## **Section 28.0902 Unpermitted Camping on Public Property Prohibited**

(a) It is unlawful and a violation of this code for any person(s) to camp, occupy camp facilities, or use camping materials on public property not specially designated for day and/or overnight campgrounds.

(b) This section shall not apply to public property specifically designated for camping or where camping has been authorized by a responsible local, state, or federal agency. Persons desiring to camp on County owned, controlled, or maintained public property designated for camping must comply with Chapter 3 of Division 8 of Title 2 of this Code and the permitting requirements of Section 28.0305 of this Code. Persons desiring to camp on public property owned, controlled, or maintained by a department of

1 the United States, the California Department of Parks and Recreation, or other local public  
2 agencies must comply with the applicable laws, regulations and permitting requirements  
3 of the responsible department of the United States, the California Department of Parks  
4 and Recreation, or other local public agencies.

5 (c) Nothing in this ordinance shall prohibit the possession or transportation of  
6 camping facilities or materials on public property, unless otherwise in violation of this  
7 ordinance.

8 (d) Persons desiring to use county-owned grounds or buildings for public  
9 meetings and other approved uses must apply for a public use permit if required by this  
10 Code or County policy.

11 (e) In the situation where an unpermitted camp is erected and no exigent  
12 circumstances exist to public safety, notification to vacate shall be provided at least 72  
13 hours prior to enforcement action.

14 (f) Notwithstanding subsection (e), if a camp or an encampment poses an  
15 imminent threat to life, health, safety or infrastructure, advanced notice to vacate shall be  
16 provided only as reasonably necessary under the circumstances.

17 (g) Nothing in this Chapter shall be read to permit camping on private property  
18 in violation of the San Bernardino County Code including Section 84.25.070.

19  
20 **Section 28.0903 Obstruction of Public Access to Sidewalks, Trails, Public**  
21 **Facilities, and Other Public Rights of Way, and Other Public Offenses**

22 (a) No individual shall obstruct a street, sidewalk, alleyway, trail, county  
23 highway (as defined in sections 25, 960.5 and 1480 of the California Streets and Highway  
24 Code, or as amended), entrance to public facilities, driveway, or other public right of way  
25 by sitting, lying or sleeping, or using or storing personal property in, or upon any street,  
26 sidewalk, alleyway, trail, or county highway.

28 subject to immediate removal by Enforcement Officers.

2 **Section 28.0904 Abatement of Encampments and Camp Facilities and Materials**

3 (a) Notwithstanding Section 28.0903(b), the County may abate or remove  
4 camp facilities and materials, personal property (subject to Section 28.0904(d)), or an  
5 encampment established in violation of this chapter after providing written notice of such  
6 abatement. Any camp facilities and materials, or encampments established in violation of  
7 this chapter may be subject to abatement without advanced written notice by the County,  
8 if the encampment poses an imminent and substantial threat to public health or safety, as  
9 determined by the Enforcement Officer.

10 (b) Except in circumstances governed by Section 28.0903 or where there is an  
11 immediate threat to public health or safety, prior to abatement the County will, to the  
12 extent possible, provide homeless outreach services to affected individuals in an effort to  
13 connect unhoused residents to services. This subsection is directory, not mandatory, and  
14 the failure to provide homeless outreach services specified in this subsection does not  
15 affect the validity of an abatement action

16 (c) Abatement pursuant to this section may include, but is not limited to,  
17 removal of camp facilities and materials, personal property, trash, debris, junk, hazardous  
18 waste, infectious waste, and vehicles.

19 (d) Personal Property taken that does not constitute a health or safety hazard,  
20 shall be collected, inventoried, and stored for at least 90 days. Personal Property that

25 and potentially contribute to the spread of disease.

28 including human waste and bodily fluids.

3 mice, fleas, lice, and bed bugs.

5 tanks; any item containing fuel or corrosives or other unidentified liquids.

9 individual who is licensed to identify and handle hazardous materials to contain one or  
10 more of the items listed above. Such backpacks and closed containers may be discarded  
11 where no individual who is licensed in hazardous materials is present to make a  
12 determination.
- 13 (x) If personal belongings are co-mingled or littered with needles, human  
14 waste, or other health risks, the entire pile of belongings may be disposed of. The  
15 presence of clothing in a backpack or container shall not be the sole reason to discard  
16 the backpack or container.

17

18 **Section 28.0905 Enforcement**

- 19 (a) A violation of this chapter is declared to be a public nuisance and subject to  
20 the penalties stated herein.
- 21 (b) Notwithstanding any other provision of the San Bernardino County Code,  
22 each person violating, causing, or allowing a violation of any provision of this Chapter,  
23 shall be guilty of an infraction, unless the violation is specifically declared to be a  
24 misdemeanor.
- 25 (c) Except as otherwise provided herein, upon conviction or upon a plea of nolo  
26 contendere (commonly called "no contest"), by a base fine not exceeding \$100.00 for a  
27 first violation; a base fine not exceeding \$200.00 for a second violation of this Chapter  
28 within one year; and a base fine not exceeding \$500.00 for each additional violation of

1 this Chapter within one year of the first violation. The maximum fines imposed in this  
2 Section are based upon the provisions of Government Code Section 25132 and will be  
3 increased automatically and without amendment to this Section upon any amendment to  
4 Government Code Section 25132 increasing the amount of fines permitted. Any court  
5 costs that the court may otherwise be required to impose pursuant to applicable State law  
6 or local ordinance shall be imposed in addition to the base fine.

7 (d) As an alternative to a fine, the County would encourage the Court to grant  
8 diversion or probation with a condition the offender complete a rehabilitation program or  
9 treatment plan.

10 (d) Nothing in this Section shall be interpreted as limiting an Enforcement  
11 Officer from impounding a vehicle used in violation of this Chapter if permitted by Vehicle  
12 Code Section 22651.

13  
14 SECTION 3. The Board of Supervisors declares that it would have adopted this  
15 ordinance and each section, sentence, clause, phrase, or portion of it irrespective of the  
16 fact that any one or more sections, sentences, clauses, phrases, or portions of it are  
17 declared invalid or unconstitutional. If for any reason any portion of this ordinance is  
18 declared invalid or unconstitutional, then all other provisions of it shall remain valid and  
19 enforceable.

20  
21 SECTION 4. This ordinance is exempt from the requirements of the California  
22 Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines, as it is not a  
23 "project" and has no potential to result in a direct or reasonably foreseeable indirect  
24 physical change to the environment. Further, this ordinance is exempt from CEQA as  
25 there is no possibility that this ordinance or its implementation would have a significant  
26 negative effect on the environment. The Community Development and Housing  
27 Department shall cause a Notice of Exemption to be filed as authorized by CEQA and  
28 the State CEQA Guidelines.

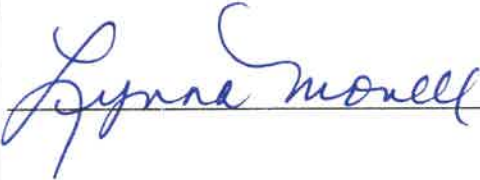

1           SECTION 5. This ordinance shall take effect thirty (30) days from the date of  
2 adoption.
