Contractor shall not claim reimbursement or payment from County for, or apply sums received from County with respect to that portion of its obligations that have been paid by another source of revenue. Contractor agrees that it will not use funds received pursuant to this Contract, either directly or indirectly, as a contribution or compensation for purposes of obtaining funds from another revenue source without prior written approval of the County.
- F.7** Contractor shall adhere to the County's Travel Management Policy (8-02 and 08-02SP1) when travel is pursuant to this Contract and for which reimbursement is sought from the County. In addition, Contractor is encouraged to utilize local transportation services, including but not limited to, the Ontario International Airport.

G. INDEMNIFICATION AND INSURANCE REQUIREMENTS

G.1 Indemnification

The Contractor agrees to indemnify, defend (with counsel reasonably approved by County) and hold harmless the County and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages and/or liability arising out of this Contract from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the County on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnities. The Contractor indemnification obligation applies to the County's "active" as well as "passive" negligence but does not apply to the County's "sole negligence" or "willful misconduct" within the meaning of Civil Code section 2782.

G.2 Additional Insured

All policies, except for Worker's Compensation, Errors and Omissions and Professional Liability policies shall contain additional endorsements naming the County and its officers, employees, agents and volunteers as additional named insured with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

G.3 Waiver of Subrogation Rights

The Contractor shall require the carriers of required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit the Contractor and Contractor's employees or agents from waiving the right of subrogation prior to a loss or claim. The Contractor hereby waives all rights of subrogation against the County.

G.4 Policies Primary and Non-Contributory

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.

G.5 Severability of Interests

The Contractor agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the Contractor and the County or between the County and any other insured or additional insured under the policy.

G.6 Proof of Coverage

The Contractor shall furnish Certificates of Insurance to the County Department administering the Contract evidencing the insurance coverage at the time the Contract is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Contractor shall maintain such insurance from the time Contractor commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this contract, the Contractor shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

G.7 Acceptability of Insurance Carrier

Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII".

G.8 Deductibles and Self-Insured Retention

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

G.9 Failure to Procure Coverage

In the event that any policy of insurance required under this contract does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the contract or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by the Contractor or County payments to the Contractor will be reduced to pay for County purchased insurance.

G.10 Insurance Review

Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

- G.11** The Contractor agrees to provide insurance set forth in accordance with the requirements herein. If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so.

Without in anyway affecting the indemnity herein provided and in addition thereto, the Contractor shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

- G.11.1** Workers' Compensation/Employer's Liability – A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all persons including volunteers providing services on behalf of the Contractor and all risks to such persons under this contract.

If Contractor has no employees, it may certify or warrant to the County that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the County's Director of Risk Management.

With respect to Contractors that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance.

If the Contractor is transporting one or more non-employee passengers in performance of contract services, the automobile liability policy shall have a combined single limit of two million dollars (\$2,000,000) for bodily injury and property damage per occurrence.

If the Contractor owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

- G.11.4** Umbrella Liability Insurance – An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a "dropdown" provision providing primary

coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.

The policy shall provide coverage for both defense and indemnity with liability limits of not less than one million dollars (\$1,000,000) with a two million dollars (\$2,000,000) aggregate limit.

H. RIGHT TO MONITOR AND AUDIT

H.1 The County, State and Federal government shall have absolute right to review and audit all records, books, papers, documents, corporate minutes, and other pertinent items as requested, and shall have absolute right to monitor the performance of Contractor in the delivery of services provided under this Contract. Contractor shall give full cooperation, in any auditing or monitoring conducted. Contractor shall cooperate with the County in the implementation, monitoring, and evaluation of this Contract and comply with any and all reporting requirements established by the County.

H.2 All records pertaining to services delivered and all fiscal, statistical and management books and records shall be available for examination and audit by County representatives for a period of three years after final payment under this Contract or until all pending County, State and Federal audits are completed, whichever is later.

- a. Afford Contractor thereafter a time period within which to cure the breach, which period shall be established at the sole discretion of County; and/or
 - b. Discontinue reimbursement to Contractor for and during the period in which Contractor is in breach, which reimbursement shall not be entitled to later recovery; and/or
 - c. Withhold funds pending duration of the breach; and/or
 - d. Offset against any monies billed by Contractor but yet unpaid by County those monies disallowed pursuant to Item "b" of this paragraph; and/or
 - e. Terminate this Contract immediately and be relieved of the payment of any consideration to Contractor. In the event of such termination, the County may proceed with the work in any manner deemed proper by the County. ATTACHMENT A
SCOPE OF WORK

San Bernardino County ("County") is contracting with Partners for Justice, Inc. ("PFJ") for Client Advocate Services to support efforts at the San Bernardino County Public Defender ("SBCPD") and the Inland Juvenile Panel Attorneys Inc. ("IJPA") to provide their clients with comprehensive wraparound assistance. This will be achieved by embedding PFJ Client Advocates (each, an "Advocate," and collectively, the "Advocates") within SBCPD and IJPA to stabilize client's lives during and following interaction with the criminal legal system. PFJ shall provide services as set forth in this Agreement and Scope of Work (SOW). Specifically, over the course of this Contract, PFJ will provide services in six key areas:

- 1. RECRUITMENT.** PFJ will recruit a diverse, high-achieving group of four (4) early career professionals to serve as Advocates in San Bernardino County. Two (2) Advocates will be placed at SBCPD and two (2) Advocates will be placed at IJPA. Once PFJ recruits potential Advocates, recommendations will be submitted to SBCPD and IJPA. SBCPD and IJPA will review resumes, discuss qualifications, and meet with candidates for final approval.

Advocates will be placed at their respective offices for a service term lasting from March 10, 2026 - May 15, 2028. If an Advocate becomes unable to complete their assignment, PFJ will recruit replacement Advocates and submit recommendations to SBCPD and/or IJPA for final approval, as needed. PFJ will provide recommendations for replacement candidates in a timely manner, but not to exceed 60 days from the date of notification of the absence.

- 2. TRAINING.** PFJ will provide an introductory training to Advocates on collaborative public defense principles, issue-spotting for possible enmeshed penalties or collateral consequences, skills for working with public defender clients, and social service navigation. This training will be delivered primarily via virtual training. Advocates will also attend a subsequent in-person skills development intensive focused on client interactions, oral advocacy, and persuasive written mitigation. Advocates will receive ongoing continuing education through monthly virtual sessions throughout their term of service, as well as a second in-person skills development intensive approximately one year after their start date. PFJ will deliver introductory training on collaborative defense, working with Advocates, enmeshed penalties, and social service issues to attorneys and other staff at the request of the SBCPD or IJPA.
- 3. SERVICE DELIVERY.** Advocates will serve up to approximately 375 clients referred by SBCPD and 375 clients referred by IJPA during the Term of this Agreement, and provide them with wraparound support services and case navigation. Advocates will accept approximately two (2) referrals per Advocate per week, unless otherwise jointly agreed by PFJ and SBCPD or IJPA. Advocates will receive referrals from SBCPD and IJPA through protocols jointly developed with PFJ, either through the Advocates' on-site coordinator or directly from attorneys. PFJ will make its best effort to work with SBCPD and IJPA to ensure referrals reach the desired number, but SBCPD and IJPA are ultimately responsible for referring suitable clients to PFJ.

Once reaching full capacity, Advocates will maintain a minimum caseload of thirty (30) clients and a maximum caseload of forty-five (45) clients total at any given time, unless otherwise jointly agreed by PFJ and SBCPD or IJPA. Based on objectives defined at the outset of each client case, Advocates will support clients with service goals, which may be in the areas of housing; employment; benefits; health; family law and educational services; criminal case support; and other less common areas of service. Objectives will be identified in attorney referrals and through client interviews. Examples include connecting clients with housing support agencies and/or eviction defense legal services to secure and maintain stable housing, supporting clients with job search and training resources to secure and maintain employment, and assistance with applications for government financial and medical benefits.

PFJ will also work with Advocates to map local service providers, community resources, and government agencies offering services that may be beneficial to clients. Identified resources will be documented in a cloud-based database developed by PFJ. PFJ will provide full database licenses for Advocates and up to two (2) staff at each of SBCPD and IJPA. PFJ will also provide read-only database licenses to other SBCPD or IJPA staff upon request. If SBCPD or IJPA requests additional licenses, the requesting agency assumes responsibility for notifying PFJ of any staff whose licenses should be terminated.

4. **ADVOCATE SUPERVISION.** PFJ will provide supervision to Advocates for both technical and human resources matters. Supervision will be conducted through bi-weekly one-on-one meetings and monthly team meetings. A PFJ Program Manager will also make regular in-person visits to SBCPD and IJPA.
5. **CAPACITY BUILDING AND TECHNICAL ASSISTANCE.** PFJ will provide ongoing advisory assistance to SBCPD and IJPA on the implementation of collaborative defense practices in their office. This may include (but is not limited to) defining Advocate roles and services, developing intake and referral systems, providing additional training for attorney or non-attorney staff, and creating office resources. Advocate coordinators will also be invited to join PFJ's national Advocate coordinator community.
6. **DATA COLLECTION AND REPORTING.** PFJ will provide SBCPD and IJPA with quarterly dashboard reports containing key metrics related to Advocate services at their office and across PFJ partner offices. This report will be enabled by a cloud-based case management database that PFJ will create and implement for SBCPD and IJPA. Data will be entered by Advocates. PFJ will provide edit licenses to this database for Advocates and up to two coordinator staff of SBCPD and IJPA. Additional read-only licenses will also be made available upon request. If SBCPD or IJPA requests additional licenses, the requesting agency assumes responsibility for notifying PFJ of any staff whose licenses should be terminated. If SBCPD or IJPA elects not to use the PFJ case management database, the respective agency will provide data required for quarterly reports to PFJ no later than the 15th day of the month following the end of each quarter.

The following provisions of the SOW will be implemented in order to support the successful delivery of the services described above.

1. **WORK LOCATION.** Advocates will report to SBCPD or IJPA offices. Work will be in-person to accomplish on-site client interviews. Depending on the work location, parking will

be provided by SBCPD or IJPA. Advocates will be provided SBCPD or IJPA identification badges.

2. **EQUIPMENT.** SBCPD and IJPA will provide a workstation with appropriate equipment to conduct interviews and advocacy, including laptop computers and telephone access, comparable to the equipment provided to SBCPD or IJPA staff in similar roles.
3. **COORDINATION.** SBCPD and IJPA will designate an on-site coordinator who will meet with Advocates at least bi-weekly and provide day-to-day coordination of Advocates' work. The on-site coordinator will meet with PFJ's designated project manager at least once per month.
4. **COLLABORATION.** SBCPD and IJPA staff, including attorneys of record for clients, will collaborate with Advocates to seek the best possible outcomes for clients. This includes keeping Advocates informed of the status of the legal case and responding to requests for information. SBCPD and IJPA will make its staff available for PFJ training on how to work effectively with Advocates. SBCPD and IJPA will also ensure that its staff do not request Advocates to regularly work on topics outside their role, including but not limited to: interpretation or translation services, administrative tasks, document review, review of body-worn camera footage, or calling clients for court reminders absent other service goals.
