San Bernardino County agrees that this is an Extended Payment Plan for 2 years. The Assets listed on this quote were significantly discounted on their behalf for purchasing it upfront. They are priced and provided as a single asset fully delivered upon acceptance. San Bernardino County deems this a valid and beneficial contract, and they acknowledge that they have the essential need for the assets for the full term.

In the event of a Termination for Convenience, the termination must be in whole and not in part, and San Bernardino County agrees to pay to Carahsoft the amount due for the Assets already accepted under the Purchase Order which shall be equal to the balance of the remaining unpaid payments to include all remaining years in the Term plus any outstanding amounts due as of the termination date.

San Bernardino County shall not suspend, replace, or otherwise substitute the use of these assets during the term of the agreement.

These terms will take precedence over any conflicting terms with respect to the payments noted below:

- o Payment 1: \$1,082,536.80 due Net 30 of purchase order date
- o Payment 2: \$1,082,536.80 due 1 year after original purchase order date per net terms

The payments mentioned above do not include shipping and taxes. Taxes will be calculated at the time of invoicing while shipping will be billed as invoiced from vendor/carrier.

Please be aware of all terms listed in this agreement. San Bernardino County's Purchase Order to Carahsoft must include the following sentence: "The terms and conditions on Carahsoft Technology Corp. Quote # 57896438 dated 7/15/2025 are hereby incorporated herein."
