COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES

Provide for the Safety, Health and Social Service Needs of County Residents.

Pursue County Goals and Objectives by Working with Other Agencies and Stakeholders.

FINANCIAL IMPACT

This Memorandum of Understanding (MOU) is non-financial; therefore, it does not impact Discretionary General Funding (Net County Cost).

BACKGROUND INFORMATION

Under the terms of the recommended MOU, Molina Healthcare of California (Molina) will provide the Transitional Assistance Department (TAD) with a complete list of San Bernardino County Molina Members (Members) twice per month. TAD will provide Molina with lists of those mutual customers of Molina and TAD who require an Annual Redetermination for continued Medi-Cal coverage.

TAD administers the public assistance programs in San Bernardino County, including Medi-Cal, California's Medicaid program serving low-income individuals. Eligibility for Medi-Cal must be reevaluated on an annual basis. Failure to complete and return an Annual Redetermination to TAD results in loss of benefits for individuals and families.

Molina is a Local Initiative Health Plan formed pursuant to Welfare and Institutions Code section 14000, et seq., through a Joint Powers Agreement between the Counties of Riverside and San Bernardino, that operates in compliance with the Knox-Keene Health Care Services Act of 1975, and arranges and pays for the provision of covered Medi-Cal services to eligible Medi-Cal members residing in San Bernardino County.
