11. The Contractor shall request a budget amendment, in writing, in advance of expenditures: 1) when aggregate expenditures are expected to exceed an approved budgeted line item by more than fifteen (15%) percent; or 2) to add a new budget line item. No budget revision may result in an increase of the maximum dollar amount stated in Paragraph 1 of this Section. The written request must specify the changes requested, by line item and amount, and must include justification. Prior to implementation of a budget revision, the County shall approve (or deny) the budget revision request. The County has the authority to approve line item budget changes to the budget herein, as long as these changes do not exceed the total contract amount. County shall notify the Contractor in writing of the status of the budget revision request within fourteen (14) calendar days of receipt of the Contractor's written request. The County reserves the right to deny the Contractor's invoice for expenditures in excess of the approved budgeted line item amount.

G. INDEMNIFICATION AND INSURANCE REQUIREMENTS

Indemnification – The Contractor agrees to indemnify, defend (with counsel reasonably approved by County) and hold harmless the County and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages and/or liability arising out of this Contract from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the County on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnities. The Contractor indemnification obligation applies to the County's "active" as well as "passive" negligence but does not apply to the County's "sole negligence" or "willful misconduct" within the meaning of Civil Code section 2782.

1. **Additional Insured** – All policies, except for Worker's Compensation, Errors and Omissions and Professional Liability policies shall contain additional endorsements naming the County and its officers, employees, agents and volunteers as additional named insured with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.
2. **Waiver of Subrogation Rights** – The Contractor shall require the carriers of required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, contractors, and subcontractors. All general or auto liability insurance coverage provided shall not prohibit the Contractor and Contractor's employees or agents from waiving the right of subrogation prior to a loss or claim. The Contractor hereby waives all rights of subrogation against the County.
3. **Policies Primary and Non-Contributory** – All policies required herein are to be primary and noncontributory with any insurance or self-insurance programs carried or administered by the County.
4. **Severability of Interests** – The Contractor agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the Contractor and the County or between the County and any other insured or additional insured under the policy.
5. **Proof of Coverage** – The Contractor shall furnish Certificates of Insurance to the County Department administering the Contract evidencing the insurance coverage at the time the Contract is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences

performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this contract, the Contractor shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

6. **Acceptability of Insurance Carrier** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum “Best” Insurance Guide rating of “A- VII”.
7. **Deductibles and Self-Insured Retention** – Any and all deductibles or self-insured retentions in excess of ten thousand (\$10,000) shall be declared to and approved by Risk Management.
8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Contract does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the Contract or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by the Contractor or County payments to the Contractor will be reduced to pay for County purchased insurance.
9. **Insurance Review** – Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County’s risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

10. **Insurance Specifications** – The Contractor agrees to provide insurance set forth in accordance with the requirements herein. If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so.

Without in anyway affecting the indemnity herein provided and in addition thereto, the Contractor shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

- a. Workers’ Compensation/Employer’s Liability – A program of Workers’ Compensation insurance or a state approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer’s Liability with two hundred fifty thousand dollar (\$250,000) limits covering all persons including volunteers providing services on behalf of the Contractor and all risks to such persons under this contract.

If Contractor has no employees, it may certify or warrant to the County that it does not currently have any employees or individuals who are defined as “employees” under the Labor Code and the requirement for Workers’ Compensation coverage will be waived by the County’s Director of Risk Management.

With respect to Contractors that are nonprofit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance.

- b. Commercial/General Liability Insurance – The Contractor shall carry General Liability Insurance covering all operations performed by or on behalf of the Contractor providing coverage for bodily injury and property damage with a combined single limit of not less than one million dollars (\$1,000,000), per occurrence. The policy coverage shall include:

If the Contractor is transporting one (1) or more nonemployee passengers in performance of contract services, the automobile liability policy shall have a combined single limit of five million dollars (\$5,000,000) for bodily injury and property damage per occurrence.

If the Contractor owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

- d. Umbrella Liability Insurance – An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a “dropdown” provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.
- e. Professional Liability – Professional Liability Insurance with limits of not less than one million (\$1,000,000) per claim and two million (\$2,000,000) aggregate limits

- f. **Abuse/Molestation Insurance** – Contractor shall have abuse or molestation insurance providing coverage for all employees for the actual or threatened abuse or molestation by anyone of any person in the care, custody, or control of any insured, including negligent employment, investigation and supervision. Technical program data shall be retained locally and made available upon the County's reasonable advance written notice or turned over to County. Such reimbursement will not exceed fifty dollars (\$50) per hour (including travel time) and may be deducted from the following month's claim for reimbursement.
3. Contractor shall cooperate with County in the implementation, monitoring and evaluation of this Contract and comply with any and all reporting requirements established by this Contract.
4. Contractor shall provide all reasonable facilities and assistance for the safety and convenience of County's representatives in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay the work of the Contractor.
5. Upon County request, Contractor shall hire a licensed Certified Public Accountant, approved by the County, who shall prepare and file with County, within sixty (60) days after the termination of the Contract, a certified fiscal audit of related expenditures during the term of the Contract and a program compliance audit.

K. EQUAL EMPLOYMENT/EMPLOYMENT DISCRIMINATION/CIVIL RIGHTS

1. Equal Employment Opportunity Program - Contractor agrees to comply with: the provisions of the San Bernardino County Equal Employment Opportunity Program and rules and regulations adopted pursuant thereto; Executive Order 11246 [30 Fed. Reg. 12319 (Sept. 24, 1965)], as amended by Executive Orders 11375, 11625, 12138, 12432, 12250, and 13672; Title VII of the Civil Rights Act of 1964 (42 U.S.C. section 2000(e), et seq.); Division 21 of the California Department of Social Services Manual of Policies and Procedures; California Welfare and Institutions Code section 10000; the California Fair Employment and Housing Act (Cal. Gov. Code section 12900, et seq.); and other applicable federal, state, and County laws, regulations and policies relating to equal employment or social services to welfare recipients, including laws and regulations hereafter enacted.

The Contractor shall not unlawfully discriminate against any employee, applicant for employment, or service recipient on the basis of race, color, national origin or ancestry, religion, sex, marital status, age, political affiliation or disability. Information on the above rules and regulations may be obtained from the County.

2. Employment Discrimination – During the term of the Contract, Contractor shall not discriminate against any employee or applicant for employment or service recipient because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition,

genetic information, marital status, sex, gender, gender identity, gender expression, sexual orientation, age, or military and veteran status. Contractor shall comply with Executive Orders 11246, 11375, 11625, 12138, 12432, 12250, 13672, Title VI and Title VII of the Civil Rights Act of 1964, the California Fair Employment and Housing Act and other applicable federal, state and County laws and regulations and policies relating to equal employment and contracting opportunities, including laws and regulations hereafter enacted.

3. Civil Rights Compliance – The Contractor shall develop and maintain internal policies and procedures to assure compliance with each factor outlined by state regulation. These policies must be developed into a Civil Rights Plan, which is to be on file with the County within thirty (30) days of awarding of the Contract. The Plan must address prohibition of discriminatory practices, accessibility, language services, staff development and training, dissemination of information, complaints of discrimination, compliance review, and duties of the Civil Rights Liaison. Upon request, the County will supply a sample of the Plan format. The Contractor will be monitored by the County for compliance with provisions of its Civil Rights Plan. Additionally, the Contractor shall submit to County an Assurance of Compliance with the California Department of Social Services Nondiscrimination in State and Federally Assisted Programs Statement (Attachment B) annually.
4. Equity – Contractor shall adhere to and participate in County efforts ensuring all individuals and communities have equal access and opportunity to health and wellbeing by providing culturally and linguistically appropriate services to all people of color and culture, age, disabilities, gender, sexual orientation or gender identity including people with limited English proficiency (LEP). Services provided must be respectful of and responsive to the cultural and linguistic needs of County residents.
 - a. Contractor shall assess the demographic makeup and population trends of its service area to identify the cultural and linguistic needs of the eligible service population. Such studies are critical to designing and planning for providing appropriate, effective and equitable services.
 - b. Contractor shall partner with and support community partners in addressing disparities in family stability, health and mental wellness, education, employment, housing and overall delivery of human services. Partnering includes opportunities for partners and community members to design, implement and evaluate practices, and services ensuring equity and cultural and linguistic appropriateness.
 - c. Contractor shall work with County to communicate and provide opportunities for individuals and communities of color and culture to provide feedback on progress and outcomes achieved to address disparities in family stability, health and mental wellness, education, employment, housing and overall delivery of human services.
 - d. Contractor shall recruit, promote and support a culturally and linguistically diverse workforce that is responsive to and represents the population being served. This includes trained and competent bilingual staff.
 - e. Contractor shall provide training to enhance its workforce knowledge on cultural and linguistic competence. Becoming culturally and linguistically competent is a developmental process and incorporates at all levels the importance of culture, the assessment of cross cultural relations, vigilance towards the dynamics that result from cultural differences, the expansion of cultural knowledge, and the adaptation of services to meet culturally unique needs. Providing services in a culturally appropriate and responsive manner is fundamental in any effort to ensure success of high quality and cost effective health and human services. Offering those services in a manner that fails to achieve its intended result due to cultural and linguistic barriers does not reflect quality of care and is not cost effective.
 - f. To ensure equal access to quality care for diverse populations, Contractors providing health and health care services may adopt the Federal Office of Minority Health Culturally and Linguistically Appropriate Services (CLAS) national standards.

- g. Upon request, Contractor will provide County Human Services evidence of adherence to requirements listed above.
