ARTICLE 2.  
MAINTENANCE AND MODIFICATION OF THE PROPERTY AND SECURITY

Section 2.1 Maintenance and Modification of the Property by Trustor.

(a) The Trustor agrees that at all times prior to full payment and performance of the Secured Obligations, the Trustor will, at the Trustor's own expense, maintain, preserve and keep the Security or cause the Security to be maintained and preserved in good condition. The Trustor will from time to time make or cause to be made all repairs, replacements and renewals deemed proper and necessary by it. The Beneficiary has no responsibility in any of these matters or for the making of improvements or additions to the Security.

(b) Trustor agrees to pay fully and discharge (or cause to be paid fully and discharged) all claims for labor done and for material and services furnished in connection with the Security, diligently to file or procure the filing of a valid notice of cessation upon the event of a cessation of labor on the work or construction on the Security for a continuous period of thirty (30) days or more, and to take all other reasonable steps to forestall the assertion of claims of lien against the Security or any part thereof. Trustor irrevocably appoints, designates and authorizes Beneficiary as its agent (said agency being coupled with an interest) with the authority, but without any obligation, to file or record any notices of completion or cessation of labor or any other notice that Beneficiary deems necessary or desirable to protect its interest in and to the Security or the Revocable Grant Documents; provided, however, that Beneficiary exercises its rights as agent of Trustor only in the event that Trustor fails to take, or fails to diligently continue to take, those actions as hereinbefore provided.

(c) Upon demand by Beneficiary, Trustor makes or causes to be made such demands or claims as Beneficiary specifies upon laborers, material suppliers, subcontractors or other persons who have furnished or claim to have furnished labor, services or materials in connection with the Security. Section 2.2 Granting of Easements. Trustor may not grant easements, licenses, rights-of-way or other rights or privileges in the nature of easements with respect to any property or rights included in the Security except: (a) those required or desirable for installation and maintenance of public utilities; (b) those required by law; or (c) those approved, in writing, by Beneficiary, such approval will not be unreasonably be withheld, conditioned or delayed.

Section 2.3 Assignment of Rents.

(a) As part of the consideration for the indebtedness evidenced by the Revocable Grant Documents, Trustor hereby absolutely and unconditionally assigns and transfers to Beneficiary any and all the rents and revenues of the Property including those now due, past due, or to become due by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property, regardless of to whom the rents and revenues of the Property are payable in the event of an uncured Default. Trustor hereby authorizes Beneficiary or Beneficiary's agents to, upon an uncured event of Default, collect the aforesaid rents and revenues and hereby directs each resident of the Property to pay such rents to Beneficiary or Beneficiary's agents; provided, however, that prior to written notice given by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the Revocable Grant Documents, Trustor shall collect and receive all rents and revenues of the Property as trustee for the benefit of Beneficiary and Trustor to apply the rents and revenues so collected to the Secured Obligations with the

balance, so long as no such breach has occurred, to the account of Trustor, it being intended by Trustor and Beneficiary that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only. Upon delivery of written notice by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the Revocable Grant Documents which continues beyond any applicable cure period, and without the necessity of Beneficiary entering upon and taking and maintaining full control of the Property in person, by agent or by a court-appointed receiver, Beneficiary will immediately be entitled to possession of all rents and revenues of the Property as specified in this Section as the same becomes due and payable, including but not limited to rents then due and unpaid, and all such rents will immediately upon delivery of such notice be held by Trustor as trustee for the benefit of Beneficiary only; provided, however, that the written notice by Beneficiary to Trustor of the breach by Trustor shall contain a statement that Beneficiary exercises its rights to such rents. Trustor agrees that commencing upon delivery of such written notice of Trustor's breach by Beneficiary to Trustor, each resident of the Property shall make such rents payable to and pay such rents to Beneficiary or Beneficiary's agents on Beneficiary's written demand to each resident therefor, delivered to each resident personally, by mail or by delivering such demand to each rental unit, without any liability on the part of said resident to inquire further as to the existence of a default by Trustor.

(b) Trustor hereby covenants that, except to senior mortgage lenders approved by Beneficiary, Trustor has not executed any prior assignment of said rents, that Trustor has not performed, and will not perform, any acts or has not executed and will not execute, any instrument which would prevent Beneficiary from exercising its rights under this Section, and that at the time of execution of this Deed of Trust, there has been no anticipation or prepayment of any of the rents of the Property for more than two (2) months prior to the due dates of such rents. Trustor covenants that Trustor will not hereafter collect or accept payment of any rents of the Property more than two (2) months prior to the due dates of such rents. Trustor further covenants that Trustor will execute and deliver to Beneficiary such further assignments of rents and revenues of the Property as Beneficiary may from time to time request.

(c) Upon the Trustor's breach of any covenant or agreement of Trustor in the Revocable Grant Documents, which continues beyond any applicable cure period, Beneficiary may in person, by agent or by a court-appointed receiver, regardless of the adequacy of Beneficiary's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution, cancellation or modification of leases, the collection of all rents and revenues of the Property, the making of repairs to the Property and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this Deed of Trust. In the event Beneficiary elects to seek the appointment of a receiver for the Property upon Trustor's breach of any covenant or agreement of Trustor in this Deed of Trust, Trustor hereby expressly consents to the appointment of such receiver. Beneficiary or the receiver will be entitled to receive a reasonable fee for so managing the Property.

(d) All rents and revenues collected subsequent to delivery of written notice by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the Revocable Grant Documents shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the rents, including, but not limited to, receiver's fees, premiums on receiver's bonds, costs of repairs to the Property, premiums on insurance policies, taxes, assessments and other charges on the Property, and the costs of discharging any obligation or liability of Trustor as lessor or landlord of the Property and then to the sums secured by this Deed of Trust. Beneficiary or the receiver is to have access to the books and records used in the operation and maintenance of the Property and shall be liable to account only for those rents actually received. Beneficiary shall not be liable to Trustor, anyone claiming under or through Trustor or anyone having an interest in the Property by reason of anything done or left undone by Beneficiary under this Section.

(e) If the rents of the Property are not sufficient to meet the costs, if any, of taking control of and managing the Property and collecting the rents, any funds expended by Beneficiary for such purposes shall become part of the Secured Obligations secured by this Deed of Trust pursuant to Section 3.3 hereof. Unless Beneficiary and Trustor agree in writing to other terms of payment, such amounts shall be payable upon notice from Beneficiary to Trustor requesting payment thereof and shall bear interest from the date of disbursement at the rate stated in Section 3.3 hereof.

(f) Any entering upon and taking and maintaining of control of the Property by Beneficiary or the receiver and any application of rents as provided in this Deed of Trust shall not cure or waive any default under this Deed of Trust or invalidate any other right or remedy of Beneficiary under applicable law or provided herein. This assignment of rents of the Property shall terminate at such time as this Deed of Trust ceases to secure the Secured Obligations.

### ARTICLE 3.

#### TAXES AND INSURANCE; ADVANCES

##### Section 3.1 Taxes, Other Governmental Charges and Utility Charges.

(a) Trustor shall pay, or cause to be paid, at least fifteen (15) days prior to the date of delinquency, all taxes, assessments, charges and levies imposed by any public authority or utility company which are or may become a lien affecting the Security or any part thereof; provided, however, that Trustor is not required to pay and discharge any such tax, assessment, charge or levy so long as: (1) the legality thereof is promptly and actively contested in good faith and by appropriate proceedings; and (2) Trustor maintains reserves adequate to pay any liabilities contested pursuant to this Section. With respect to taxes, special assessments or other similar governmental charges, Trustor shall pay such amount in full prior to the attachment of any lien therefor on any part of the Security; provided, however, if such taxes, assessments or charges can be paid in

installments, Trustor may pay in such installments. Except as provided in clause (2) of the first sentence of this paragraph, the provisions of this Section may not be construed to require that Trustor maintain a reserve account, escrow account, impound account or other similar account for the payment of future taxes, assessments, charges and levies.

(b) In the event that Trustor fails to pay any of the foregoing items required by this Section to be paid by the Trustor, Beneficiary may (but is under no obligation to) pay the same, after the Beneficiary has notified Trustor of such failure to pay and the Trustor fails to fully pay such items within seven (7) business days after receipt of such notice. Any amount so advanced therefor by Beneficiary, together with interest thereon from the date of such advance at the maximum rate permitted by law, will become part of the Secured Obligations secured hereby, and Trustor agrees to pay all such amounts.

### Section 3.2 Provisions Respecting Insurance.

(a) Trustor agrees to provide insurance conforming in all respects to that required under the Revocable Grant Documents during the course of construction and following completion, and at all times until all Secured Obligations secured hereunder are fulfilled and this Deed of Trust reconveyed.

(b) All such insurance policies and coverages are to be maintained at Trustor's sole cost and expense. Certificates of insurance for all of the above insurance policies, showing the same to be in full force and effect, are to be delivered to the Beneficiary upon demand therefor at any time prior to Trustor's satisfaction of the Secured Obligations.

Section 3.3 Advances. In the event the Trustor fails to maintain the full insurance coverage required by this Deed of Trust or fails to keep the Security in accordance with the Revocable Grant Documents, the Beneficiary, after at least seven (7) days prior notice to Beneficiary, may (but is under no obligation to): (a) take out the required policies of insurance and pay the premiums on the same; or (b) make such repairs or replacements as are necessary and provide for payment thereof. All amounts so advanced therefor by the Beneficiary shall become part of the Secured Obligations (together with interest as set forth below) and will be secured hereby, which amounts Trustor agrees to pay on the demand of the Beneficiary, and if not so paid, will bear interest from the date of the advance at the lesser of ten percent (10%) per annum or the maximum rate permitted by law.

## ARTICLE 4. CASUALTY OR CONDEMNATION

Section 4.1 Casualties. All judgments, awards of damages, settlements and compensation made in connection with or in lieu of: (a) the taking of all or any part of or any interest in the Property by or under assertion of the power of eminent domain; (b) any

damage to or destruction of the Property or any part thereof by insured casualty; and (c) any other injury or damage to all or any part of the Property (collectively, the "Funds") are hereby assigned to and are to be paid to the Beneficiary by a check made payable to the Beneficiary to the extent of the unpaid principal balance and interest on the unforgiven balance of the County Grant. The Beneficiary is authorized and empowered (but not required) to collect and receive any Funds and is authorized to apply them in whole or in part to any indebtedness or obligation secured hereby, in such order and manner as the Beneficiary determines at its sole option. The Beneficiary is entitled to settle and adjust all claims under insurance policies provided under this Deed of Trust and may deduct and retain from the proceeds of such insurance the amount of all expenses incurred by it in connection with any such settlement or adjustment. All or any part of the amounts so collected and recovered by the Beneficiary may be released to Trustor upon such conditions as the Beneficiary may impose for its disposition. Application of all or any part of the Funds collected and received by the Beneficiary or the release thereof will not cure or waive any default under this Deed of Trust. The rights of the Beneficiary under this Section 4.1 are subject to the rights of any Senior Lender. The Beneficiary shall release the Funds to Trustor to be used to reconstruct the improvements on the Property provided that Beneficiary reasonably determines that Trustor (taking into account the Funds) has sufficient funds to rebuild the improvements in substantially the form that existed prior to the casualty or condemnation.

#### ARTICLE 5.

#### AGREEMENTS AFFECTING THE PROPERTY; FURTHER ASSURANCES; PAYMENT OF GRANT AND INTEREST

Section 5.1 Other Agreements Affecting Property. The Trustor shall duly and punctually perform all terms, covenants, conditions and agreements binding upon it under the Revocable Grant Documents and any other agreement of any nature whatsoever now or hereafter involving or affecting the Security or any part thereof.

Section 5.2 Attorneys' Fees and Expenses. In the event that any party to this Agreement brings an action to interpret or enforce its rights under this Deed of Trust or the Revocable Grant Documents, each party, including the prevailing party in such action, shall bear its own costs and expenses, including reasonable attorneys' fees in such action. This paragraph shall not apply to those costs and attorney's fees directly arising from a third-party legal action against a party hereto and payable under Indemnification and Insurance Requirements.

Section 5.3 Payment of the County Grant. Upon a default under the Revocable Grant Documents, Trustor is required to repay to the Beneficiary the amount of the County Grant not forgiven pursuant to Section 2.3 of the Revocable Grant Agreement and any other payments as set forth in the Revocable Grant Documents in the amounts and by the times set out therein. Beneficiary's sole recourse for the repayment of the outstanding balance and default interest, if any, of the County Grant shall be from the transfer of the Property or the Security.

Section 5.4 Personal Property. To the maximum extent permitted by law, the personal property subject to this Deed of Trust is deemed to be fixtures and part of the real property and this Deed of Trust constitutes a fixtures filing under the California Commercial Code. As to any personal property not deemed or permitted to be fixtures, this Deed of Trust constitutes a security agreement under the California Commercial Code.

Section 5.5 Financing Statement. The Trustor shall execute and deliver to the Beneficiary such financing statements pursuant to the appropriate statutes, and any other documents or instruments as are required to convey to the Beneficiary a valid perfected security interest in the Security, subject to the rights of Senior Lenders. The Trustor agrees to perform all acts which the Beneficiary may reasonably request so as to enable the Beneficiary to maintain such valid perfected security interest in the Security in order to secure the payment of the County Grant in accordance with its terms. The Beneficiary is authorized to file a copy of any such financing statement in any jurisdiction(s) as it shall deem appropriate from time to time in order to protect the security interest established pursuant to this instrument.

Section 5.6 Operation of the Security. Trustor shall operate the Security in full compliance with the Revocable Grant Documents.

Section 5.7 Inspection of the Security. At any and all reasonable times, the Beneficiary and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right, without payment of charges or fees, to inspect the Security provided, however, that any such inspection shall not unreasonably disturb any tenants or other occupants of the Property. Beneficiary shall give Trustor not less than seventy-two hours (72) notice prior to requiring the inspection of the interior of individual tenant units.

## ARTICLE 6. HAZARDOUS WASTE

### Section 6.1 Hazardous Waste.

(a) Trustor shall keep and maintain the Property in compliance with, and shall not cause or permit the Property to be in violation of any federal, state or local laws, ordinances or regulations relating to industrial hygiene or to the environmental conditions on, under or about the Property including, but not limited to, soil and ground water conditions. Trustor shall not use, generate, manufacture, store or dispose of on, under, or about the Property or transport to or from the Property any flammable explosives, radioactive materials, hazardous wastes, toxic substances or related materials, including without limitation, any substances defined as or included in the definition of "hazardous substances," "hazardous wastes," "hazardous materials," or "toxic substances" under any applicable federal or state laws or regulations (collectively referred to hereinafter as

"Hazardous Materials") except such of the foregoing as may be customarily kept and used in and about a multi-family residential property or construction site.

(b) Trustor shall immediately advise Beneficiary in writing if at any time it receives written notice of: (1) any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted, completed or threatened against Trustor or the Property pursuant to any applicable federal, state or local laws, ordinances, or regulations relating to any Hazardous Materials, ("Hazardous Materials Law"); (2) all claims made or threatened by any third party against Trustor or the Property relating to damage, contribution, cost recovery compensation, loss or injury resulting from any Hazardous Materials (the matters set forth in clauses (1) and (2) above are hereinafter referred to as "Hazardous Materials Claims"); and (3) Trustor's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be classified as "border-zone property" (as defined in California Health and Safety Code Section 25117.4) under the provision of California Health and Safety Code, Sections 25220 *et seq.*, or any regulation adopted in accordance therewith, or to be otherwise subject to any restrictions on the ownership, occupancy, transferability or use of the Property under any Hazardous Materials Law.

(c) Beneficiary has the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any Hazardous Materials Claims and to have its reasonable attorneys' fees in connection therewith paid by Trustor. Trustor shall indemnify and hold harmless Beneficiary and its board members, supervisors, directors, officers, employees, agents, successors and assigns from and against any loss, damage, cost, expense or liability directly or indirectly arising out of or attributable to the use, generation, storage, release, threatened release, discharge, disposal, or presence of Hazardous Materials on, under, or about the Property including without limitation: (1) all foreseeable consequential damages; (2) the costs of any required or necessary repair, cleanup or detoxification of the Property and the preparation and implementation of any closure, remedial or other required plans; and (3) all reasonable costs and expenses incurred by Beneficiary in connection with clauses (1) and (2), including but not limited to reasonable attorneys' fees.

(d) Without Beneficiary's prior written consent, which may not be unreasonably withheld, conditioned, or delayed. Trustor may not take any remedial action in response to the presence of any Hazardous Materials on, under or about the Property, nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Material Claims, which remedial action, settlement, consent decree or compromise might, in Beneficiary's reasonable judgment, impair the value of the Beneficiary's security hereunder; provided, however, that Beneficiary's prior consent is not necessary in the event that the presence of Hazardous Materials on, under, or about the Property either poses an immediate threat to the health, safety or welfare of any individual or is of such a nature that an immediate remedial response is necessary and it is not reasonably possible to obtain Beneficiary's consent before taking such action, provided that in such event Trustor notifies Beneficiary as soon as practicable of any

action so taken.

(e) Beneficiary agrees not to withhold, condition, or delay its consent, where such consent is required hereunder, if either: (1) a particular remedial action is ordered by a court of competent jurisdiction; (2) Trustor will or may be subjected to civil or criminal sanctions or penalties if it fails to take a required action; (3) Trustor establishes to the reasonable satisfaction of Beneficiary that there is no reasonable alternative to such remedial action which would result in less impairment of Beneficiary's security hereunder; or (4) the action has been agreed to by Beneficiary.

(f) Trustor hereby acknowledges and agrees that: (1) this Article is intended as the Beneficiary's written request for information (and Trustor's response) concerning the environmental condition of the Property as required by California Code of Civil Procedure Section 726.5; and (2) each representation and warranty in this Deed of Trust or any of the other Revocable Grant Documents (together with any indemnity applicable to a breach of any such representation and warranty) with respect to the environmental condition of the property is intended by the Beneficiary and Trustor to be an "environmental provision" for purposes of California Code of Civil Procedure Section 736.

(g) In the event that any portion of the Property is determined to be "environmentally impaired" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(3)) or to be an "affected parcel" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(1)), then, without otherwise limiting or in any way affecting the Beneficiary's or the Trustee's rights and remedies under this Deed of Trust, the Beneficiary may elect to exercise its rights under California Code of Civil Procedure Section 726.5(a) to: (1) waive its lien on such environmentally impaired or affected portion of the Property; and (2) exercise: (i) the rights and remedies of an unsecured creditor, including reduction of its claim against Trustor to judgment, and (ii) any other rights and remedies permitted by law. For purposes of determining the Beneficiary's right to proceed as an unsecured creditor under California Code of Civil Procedure Section 726.5(a), Trustor will be deemed to have willfully permitted or acquiesced in a release or threatened release of hazardous materials, within the meaning of California Code of Civil Procedure Section 726.5(d)(1), if the release or threatened release of hazardous materials was knowingly or negligently caused or contributed to by any lessee, occupant, or user of any portion of the Property and Trustor knew or should have known of the activity by such lessee, occupant, or user which caused or contributed to the release or threatened release. All costs and expenses, including (but not limited to) attorneys' fees, incurred by the Beneficiary in connection with any action commenced under this paragraph, including any action required by California Code of Civil Procedure Section 726.5(b) to determine the degree to which the Property is environmentally impaired, plus interest thereon at the highest rate permitted by law, shall be added to the indebtedness secured by this Deed of Trust and will be due and payable to the Beneficiary upon its demand made at any time following the conclusion of such action.

(h) Trustor is aware that California Civil Code Section 2955.5(a) provides as follows: "No lender shall require a borrower, as a condition of receiving or maintaining a loan secured by real property, to provide hazard insurance coverage against risks to the improvements on that real property in an amount exceeding the replacement value of the improvements on the property."

ARTICLE 7.  
EVENTS OF DEFAULT AND REMEDIES

Section 7.1 Events of Default. The following constitute events of default ("Events of Default") following the expiration of any applicable notice and cure periods: (1) failure of Trustor to comply with the Regulatory Agreement, subject to all applicable notice and cure rights provided therein; (2) failure to make any payment or perform any of Trustor's other covenants, agreements, or obligations under the Revocable Grant Documents, including, without limitation, the provisions concerning discrimination, which default shall not be cured within the times and in the manner provided therein; and (c) failure to make any payments or observe any of Trustor's other covenants, agreements or obligations under any other financing or debt instrument or regulatory agreement secured by any interest in the Property, which default is not cured within the time and in the manner provided therein.

Section 7.2 Acceleration of Maturity. If an Event of Default has occurred and is continuing, then at the option of the Beneficiary, repay the Beneficiary any portion of the County Grant not forgiven pursuant to Section 2.3 of the Revocable Grant Agreement, together with any accrued interest thereon, to become immediately due and payable, upon written notice by the Beneficiary to Trustor (or automatically where so specified in the Revocable Grant Documents), and no omission on the part of the Beneficiary to exercise such option when entitled to do so shall be construed as a waiver of such right. The Beneficiary may proceed to enforce payment of the indebtedness only by foreclosure under the Deed of Trust. Trustor waives all right to presentment, demand, protest or notice of protest or dishonor. Trustor is liable to pay the Beneficiary on demand all reasonable expenses, costs and fees paid or incurred by the Beneficiary in connection with the repayment of the County Grant, which shall be a part of the Secured Obligation enforced only by foreclosure under this Deed of Trust.

Section 7.3 The Beneficiary's Right to Enter and Take Possession. If an Event of Default has occurred and is continuing, the Beneficiary may:

(a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon the Property and take possession thereof (or any part thereof) and of any of the Security, in its own name or in the name of Trustee, and do any acts that it deems necessary or desirable to preserve the value or marketability of the Property, or part thereof or interest therein, increase the income therefrom or protect the security thereof. The entering upon and taking possession of the Security shall not cure or waive

any Event of Default or Notice of Sale (as defined below) hereunder or invalidate any act done in response to such Default or pursuant to such Notice of Sale and, notwithstanding the continuance in possession of the Security, Beneficiary will be entitled to exercise every right provided for in this Deed of Trust, or by law upon occurrence of any Event of Default, including the right to exercise the power of sale;

(b) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof;

(c) Deliver to Trustee a written declaration of default, and a written notice of election to cause Trustor's interest in the Security to be sold ("Notice of Sale"), which notice Trustee or Beneficiary shall cause to be duly filed for record in the Official Records of San Bernardino County; or

(d) Exercise all other rights and remedies provided herein, in the instruments by which Trustor acquires title to any Security, or in any other document or agreement now or hereafter evidencing, creating or securing all or any portion of the Secured Obligations.

#### Section 7.4 Foreclosure By Power of Sale.

(a) Should the Beneficiary elect to foreclose by exercise of the power of sale herein contained, the Beneficiary shall deliver the Notice of Sale to the Trustee, and shall deposit with Trustee this Deed of Trust which is secured hereby (and the deposit of which shall be deemed to constitute evidence that the Secured Obligations are immediately due and payable), and such receipts and evidence of any expenditures made that are additionally secured hereby as Trustee may require.

(b) Upon receipt of such Notice of Sale from the Beneficiary, Trustee shall cause to be recorded, published and delivered to Trustor such Notice of Sale as then required by law and by this Deed of Trust. Trustee shall, without demand on Trustor, after lapse of such time as may then be required by law and after recordation of such Notice of Sale having been given as required by law, sell the Security, at the time and place of sale fixed by it in said Notice of Sale, whether as a whole or in separate lots or parcels or items as Trustee shall deem expedient and in such order as it determines unless specified otherwise by Trustor according to California Civil Code Section 2924g(b), at public auction to the highest bidder, for cash in lawful money of the United States payable at the time of sale. Trustee will deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed or any matters of facts will be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee or Beneficiary, may purchase at such sale, and Trustor hereby covenants to warrant and defend the title of the Trustee and/or the Beneficiary.

(c) After deducting all reasonable costs, fees and expenses of Trustee, including costs of evidence of title in connection with such sale, Trustee shall apply the

proceeds of sale to payment of: (1) the unpaid or unforgiven portion of the County Grant; (2) all other Secured Obligations owed to Beneficiary under the Revocable Grant Documents; (3) all other sums then secured hereby; and (4) the remainder, if any, to Trustor.

(d) Trustee may postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new Notice of Sale.

Section 7.5 Receiver. If an Event of Default has occurred and is continuing, Beneficiary, as a matter of right and without further notice to Trustor or anyone claiming under the Security, and without regard to the then value of the Security or the interest of Trustor therein, may apply to any court having jurisdiction to appoint a receiver or receivers of the Security (or a part thereof), and Trustor hereby irrevocably consents to such appointment and waives further notice of any application therefor. Any such receiver or receivers will have all the usual powers and duties of receivers in like or similar cases, and all the powers and duties of Beneficiary in case of entry as provided herein, and will continue as such and exercise all such powers until the date of confirmation of sale of the Security, unless such receivership is sooner terminated.

Section 7.6 Remedies Cumulative. No right, power or remedy conferred upon or reserved to the Beneficiary by this Deed of Trust is intended to be exclusive of any other right, power or remedy, but each and every such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.7 No Waiver.

(a) No delay or omission of the Beneficiary to exercise any right, power or remedy accruing upon any Event of Default will exhaust or impair any such right, power or remedy, or may not be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Deed of Trust to the Beneficiary may be exercised from time to time and as often as may be deemed expeditious by the Beneficiary. Beneficiary's express or implied consent to a breach by Trustor, or a waiver of any obligation of Trustor hereunder will not be deemed or construed to be a consent to any subsequent breach, or further waiver, of such obligation or of any other obligations of Trustor hereunder. Failure on the part of the Beneficiary to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, will not constitute a waiver by the Beneficiary of its right hereunder or impair any rights, power or remedies consequent on any Event of Default by Trustor.

(b) If the Beneficiary: (1) grants forbearance or an extension of time for the payment or performance of any Secured Obligation; (2) takes other or additional security or the payment of any sums secured hereby; (3) waives or does not exercise any

right granted in the Revocable Grant Documents; (4) releases any part of the Security from the lien of this Deed of Trust, or otherwise changes any of the terms, covenants, conditions or agreements in the Revocable Grant Documents; (5) consents to the granting of any easement or other right affecting the Security; or (6) makes or consents to any agreement subordinating the lien hereof, any such act or omission shall not release, discharge, modify, change or affect the original liability under this Deed of Trust, or any other obligation of Trustor or any subsequent purchaser of the Security or any part thereof, or any maker, co-signer, endorser, surety or guarantor (unless expressly released); nor shall any such act or omission preclude the Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in any Event of Default then made or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by the Beneficiary shall the lien of this Deed of Trust be altered thereby.

Section 7.8 Suits to Protect the Security. The Beneficiary has the power to: (a) institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Security and the rights of the Beneficiary as may be unlawful or any violation of this Deed of Trust; (b) preserve or protect its interest (as described in this Deed of Trust) in the Security; and (c) restrain the enforcement of or compliance with any legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement for compliance with such enactment, rule or order would impair the Security thereunder or be prejudicial to the interest of the Beneficiary.

Section 7.9 Trustee May File Proofs of Claim. In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting Trustor, its creditors or its Property, the Beneficiary, to the extent permitted by law, will be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of the Beneficiary allowed in such proceedings and for any additional amount which may become due and payable by Trustor hereunder after such date.

Section 7.10 Waiver. Trustor waives presentment, demand for payment, notice of dishonor, notice of protest and nonpayment, protest, notice of interest on interest and late charges, and diligence in taking any action to collect any Secured Obligations or in proceedings against the Security, in connection with the delivery, acceptance, performance, default, endorsement or guaranty of this Deed of Trust.

## ARTICLE 8. MISCELLANEOUS

Section 8.1 Amendments. This Deed of Trust cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by Beneficiary and Trustor.

Section 8.2 Reconveyance by Trustee. Upon written request of Beneficiary stating that all Secured Obligations have been forgiven or paid, and all obligations under the Revocable Grant Documents have been performed in full, and upon surrender of this Deed of Trust to Trustee for cancellation and retention, and upon payment by Trustor of Trustee's reasonable fees, Trustee shall reconvey the Security to Trustor, or to the person or persons legally entitled thereto.

Section 8.3 Notices.

(a) If at any time after the execution of this Deed of Trust becomes necessary or convenient for one of the parties hereto to serve any notice, demand or communication upon the other party, such notice, demand or communication shall be in writing and shall be served personally or by depositing the same in the registered United States mail, return receipt requested, postage prepaid and (1) if intended for Beneficiary shall be addressed to:

(b) Any notice, demand or communication shall be deemed given, received, made or communicated on the date personal delivery is effected or, if mailed in the manner herein specified, on the delivery date or date delivery is refused by the addressee, as shown on the return receipt. Either party may change its address at any time by giving written notice of such change to Beneficiary or Trustor as the case may be, in the manner provided herein, at least ten (10) days prior to the date such change is desired to be effective.

Section 8.4 Successors and Joint Trustors. Where an obligation created herein is binding upon Trustor, the obligation shall also apply to and bind any transferee or successors in interest. Where the terms of the Deed of Trust have the effect of creating an obligation of Trustor and a transferee, such obligation shall be deemed to be a joint

and several obligation of Trustor and such transferee. Where Trustor is more than one entity or person, all obligations of Trustor shall be deemed to be a joint and several obligation of each and every entity and person comprising Trustor.

Section 8.5 Captions. The captions or headings at the beginning of each Section hereof are for the convenience of the parties and are not a part of this Deed of Trust.

Section 8.6 Invalidity of Certain Provisions. Every provision of this Deed of Trust is intended to be severable. In the event any term or provision hereof is declared to be illegal or invalid for any reason whatsoever by a court or other body of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable. If the lien of this Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Security, the unsecured or partially secured portion of the debt, and all payments made on the debt, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have been first paid or applied to the full payment of that portion of the debt which is not secured or partially secured by the lien of this Deed of Trust.

Section 8.7 Governing Law and Venue. This Deed of Trust shall be governed by and construed in accordance with the laws of the State of California. Each party waives any law, statute (including, but not limited to, Code of Civil Procedure section 394), or rule of court that would allow them to request or demand a change of venue. If any third party brings an action or claims concerning the Agreement, the parties hereto agree to use their best efforts to obtain a change of venue to the Superior Court of California, County of San Bernardino.

Section 8.8 Gender and Number. In this Deed of Trust the singular includes the plural and the masculine includes the feminine and neuter and vice versa, if the context so requires.

Section 8.9 Deed of Trust, Mortgage. Any reference in this Deed of Trust to a mortgage also refers to a deed of trust and any reference to a deed of trust also refers to a mortgage.

Section 8.10 Actions. Trustor agrees to appear in and defend any action or proceeding purporting to affect the Security.

Section 8.11 Substitution of Trustee. Beneficiary may from time to time substitute a successor or successors to any Trustee named herein or acting hereunder to execute this Trust. Upon such appointment, and without conveyance to the successor trustee, the latter will be vested with all title, powers, and duties conferred upon any Trustee herein named or acting hereunder. Each such appointment and substitution is to be made by written instrument executed by Beneficiary, containing reference to this Deed of Trust and its place of record, which, when duly recorded in the proper office of the

county or counties in which the Property is situated, shall be conclusive proof of proper appointment of the successor trustee.

Section 8.12 Statute of Limitations. The pleading of any statute of limitations as a defense to any and all obligations secured by this Deed of Trust is hereby waived to the full extent permissible by law.

Section 8.13 Acceptance by Trustee. Trustee accepts this Trust when this Deed of Trust, duly executed and acknowledged, is made public record as provided by law. Except as otherwise provided by law the Trustee is not obligated to notify any party hereto of pending sale under this Deed of Trust or of any action or proceeding in which Trustor, Beneficiary, or Trustee is a party unless brought by Trustee.

Section 8.14 Non-Recourse. Neither Trustor, nor any member of Trustor, shall have any direct or indirect personal liability for payment of the principal of, and interest on, the County Grant or the performance of the covenants of Trustor under this Deed of Trust. The sole recourse of Beneficiary with respect to the principal of, and default interest, if any, on the outstanding balance of the County Grant, and defaults by Trustor in the performance of its covenants under this Deed of Trust, shall be to the Security described herein, and in no event will Beneficiary be entitled to, or seek, a deficiency judgment.
