**FINANCIAL IMPACT**

Acceptance of this grant award will not result in the use of additional Discretionary General Funding (Net County Cost) and does not require matching funds. Adequate appropriation and revenue to perform this action will be included in Land Use Services Department (LUS) Code Enforcement Division's (Division) 2020-21 Recommended budget and in future recommended budgets.

**BACKGROUND INFORMATION**

On April 3, 2018 (Item No. 22), the Board of Supervisors (Board) adopted Resolution No. 2018-28 (Resolution), authorizing grant applications to the California Department of Resources Recycling and Recovery (CalRecycle) for waste tire recycling, clean-up and enforcement activities for a period of five years. In accordance with this Resolution, the LUS Division applied for and received an award in the amount of \$600,000 from CalRecycle's 2019-20 Local Government Waste Tire Enforcement Grants (TEA27-19-0017) for the period of June 30, 2020 through September 30, 2021. These grant funds allow LUS to conduct periodic inspections of waste tire generating businesses and other collection facilities and perform enforcement activities, including education outreach, related to the safe handling and disposal of waste tires throughout the County's unincorporated areas.

Illegal dumping or the disposal of waste tires in public or private land or water without a license, permit or approval are chronic problems in the County, particularly in the desert areas. The aforementioned code enforcement activities, along with increased surveillance, funded by these
