  - D. 1, 2+ hour meeting and school wide event per quarter.
  - E. One School wide event per quarter
  - F. One presentation a year for school staff.

## EXHIBIT B

- Bradley Elementary FNL will hold an event quarterly to increase mental health awareness as well as substance abuse prevention. One 2+ hour meeting and school wide event per quarter. One presentation a year for school staff.
- 2. No mentoring expansion at this time.
- 3. Community of Practice: *Expansion of ongoing partnership through interaction and membership with the Whole Child Collaborative*
- 4. Describe the organizational plan for supporting expanded meeting times, additional training, and the implementation of schoolwide activities.
  - **Chaparral HS:** is an alternative education site so the schedule is flexible, and meetings can be extended. Chaparral students have been wanting to do more events to support and bring awareness to mental health/wellness. This expansion will allow us to provide students with more resources to accomplish that goal. The school's administration is supportive towards these goals.
  - **Granite Hills HS:** has implemented FNL through their Peers class which has a limited number to students currently only 8. Our chapter at Phoenix academy Club live have expressed interest in FNL and all the students would not be able to be in FNL since it's through the peer class. We're hoping to establish a club on campus to eliminate a barrier which will allow Phoenix academy students to integrate who will be incoming freshman. This will provide an opportunity for any other students who have expressed interest to join as well. The school's administration is supportive towards these goals.
  - **Indian Springs HS:** expanded meetings are supported by the school's admin and the ASB teacher. School events are regularly hosted by ASB. The plan is to incorporate more prevention topics to make the events more educational.
  - **Chino Teen Center:** meetings are typically 4-5pm they can easily be expanded to 3:45-5:45. Chino Teen Center is an afterschool program, therefore there will be no schoolwide events, but the students from Chino Teen will be spreading the FNL message to their middle schools which will hopefully also lead to the addition of some chapters in Chino. The site's administration is supportive towards these goals.
  - **Oak View High School** meets for one hour, and with the permission of the principal meetings can be expanded to 2 hours quarterly. Oak View students do best when they are in a setting outside of school. This will allow students to focus better on the information and activities presented to them and provide them the opportunity learn and practice skills that can improve their performance at school. The school's administration is supportive towards these goals.
  - **Bradley Elementary School:** was a before school chapter but there were too many challenges with schedules causing the shift to lunch time. At this time there's been some

## EXHIBIT B

challenges to coordinating school wide events, this funding would help overcome that challenge. This is a chapter that requested grant opportunities to provide more resources and alternative activities. The school's administration is supportive towards these goals.

- **DPH/FNL Staff Support:** There will be an effort to find training opportunities to gain more knowledge and experience to better assist students and staff. Staff will be able to adjust their schedules to accommodate the expanded meeting times and events. County coordinator and staff will work supportively with youth to educate on SEL principles and benefits. Staff will also support youth with school events and meetings.

### Additional Information

- San Bernardino County FNL would like to host county-wide conferences/retreats to provide more knowledge for SEL implementation.
