financing document shall be subject and subordinate to Grantee's rights hereunder.
2. Grantee's Duty to Maintain Easement. Grantee shall, at its sole and exclusive cost and expense, cause the Easement to be maintained and kept in good condition and state of repair, and in compliance with all laws, rules and regulations, orders, and ordinances of governmental agencies exercising jurisdiction thereover. Grantee may reasonably contract with other persons for the performance of some or all of such maintenance obligations, but shall bear final and full responsibility to Grantor for the performance of such obligations.
3. Excusable Delays/Force Majeure. Whenever performance is required of Grantee hereunder, Grantee shall use all due diligence to perform and take all necessary measures in good faith to perform; provided, however, that if completion of performance (other than the payment of money) shall be delayed at any time by reason of acts of God, war, civil commotion, riots, strikes, picketing, or other labor disputes, unavailability of labor or materials, or damage to work in progress by reason of fire or other casualty or causes beyond the reasonable control of Grantee, then the time for performance as herein specified shall be appropriately extended by the period of the delay actually so caused. Except as provided above, time is of the essence of this Grant of Easement and each and every provision hereof.
4. Indemnification. Each Party agrees to indemnify, defend (with counsel approved by the other ("Indemnitee")), and hold harmless the other and their authorized officers, employees, directors, agents, and volunteers from any and all claims, actions, losses, damages, and/or liability (collectively "losses"), as follows:
 - a) Grantee shall do so as to any losses attributable to the Easement being used as a road, except to the extent caused by a condition 1) in existence prior to the date of recordation of this Grant, or 2) caused by Grantor's gross negligence or willful misconduct whether occurring prior to or after the date of recordation of this Grant;
 - b) Grantor shall do so as to any losses attributable to, and to the extent caused by 1) a condition in existence prior to the date of recordation of this Grant and which was not attributable to or caused by Grantee, or 2) Grantee's gross negligence or willful misconduct, whether occurring prior to or after the date of recordation of this Grant.

If the Parties are determined to be comparatively at fault for any claim, action, loss, or damage which results from their respective obligations under this Grant, each Party shall indemnify the other to the extent of its comparative fault as determined in a legal action in a forum of competent legal jurisdiction.
