Briefly describe the general nature of the contract:

The Emergency Management Performance Grant (EMPG) program is a funding opportunity offered by the Federal Emergency Management Agency/Department of Homeland Security. It provides financial support for comprehensive emergency management programs at the state, tribal, and local levels. The objective is to encourage the improvement of mitigation, preparedness, response, and recovery capabilities for all hazards. The San Bernardino County Operational Area is an intermediate level of the State's emergency services organization that manages and coordinates emergency preparedness efforts. The County has been receiving EMPG funds annually since 2004.

SUBJECT: NOTIFICATION OF SUBRECIPIENT APPLICATION APPROVAL
FY 2024 Emergency Management Performance Grant (EMPG)
Subaward #: 2024-0050, Cal OES ID: 071-00000

Dear Crisanta Gonzalez:

The California Governor's Office of Emergency Services (Cal OES) has approved your FY 2024 Emergency Management Performance Grant (EMPG) application in the amount of \$504,038. As of the date of this letter, you may request reimbursement of eligible grant expenditures using the Cal OES Financial Management Forms Workbook (FMFW) available at www.caloes.ca.gov. A copy of your approved subaward is enclosed for your records.

Any activities requiring additional review (e.g., Environmental Planning and Historic Preservation, Allowability Requests, procurement of Aviation or Controlled Equipment, etc.) shall not incur costs until you receive written approval for those activities.

This subaward is subject to all provisions of 2 CFR Part 200, Subpart F - Audit Requirements. Any funds received in excess of current needs, approved amounts, or those found owed as a result of a final review or audit, must be refunded to the State within 30 days upon receipt of an invoice from Cal OES.

For additional information, please contact your Cal OES Program Representative.

										\$504,038					\$504,038		
Goal #10	Subaward	G	City of Hesperia / Training Management Training	The City of Hesperia will use the FY24 EMPG funds to provide Emergency Preparedness training to their city staff. The type of courses will include Winter Weather and Local Supply Chain Resilience. The training will benefit the staff as they will be better prepared to respond to an emergency and an opportunity to train the local community residents.	Training	Certification / Recertification / Instruction	Planning	Sustain	Shareable	17,764					17,764		
Goal #2	Subaward	H	City of Highland / Equipment (4) Monitoring Camera	The City of Highland will use the FY24 EMPG funds to purchase cameras for improved monitoring. Various locations within the City have historical flooding concerns, and these areas require monitoring by public works staff and emergency personnel. Should water levels hit the identified trigger points of each location, a roadway/bridge closure is implemented for safety purposes. This effort is challenging during nighttime and weekend hours—cameras would assist and help supplement these efforts.	Equipment	04 - Information Technology	Planning	Build	N/A	15,650					15,650		
Goal #10	Subaward	I	City of Loma Linda / Exercise (2) Emergency Management Exercises	The City of Loma Linda will use the FY24 EMPG funds to continue providing Emergency Preparedness training to City staff. The exercise type will consist of a tabletop and full-scale functional exercise. These two (2) exercises will help reinforce the lessons and topics covered in the previous training. The exercise training will benefit the city staff as they will be better prepared to respond to an emergency and provide opportunities to train local residents.	Exercise	Design, Develop, Conduct and Evaluate	Operational Coordination	Build	N/A	14,188					14,188		
Goal #4	Subaward	J	City of Montclair / Equipment (1) LED 150" Video Wall	The City of Montclair will use FY24 EMPG funds to procure a direct view LED video wall for its Emergency Operations Center (EOC) at the Police Department to strengthen communications capabilities through planning, governance, technology, and equipment. The current EOC projection system, essential for presenting critical information, conducting briefing, and facilitating emergency response coordination, has become obsolete due to its age, low brightness, and worn-out technology. To enhance the City's capabilities and ensure our emergency responders' readiness, we request grant funding to replace this outdated system with a state-of-the-art 150-inch direct-view LED video wall that offers unparalleled clarity and brightness even in well-lit environments. It will ensure vital information can be more easily managed, disseminated, and displayed with precision and accuracy, ultimately allowing each person who needs that information to be better prepared and/or informed.	Equipment	04 - Information Technology	Intelligence and Information Sharing	Build	N/A	14,771					14,771		
Goal #5	Subaward	K	City of Needles / Organization Emergency Management Coordinator Duties	The City of Needles will use the FY24 EMPG funds to partially fund their current Utility Manager's salaries whose job description will include the Emergency Management Coordinator role and duties. The Utility Manager for the City of Needles is the Emergency Response Coordinator so the capacity to prevent, prepare for, mitigate against, respond to, and recover from emergencies and disasters, natural or artificial. The proposed project will focus on public education and outreach, updating the City of Needles local hazard mitigation plan, and EOC readiness and emergency response.	Organization	Day to Day Activities / Operations Supporting Emergency Management	Operational Coordination	Sustain	Both	13,227					13,227		
Goal #5	Subaward	L	City of Ontario / Organization Emergency Management Coordinator	The City of Ontario will use the FY24 EMPG funds to partially fund a full-time Emergency Management Coordinator who will work on improving the Operational Area's capability to prevent, prepare for, mitigate against, respond to, and recover from emergencies and disasters, whether natural or artificial. Specific activities will be directed at public education and outreach, emergency planning, and EOC readiness and emergency response.	Organization	Staffing	Operational Coordination	Sustain	Both	21,626					21,626

Goal #10	Subaward	O	City of Upland / Equipment (2) NAJO Light Backboard	The City of Upland will use the FY24 EMPG funds to purchase (2) NAJO Light backboards. Project consideration: NAJO Light Backboards will be utilized for the city's CERT Basic training course. This will allow the city the ability to provide safety and emergency response materials and resources for community events, employee wellness, and enhance responder safety.	Equipment	21 - Other Authorized Equipment	Screening, Search, and Detection	Build	Both	\$240					240								
Goal #10	Subaward	O	City of Upland / Equipment (1) First Aid Training Kit	The City of Upland will use the FY24 EMPG funds to purchase (2) NAJO Light backboards. Project consideration: The NAJO Light Backboards will be utilized for the city's CERT Basic training course. This will allow the city to provide safety and emergency response materials and resources for community events, employee wellness, and enhanced responder safety.	Equipment	21 - Other Authorized Equipment	Mass Search and Rescue Operations	Build	Both	\$160					160								
Goal #5	Subaward	O	City of Upland / Equipment (10) Hazardous Transport kits 10 lbs	The City of Upland will use the FY24 EMPG funds to purchase (10) First Aid Training Kits. Project consideration: Hazardous Transport Kits will be utilized for the city's HazMat team in preparation for handling hazardous material incidents. These units are crucial for special needs situations involving chemical, biological, radiological, or nuclear hazards.	Equipment	19 - CBRNE Logistical Support Equipment	Operational Coordination	Build	Both	\$3,950					3,950								
Goal #5	Subaward	O	City of Upland / Equipment (1) Ballistic Soft Shield IIIA	The City of Upland will use the FY24 EMPG funds to purchase (1) Ballistic Soft Shield IIIA. Project consideration: The Ballistic Soft Shield IIIA will maintain safety for officers and residents and help prevent various ballistic threats during tactical situations, incidents, and planned events.	Equipment	01 - Personal Protective Equipment	Operational Coordination	Build	Both	\$1,624					1,624								
Goal #5	Subaward	O	City of Upland / Equipment (40) Disposable Respirator Vapor Respiratory	The City of Upland will use the FY24 EMPG funds to purchase (50) Disposable Respirator Vapor Respiratory. Project consideration: Disposable Respirator Vapor Respiratory will be used to treat employees or residents with respiratory issues. These units are vital during incidents involving smoke inhalation or chemical exposure, addressing special needs for employee safety.	Equipment	01 - Personal Protective Equipment	Operational Coordination	Build	Both	\$987					987								
Goal #4	Subaward	P	City of Victorville / Equipment (3) VHF/UHF/V2 Repeaters	The City of Victorville will use FY24 Emergency Management Performance Grant (EMPG) funds to purchase and install three new repeaters. This enhancement will support the expansion of the City's radio communications plan. With the addition of these repeaters, the number of available talk paths for City radios will increase to five, allowing staff to communicate and share information simultaneously with reduced delays or downtime. The new repeaters will feature GPS tracking for all radio units throughout the City, enabling the City to transmit emergency information to all radio users at once using the all-call feature. This upgrade will significantly expand our radio capabilities and improve our ability to communicate effectively across the City during emergencies. The repeaters will be installed on a fixed foundation structure.	Equipment	06 - Interoperable Communications Equipment	Infrastructure Systems	Build	N/A	19,578					19,578								
Goal #5	Subaward	Q	City of Yucca Valley / Training, Emergency Management Training	The City of Yucca Valley will use the FY24 EMPG funds to continue to train all employees in ICS/EOC roles specific to their roles within the EOC.	Training	Certification / Recertification of Instructors	Planning	Sustain	Shareable	15,561					15,561								
Goal #4	Subaward	E	Town of Yucca Valley / Equipment (11) Computers	The Town of Yucca Valley will use the FY24 EMPG funds to purchase new computers to replace outdated computers in both the primary and secondary EOC. Upgrading this equipment will ensure communications are maintained, and information is managed following catastrophic events. The computers will be linked to the town's computer network, strengthening the city's devastating emergency management capabilities.	Equipment	04 - Information Technology	Operational Coordination	Build	Both	14,028					14,028								
Goal #5	Direct	S	OES / National Qualification System (NQS) - (4) Trainings	San Bernardino County OES will use the FY24 EMPG funds to provide OES staff with CS1 training, which will help meet this requirement for EMPG. The various trainings will provide OES staff with the necessary skills and strategic decision-making capabilities to effectively coordinate and manage complex crises.	Training	Staff Expenses	Risk Management for Protection Programs and Activities	Build	N/A	131,032					131,032
