Monitoring, Site Preservation Actual Fee is determined from site-specific requirements identified in a Mitigation Assessment Plan and calculated based, in part, on quarterly investment yield rates. The acceptance of Endowment Funds must be approved by the County Board of Supervisors.

(2) Advance Operations and Maintenance Fee The fee enables first year operation and maintenance of the mitigation property. Fee is determined from site-specific requirements identified in a Mitigation Assessment Plan. The acceptance of First Year Operation Funds must be approved by the County Board of Supervisors.

(3) Variable Mitigation Fees are fees based on the actual costs of performing services associated with transfer of mitigation properties. Fees can vary widely due to site characteristics and degree of services required. All District expenses incurred for any of the following services performed will be charged at 100 percent of the reimbursement rate. Fees can include but are not limited to:

- Site Survey – Establishment of monuments and corner markers.
- Boundary Protection Measures – Installation of gates and other exclusion devices to combat illegal intrusion.
- Biological Assessment – Baseline assessment of habitat.
- Cultural Assessment – Conduct records search and field survey to identify cultural assets contained on the property.
- Recordation of Conservation Easement
- Transfer of Property Title
- Signage

(c) Refuse Collection in CSA 70, Zone HL (Havasu Lake): These fees are collected on the tax roll at the same time and in the same manner as general ad valorem property taxes:
