If the effective date is outside such 15-day period, Canon must be given the right to inspect the Equipment and repair and restore the Equipment to proper working order in accordance with Canon's specifications before this Agreement may become effective. All service labor and parts furnished for such repair and restoration will be charged to Customer at Canon's prevailing rates

9. TERMINATION. This Agreement will terminate upon the expiration date specified on the face of this document. Customer may not terminate this Agreement before its expiration unless (a) Customer sells, discards or otherwise completely discontinues using the Equipment, or (b) Customer exchanges the Equipment for another new Canon Equipment, or (c) Canon substantially fails to perform any of its material obligations specified in this Agreement. In the case of termination for the reasons stated in (a) or (b) above, the termination will be effective 30 days from the date of Customer's written notice to Canon of termination.
