In the event the Section Director is deficient in his/her duties, as determined in the sole discretion of the Hospital Director, with the concurrence of the Chair and Medical Executive Committee (all, collectively, "Hospital Executives"), the Hospital Executives may appoint an interim director at their sole discretion until either (1) the Hospital Executives become satisfied that the former Section Director is ready, willing, and able to fully perform the duties of the Section Director, or (2) a new Section Director is appointed pursuant to the Hospital's Medical Staff Bylaws after the Section Director is removed consistent with the procedures under the Medical Staff Bylaws.
- B. The Corporation shall recommend Practitioners for the roles of other positions whereby the Corporation is being paid by the Hospital for administrative responsibilities. Any appointments of Corporation's Practitioners to such positions shall be approved at the discretion of the Hospital Director, and Medical Executive Committee, unless otherwise provided for under the Medical Staff By-Laws.
- C. Appointments of Corporation Leadership are outlined in **Appendix B**.

2.02 General Duties and Responsibilities

- A. Corporation shall make reasonable efforts to participate as an in-network provider for managed care programs for which the Hospital serves as an in-network provider.

Coverage shall be provided to corporation/subcontractors as detailed in "Breakdown of Coverage for Corporations and Subcontractors" hereto attached as Exhibit "D." Notwithstanding any other provisions in this Contract, a Practitioner shall not be indemnified as provided in Exhibit "C" until such Practitioner is granted clinical privileges as a medical staff member and is approved by the Hospital Director as a Practitioner on Appendix C. For the avoidance of doubt, if a Practitioner is not listed on Appendix C, County has no duty to defend or indemnify the Practitioner. The County Hospital Director is authorized to make amendments to Appendix C.

6.08 Status of Parties

- A. The parties hereby expressly understand and agree that this Contract is not intended and shall not be construed to create a relationship of agent, servant, employee, partnership, joint venture, or association between Corporation and County but is rather a Contract by and between independent contractors.
- B. The parties hereby expressly understand and agree that their employees, agents, and independent contractors are not the employees or agents of the other party for any purpose, including, but not limited to, compensation for services, employee welfare and pension benefits, health insurance, other fringe benefits of employment, or workers' compensation insurance.

6.09 Assignment

Nothing contained in this Contract shall be construed to permit assignment or delegation by Corporation of any rights or duties under this Contract and such assignment or delegation is expressly prohibited without the written consent of the County.

6.10 Contract Amendments

Corporation agrees that any alterations, variations, modifications, or waivers of the provisions of the Contract shall be valid only when they have been reduced to writing, duly signed by both parties and attached to the original of the Contract and approved by the required persons and/or organizations. No waiver by any party of any term or condition of this Contract, in any one or more instances, shall be deemed to be or construed as a waiver of the same or any other term or condition of this Contract on any future occasion. All remedies, either under this Contract or by law or otherwise afforded, will be cumulative and not exclusive.

6.11 Rules of Construction

The language in all parts of this Contract shall in all cases be construed as a whole, according to its fair meaning, and not strictly for or against either the County or the Corporation. Section headings in this Contract are for convenience only and are not to be construed as a part of this Contract or in any way limiting or amplifying the provisions hereof. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as the identifications of the person or persons, firm or firms, corporation or corporations may require.

6.12 Governing Law and Venue

This Contract is made and entered into in the State of California, and shall in all respects be interpreted, enforced and governed by and under the laws of the State of California. The parties acknowledge and agree that this Contract was entered into and intended to be performed in San Bernardino County, California. The parties agree that the venue of any action or claim brought by any party to this Contract will be the Superior Court of California, County of San Bernardino, San Bernardino District. Each party hereby waives any law or rule of the court, which would allow them to request or demand a change of venue. If any action or claim concerning this Contract is brought by any third-party and filed in another venue, the parties hereto agree to use their best efforts to obtain a change of venue to the Superior Court of California, County of San Bernardino, San Bernardino District.

6.13 Severability

The provisions of this Contract are specifically made severable. If any clause, provision, right and/or remedy provided herein is unenforceable or inoperative, the remainder of this Contract shall be enforced as if such clause, provision, right and/or remedy were not contained herein.

6.14 Alternative Dispute Resolution

- A. In the event the Hospital determines that service is unsatisfactory, or in the event of any other dispute, claim, question or disagreement arising from or relating to this Contract or breach thereof, the parties hereto shall use their best efforts to settle the dispute, claim, question or disagreement. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both parties.
- B. Notwithstanding the above, nothing herein shall preclude either party from pursuing its legal remedies at law in the event a mutually satisfactory solution is not reached.

6.15 Term of Contract

This Contract shall be effective July 1, 2024, ("Effective Date"), and shall remain in effect through June 30, 2027, unless otherwise terminated pursuant to Section 6.16.

6.16 Termination

This Contract may be terminated by either party for any reason or no reason upon one hundred twenty (120) days prior written notice to the other party.

County shall also have the right to terminate this Contract immediately upon the occurrence of any one or more of the following events (however, all of the County's remedies shall survive such termination):

- A. Corporation is unable or unwilling to perform the duties required by this Contract, as determined in the reasonable discretion of the Hospital;
- B. Corporation is suspended or excluded from the Medicare or Medi-Cal program;
- C. Material breach, by Corporation, of any term or condition of this Contract. Unless the breach cannot be cured, Hospital shall provide thirty (30) days advance written notice to Corporation specifying the nature of the breach. Corporation shall have thirty (30) days from the date of the notice in which to remedy the breach. If after thirty (30) days Corporation has not cured the breach to the satisfaction of the County, County may terminate the Contract upon notice to the Corporation;
- D. Corporation becomes insolvent, files a petition to declare bankruptcy or for reorganization under the bankruptcy laws of the United States, a trustee in bankruptcy or a receiver is appointed by appropriate authority for Corporation, or upon an assignment of a substantial portion of the assets of Corporation for the benefit of creditors; or
- E. Any other basis for which immediate termination is explicitly permitted as specified in the terms of this Contract.

The Hospital Director is authorized to terminate this Contract on behalf of the County.

6.17 Changes in Healthcare Coverage, Delivery and/or Reimbursement

In the event that any legislative or regulatory change in healthcare coverage, delivery or reimbursement (including any change in Medicare or Medicaid policies or rules), whether state or federal, has, or is reasonably anticipated by either party to have, a significant adverse impact on a party hereto, the affected party shall have the right to require that the other party renegotiate the terms of this Contract. If after a good faith effort by each of the parties to resolve that significant adverse impact, it is determined that this Contract cannot be modified to address the significant adverse impact in a manner satisfactory to each of the parties consistent with applicable laws, then either party may terminate this Contract by giving thirty (30) days written notice to the other.

6.18 Notices

All notices or consents to be given by any party or parties to this Contract to any other party or parties hereto shall be given in writing, by personal service, by registered or certified mail, postage prepaid, by wire, mailgram or telegram, or by courier service or messenger. Notice given by personal service or otherwise shall be duly delivered or addressed as follows, or shall be directed to such other person or address as either party hereafter specify in writing:

The information provided includes a list of former County administrative officials who terminated County employment within the last five years and who are now officers, principals, partners, associates or members of the business. 6.20 Inspection of Records

Corporation agrees that only to the extent required by Section 952 of Public Law 96-499, and the regulations promulgated thereunder, those portions of the books and records of the Corporation which relate to the Corporation's activities pursuant to this Contract will be available to the Secretary of Health and Human Services or the Comptroller-General for a period of four (4) years after the relevant services are furnished. If Corporation provides services hereunder through a subcontract with a related party, the subcontract must allow similar access by the Secretary of Health and Human Services or the Comptroller-General, and their duly authorized representatives to the subcontract and the subcontractor's books, documents, and records.

6.21 Disability or Death

Within thirty (30) days of the approval of this Contract, Corporation shall submit a plan to provide for the continuity of services to Hospital in the event of the death or disability of any Practitioner(s) providing services under this Contract. The parties agree that at any time it is decided that the primary responsible Practitioner or Department Director, as the case may be, is permanently disabled or otherwise unable to perform his or her duties under the Contract, Corporation shall have three (3) months from the disability date to provide the services of another Practitioner acceptable to County in accordance with this Contract. Further, County shall have the right from the date of disability to select or otherwise approve an acting director to serve in such capacity until the expiration of the Contract or his or her replacement is approved by the County and by Corporation. The parties expressly agree that at all times County shall receive the services and be provided with all personnel as set forth and required in this Contract.

6.22 Discrimination

During the term of the Contract, Corporation shall not discriminate against any employee or applicant for employment, patient or person because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, sexual orientation, age, or military and veteran status. Any prior Contract promises, negotiations or representations relating to the subject matter of this Contract not expressly set forth herein are of no force or effect. This Contract is executed without reliance upon any promise, warranty or representation by any party or any representative of any party other than those expressly contained herein. Each party has carefully read this Contract and signs the same of its own free will.

6.25 Improper Consideration

Corporation shall not offer (either directly or through an intermediary) any improper consideration such as, but not limited to, cash, discounts, service, the provision of travel or entertainment, or any items of value to any officer, employee or agent of the County in an attempt to secure favorable treatment regarding any Contract awarded by County.

The County, by written notice, may immediately terminate any Contract if it determines that any improper consideration as described in the preceding paragraph was offered to any officer, employee or agent of the County with respect to the proposal and award process. This prohibition shall apply to any amendment, extension, or evaluation process once a Contract has been awarded.

Corporation shall immediately report any attempt by a County officer, employee or agent to solicit (either directly or through an intermediary) improper consideration from Corporation. The report shall be made to the supervisor or manager charged with supervision of the employee or to the County Administrative Office. In the event of a termination under this provision, the County is entitled to pursue any available legal remedies.

6.27 Excluded Practitioners

Corporation shall comply with the United States Department of Health and Human Services (HHS), Office of Inspector General (OIG) requirements related to eligibility for participation in federal and state health care programs. State and federal law prohibits any payment to be made by Medicare, Medi-Cal or any other federal health care program for any item or service that has been furnished by an individual or entity that has been excluded or has been furnished at the medical direction or prescription of a Practitioner, or other authorized person, who is excluded when the person furnishing the item or service knew or had reason to know, of the exclusion.

Corporation represents that it has screened all current and prospective employees, Practitioners, partners and persons having five percent (5%) or more of direct ownership or controlling interest of the Corporation for eligibility against the OIG's List of Excluded Individuals/Entities ("LEIE") to ensure that ineligible persons are not employed or retained to provide services related to this contract, and will continue to periodically screen such individuals and/or entities against the LEIE. The OIG's website can be accessed at: <http://oig.hhs.gov/fraud/exclusions.asp>.

Corporation shall have a policy regarding sanctioned or excluded employees, Practitioners, partners and owners that includes the requirement for these individuals to notify the Corporation should the individual become sanctioned or excluded by OIG.

Corporation shall immediately notify the Hospital's Chief Compliance Officer should an employee, Practitioner, partner or owner become sanctioned or excluded by OIG and/or HHS and prohibit such person from providing any services, either directly or indirectly, related to this Contract.

6.28 Master List

The Hospital represents and warrants to the Corporation that this Contract, together with any other contracts between the Hospital and the Corporation, and between the Hospital and any Practitioner providing services on behalf of Corporation, will be included on the master list of Practitioner contracts maintained by the Hospital.

6.29 Signatures

This Contract may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts shall together constitute one and the same Contract. The parties shall be entitled to sign and transmit an electronic signature of this Contract (whether by facsimile, PDF or other email transmission), which signature shall be binding on the party whose name is contained therein. Each party providing an electronic signature agrees to promptly execute and deliver to the other party an original signed Contract upon request.

Any unauthorized acquisition, access, use, or disclosure of protected health information by Corporation or its staff may result in disciplinary action up to and including termination of privileges and services at Hospital.

- 8.02 Corporation and Hospital shall enter into written agreements with agents and subcontractors to whom the Corporation or Hospital discloses or provides access to patient identifiable health information that impose the same restrictions and conditions on such agents and subcontractors that apply to Corporation or Hospital with respect to such PHI, and that require compliance with all appropriate safeguards as required by HIPAA. Corporation and Hospital shall also enter into a separate business associate agreement if required by law.

- 8.03 In addition to complying with all applicable federal and state laws governing the privacy and security of patient information, including, without limitation, HIPAA and CMIA, the parties also acknowledge and agree that Hospital is a "covered entity," as such term is defined under HIPAA, and that with respect to all services provided to patients of Hospital on Hospital's premises, the Practitioners will provide care in an integrated care setting with Hospital and other medical staff members of Hospital. In providing such services in the Hospital's clinically integrated care setting and in participating in activities related thereto, such as Hospital or medical staff meetings or committees, the Practitioners will be part of Hospital's "organized health care arrangement" ("OHCA") and shall comply with Hospital's applicable health information privacy and security policies and procedures, and with its notice of privacy practices, related to protected health information that may be accessed or received in such role.

- 8.04 Corporation shall maintain and use appropriate and administrative, technical and physical safeguards, in compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) Privacy and Security regulations and any other applicable implementing regulations issued by the U.S. Department of Health and Human Services, and all other laws and regulations relating to privacy and confidentiality of PHI, reasonably designed (i) to ensure the integrity, confidentiality, security and availability of PHI (ii) to prevent any reasonably anticipated unauthorized or prohibited use or disclosure of PHI received from Hospital; (iii) to protect against any reasonably anticipated threats or hazards to the security or integrity of such information; and (iv) to ensure compliance with this Contract by Corporation's employees. Corporation agrees to keep these security measures current and to document these security measures in written policies, procedures or guidelines. ATTACHMENT A
PRACTITIONER ACKNOWLEDGMENT

The undersigned (each a "Practitioner") acknowledge that they provide services to San Bernardino County, through Arrowhead Regional Medical Center (the "Hospital") under the terms of a Professional Service Agreement (the "Agreement") between the Hospital and City of Hope Medical Foundation (the "Corporation") with a term beginning on July 1, 2024 ("Effective Date"). Accordingly, the undersigned acknowledges that:

1. The following representations made in Section 2.03 of the Agreement are true and accurate, as to Practitioner, as of the date hereof:

- a. Practitioner maintains an unlimited, unrestricted license to practice in the state of California;
- b. Is board certified or is eligible for board certification, or was an active member of the Hospital's Medical Staff or Advanced Practice Professional Staff as of the Effective Date;
- c. Maintains membership on the Medical Staff or Advanced Practice Professional staff of Hospital, with appropriate clinical privileges and/or practice prerogatives;
- d. Is a participating Practitioner in the Medicare and Medi-Cal programs and will cooperate with Corporation in Corporation's reasonable efforts to participate in all payor contracts Hospital enters, and in other government health plans in which Hospital participates;
- e. Participates in continuing education as necessary to maintain licensure, professional competence and skills commensurate with the standards of the medical community and as otherwise required by Corporation's continuing medical education policy;
- f. Is not an excluded, debarred or suspended Practitioner for any state or federal health care program, federal procurement program or of the U.S. Food and Drug Administration;
- g. Has never been convicted of a felony, or of a misdemeanor involving patient care issues, violation of healthcare laws or moral turpitude, or has been subject to exclusion from participating as a Practitioner in either the Medicare, or a state Medicaid program; and
- h. Has never had his/her privileges or prerogatives to practice at any health care facility, medical staff membership, or license to practice in any state been limited, suspended, revoked or voluntarily relinquished.

2. Practitioner agrees that while providing services under the Agreement he or she shall not compete with the Hospital by re-directing County Patients (as defined herein) to private practice ventures (i.e. non-County providers or facilities). For purposes of this paragraph, "County Patients" shall include any and all patients initially seen by the Practitioner while providing services under the Agreement including any patients seen by Practitioner in the Hospital, any Hospital Clinic or any other County facility. This requirement to make referrals to the County shall not apply if: (1) the patient expresses a preference for a non-County provider or facility; (2) the patient's insurer determines the provider, practitioner or supplier location; or (3) the referral is not in the patient's best medical interests in the Practitioner's judgment. In addition, Practitioner agrees that referral requirement in this paragraph relates solely to the Practitioner's services covered by the scope of the Agreement and the referral requirement is reasonably necessary to effectuate the legitimate business purposes of the Agreement. In no event shall the Practitioner be required to make referrals that relate to services that are not provided by the Practitioner under the scope of the Agreement.

3. The Agreement gives the Hospital the right to immediately remove a Practitioner from the list of approved Practitioners by written notice to the Corporation, effectively immediately or at such later date as specified in

such notice, at any time during the term of this Contract with or without cause. If removed from the list of approved Practitioners, a Practitioner may no longer furnish services under the Agreement and the Corporation and the Hospital will work together to ensure appropriate continuity of care for any affected patients. Removal of a Practitioner from the list of approved Practitioners does not affect the Practitioner's medical staff membership or clinical privileges, and does not generate hearing rights under the Hospital's Medical Staff Bylaws.

4. Practitioner agrees to abide by the terms of the Agreement.

EFFECTIVE DATE March 20, 2018

The County also prohibits and will not tolerate retaliation against individuals who raise complaints of discrimination or harassment or who participate in workplace investigations, hearings, or other proceedings regarding a complaint under this Policy.

1. DISCRIMINATION PROHIBITED

The County prohibits discrimination against any employee, job applicant or unpaid intern in hiring, training, promotions, assignments, termination, or any other term, condition, or privilege of employment on the basis of a Protected Class.

Discrimination can also include failing to reasonably accommodate qualified individuals with disabilities or an individual's religious beliefs and practices (including the wearing or carrying of religious clothing, jewelry or artifacts, and hair styles, facial hair, or body hair, which are part of an individual's observance of their religious beliefs) where the accommodation does not pose an undue hardship. Individuals needing an accommodation should contact their immediate supervisor or Human Resources Officer and discuss their need(s). The County will engage in an interactive process to identify possible accommodations. Absent undue hardship, the County will reasonably accommodate employees and applicants with disabilities to enable them to perform the essential functions of a job and will reasonably accommodate the religious beliefs and practices of an employee, applicant and unpaid intern.

Pay discrimination between employees of the opposite sex or between employees of another race or ethnicity performing substantially similar work, as defined by the California Fair Pay Act and federal law, is also prohibited. Pay differentials, however, may be valid in certain situations as defined by law. Employees will not be retaliated against for inquiring about or discussing wages.

2. PROHIBITED HARASSMENT, INCLUDING SEXUAL HARASSMENT

The County prohibits harassment against any employee, job applicant, unpaid intern, volunteer, contractor and any other person providing services to the County pursuant to a contract.

Prohibited harassment is not just sexual harassment but harassment based on any Protected Class.

Prohibited harassment may be made in general or directed to an individual, or a group of people. Prohibited harassment may occur regardless of whether the behavior was intended to harass. Harassing behavior is unacceptable in the workplace as in all other work-related settings, such as business trips and business-related social events.

Forms of prohibited harassment include, but are not limited to, the following:

Verbal Harassment - derogatory jokes or comments, epithets or slurs; unwanted sexual advances, invitations, comments, posts or messages; derogatory or graphic comments; sexually degrading words; suggestive or obscene messages, notes or invitations; repeated romantic overtures, sexual jokes and comments or prying into one's personal affairs.

Physical Harassment - assault; impeding or blocking movement; following/stalking; unwelcome touching or any physical interference with normal work or movement when directed at an individual.

Visual Harassment - derogatory, prejudicial, stereotypical, sexually-oriented or suggestive or otherwise offensive text or email messages, web pages, screen savers and other computer images, online communications, social media tags and postings, posters, photographs, pictures, cartoons, notes, notices, bulletins or drawings and gestures; displaying sexually suggestive objects; staring or leering; or communication via electronic media of any type that includes any conduct that is prohibited by any state and/or federal law or by County Policy.

Sexual Harassment - Sexual harassment is a form of discrimination based on sex/gender (including

POLICY MANUAL**

pregnancy, childbirth, or related medical conditions), gender identity, gender expression, or sexual orientation. Sexual harassment includes verbal, physical and visual harassment, as well as unwanted sexual advances. Individuals of any gender can be the target of sexual harassment. Sexual harassment does not have to be motivated by sexual desire to be unlawful or to violate this Policy. For example, hostile acts toward an employee because of his/her gender can amount to sexual harassment, regardless of whether the treatment is motivated by any sexual desire. Sexual harassment may involve harassment of a person of the same gender as the harasser, regardless of either person's sexual orientation or gender identity.

There are two types of Sexual Harassment:

"Quid Pro Quo" sexual harassment is when someone conditions a job, promotion, or other work benefit on your submission to sexual advances or other conduct based on sex.

"Hostile Work Environment" sexual harassment occurs when unwelcome comments or conduct based on sex unreasonably interfere with your work performance or create an intimidating, hostile, or offensive work environment. You may experience sexual harassment even if the offensive conduct was not aimed directly at you.

3. COMPLAINT PROCESS AND REMEDIAL ACTION

Anyone who believes they have been the subject of, becomes aware of, or observed discrimination, harassment, retaliation or other prohibited conduct, should report or make a complaint (either orally or in writing) to their supervisor, the supervisor of the offending party, a representative from the County's Equal Employment Opportunity (EEO) Office or to a Human Resources Officer as soon as possible after the incident. Individuals may bring their report or complaint to any of these individuals. Employees are not required to confront or approach the person who is discriminating against, harassing or retaliating against them. The County's EEO Office can be reached at 1-909-387-5582 (or, TDD 7-1-1). Human Resources Officers can be reached by calling the County's Employee Relations Division at 1-909-387-5564 (or, TDD 7-1-1). For more information, visit www.sbcounty.gov/hr.

Individuals who believe they have been discriminated against or harassed, have been retaliated against for resisting or complaining about discrimination or harassment or for participating in an investigation may also file a complaint with the Federal Equal Employment Opportunity Commission (EEOC) and the California Department of Fair Employment and Housing (DFEH). The EEOC and DFEH investigate and prosecute complaints of prohibited discrimination, harassment, and retaliation in employment. The nearest EEOC office can be found by calling 1-800-669-4000 (or, TTY, 1-800-669-6820). For more information about the EEOC, visit www.eeoc.gov. The nearest DFEH office can be found by calling 1-800-834-1684 (or, TTY, 1-800-700-2320). For more information about the DFEH, visit www.dfeh.ca.gov.

When the County receives allegations of misconduct, it will immediately undertake a fair, timely, thorough and objective investigation of the allegations that provides all parties appropriate due process. The County will reach reasonable conclusions based on the evidence collected.

The County will maintain confidentiality to the extent possible and consistent with the rights of employees under the County's Personnel Rules and relevant laws. However, the County cannot promise complete confidentiality. The County's duty to investigate and take corrective action may require the disclosure of information to individuals with a need to know.

Complaints will be:

- Responded to in a timely manner;
- Kept confidential to the extent possible;
- Investigated impartially by qualified personnel in a timely manner;
- Documented and tracked for reasonable progress;

- Given appropriate options for remedial action and resolution; and
- Closed in a timely manner

The County prohibits behavior that is or may be perceived as discriminatory, harassing and/or retaliatory. If the County determines that harassment, discrimination or retaliation or other prohibited conduct occurred, appropriate and effective correction and remedial action will be taken. The County will also take appropriate action to deter future misconduct.

Any employee determined by the County to be responsible for discrimination, harassment, retaliation or other prohibited misconduct will be subject to appropriate disciplinary action, up to, and including termination of employment. Employees who engage in unlawful harassment can be held personally liable for the misconduct.

4. SUPERVISOR/MANAGER RESPONSIBILITY

Supervisors and managers who are aware of or receive complaints of discrimination, harassment, and/or retaliation, even if the occurrence is not directly within their line of supervision or responsibility, must immediately report such conduct or complaint to the Human Resources Officer assigned to their department or any representative of the County's EEO Office so the County can try to resolve the complaint.

5. TRAINING OF SUPERVISORS/MANAGERS AND ELECTED OFFICIALS

All supervisors, managers, elected officials or other persons with supervisory authority will receive and must complete mandatory harassment prevention training as required by California law.

6. RETALIATION PROHIBITED

The County will not retaliate against anyone who reports an alleged violation of this Policy, files or assists another with a complaint under this Policy, causes information to be provided, participates (as witnesses or the accused) in an investigation, hearing or other proceeding regarding a complaint under this Policy or otherwise opposes discrimination, harassment or retaliation. The County will not retaliate against anyone who requests a reasonable accommodation and will not knowingly tolerate or permit retaliation by elected officials, management, employees or co-workers.

EXHIBIT "C"

PROFESSIONAL LIABILITY INDEMNITY

1. As an additional element of compensation to the Corporation under this Contract, the County shall indemnify the Corporation as is provided below.
2. For purposes of this Part (Professional Liability Indemnity), the term "Corporation" shall include:
 - a. The Corporation itself;
 - b. The Corporation's board members and employees;
 - c. Paraprofessionals, paramedical personnel, Practitioner extenders and all other persons employed by the Corporation who are providing services required of the Corporation by this Contract;
 - d. Medical professional corporations, partnerships or other legal entities which, or individuals who, subcontract with the Corporation to perform services required of the Corporation by this Contract ("first tier subcontractor(s)"), including all Practitioners and other employees of such first tier subcontractor(s) who render services required of the Corporation by this Contract; and
 - e. Medical professional corporations, partnerships or other legal entities which, or individuals who, subcontract with first tier subcontractors to perform services required of the Corporation by this Contract ("second tier subcontractors"), including all Practitioners and other employees of such second tier subcontractors who render services required of the Corporation under this Contract. The County's obligation to indemnify the first tier or second tier subcontractors or their employees as provided in subparagraphs (d) and (e) of this paragraph 2 herein above is contingent upon the following: (1) a written Contract or provision of a written Contract executed by the Corporation and such first tier or second tier subcontractor(s), which Contract or provision requires that the first tier or second tier subcontractor(s) adhere to the terms and conditions of this Part (Professional Liability Indemnity); and (2) the approval in writing by the Hospital's Director of said Contract or provision of Contract.

Notwithstanding the foregoing, the term "Corporation" for purposes of this Part, does not include a physician or APP that is not identified on Appendix C, as amended from time-to-time in accordance with the terms of the Contract. For sake of clarity, any physician or APP that is not listed in Appendix C, as amended from time-to-time in accordance with the terms of the Contract, is not entitled to indemnity under this Contract.
3. The County shall, subject to the terms, limitations, exclusions, and conditions of this Contract, indemnify, defend, and hold harmless the Corporation for any and all sums which the Corporation shall by law be held liable to pay for damages arising out of any demand for money or services by any patient, or anyone claiming damages on account of bodily injury or mental injury to or death of any patient caused by or alleged to have been caused by error, omission, or negligence, active or passive, in professional services rendered or that should have been rendered by Corporation exclusively at the Hospital or County-sponsored facilities provided always that:
 - a. Such malpractice results in a claim being made or legal action commenced against the Corporation or any Practitioner identified on Appendix C, and notice of such claim or action has been given in accordance with the provisions contained in paragraph 9 of this Part (Professional Liability Indemnity);

- b. There shall be no liability hereunder for any claim or action against the Corporation or Practitioner identified on Appendix C for malpractice committed or alleged to have been committed prior to the operational date or subsequent to the term of this Contract.

The date that a claim is made shall not determine the coverage under this Part. Any claim of malpractice or alleged malpractice that occurs during the term of this Contract shall be indemnified against, regardless of the date on which the claim is made or the action is filed.

4. The indemnification promised hereby shall include all theories of liability against the Corporation or any Practitioner identified in Appendix C regardless of whether said liability is founded on negligence or strict liability or any other rule or law attributing liability to the Corporation or Practitioner identified in Appendix C. Such indemnification as is afforded by this Contract is extended to include the Corporation and Practitioners only while it is acting within the scope of duty pursuant to the terms of this Contract and shall not apply to acts or omissions by or at the direction of the Corporation or Practitioners identified in Appendix C committed with actual malice. In addition, the indemnification promised hereby shall not include any exemplary or punitive damages levied against the Corporation or Practitioners identified in Appendix C, any act committed in violation of any laws or ordinances resulting in criminal conviction, services rendered while under the influence of intoxicants or narcotics, or any practice or service not required by the terms of this Contract.
5. In providing for such indemnification, it is not the intent of either party to waive any applicable statutory or other immunity from liability or any of claims requirements of the Government code. Such indemnification shall not exceed one million (\$1,000,000) per occurrence or claim for any single act or omission indemnifiable hereunder, or the sum of three million (\$3,000,000) aggregate, which shall occur in any single operating year of this Contract. For purposes of this Part (Professional Liability Indemnity), said operating year shall run from July 1 to June 30.
6. The County shall provide the indemnification referred to above through a program of self-insurance. The Corporation shall follow the guidelines and procedures contained in any risk management plan which may be established by the County, upon being informed in writing by the County of such guidelines and procedures.
7. As respects the indemnity afforded by this Contract, the County shall, in the name of and on behalf of the Corporation, diligently investigate and defend any and all claims or suits made or brought against Corporation, shall retain as legal counsel attorney(s) skilled in investigation, defense, and settlement of medical malpractice claims, and shall pay all costs and expenses incurred in any such investigation and defense, including, but not limited to attorneys' fees, expert witness fees, and court costs. In addition to and not inconsistent with any other provision of this Part (Professional Liability Indemnity) the Corporation may, at its option and sole expense, participate in the investigation, settlement or defense of any claim or suit against the Corporation. The County will not settle any claims without the prior written consent of the Corporation (written consent shall not be required upon dismissal of the Corporation). If, however, the Corporation in any such claim or suit refuses to consent to any settlement recommended in writing by the County and elects to contest or continue any legal proceedings, then the liability of the County shall not exceed the amount for which the claim or suit could have been so settled plus the cost and expense incurred with its consent up to the date of such refusal. Any judgment rendered against the Corporation in excess of the settlement figure recommended in writing by the County shall be the sole responsibility of the Corporation with respect to said excess amount, including all costs plus all attorneys' fees, relating to such excess amount.
8. If a payment in excess of the amount of indemnity available under this Professional Liability Indemnify clause must be made to dispose of a claim, then the liability of the County for costs and expenses incurred with its consent shall be in such proportion hereof as the amount of indemnity available under this clause bears to the amount paid to dispose of the claim.

9. The following are conditions precedent to the right of the Corporation to be defended and/or indemnified under this Part (Professional Liability Indemnity) provided that the County may not disclaim such defense and/or indemnification if it has not been materially prejudiced by the nonperformance of such condition(s):
 - a. During the currency of this Contract, the Corporation shall, within ten (10) business days, after receiving knowledge of any event described in this subparagraph (a.) of this Section 9, give to the person or persons designated by the County notice in writing of:
 - (1) Any conduct or circumstances which the Corporation should reasonably believe may give rise to a claim for malpractice being made against the Corporation, or
 - (2) Any claim for malpractice made against the Corporation, or
 - (3) The receipt of notice from any person of any intention to hold the Corporation responsible for any malpractice.
 - b. The Corporation shall at all times without charge to the County:
 - (1) Give to the County or its duly appointed representatives such information, assistance, and signed statements as the County may require; and
 - (2) Assist, without cost to the Corporation, in the County's defense of any claim, including without limitation, cooperating with the County, and upon the County's request, attending hearings and trials, assisting in effecting settlements, securing and giving evidence, obtaining the attendance of witnesses and in the conduct of suits.
 - c. The Corporation shall not, without the written consent of County's duly appointed representative, admit liability for or settle any claim, or
 - (1) Incur on behalf of the County any cost or expense in connection with such claim, or
 - (2) Give any material or oral or written statements to anyone in connection with admitting or settling such claim.
10. If the County becomes liable for any payment under this Part (Professional Liability Indemnity), the County shall be subrogated to the extent of such payment, to all the rights and remedies of the Corporation against any party in respect of such loss and shall be entitled at its own expense to sue in the name of the Corporation. The Corporation shall give to the County all such assistance as the County may require to secure its rights and remedies and, at the County's request, shall execute all documents necessary to enable the County effectively to bring suit in the name of the Corporation.
