Action By: January 21, 2025

Staff received 347 eligible Funding Requests that included 382 jurisdictions, requesting a total of \$8,962,899 in eligible costs for this program. The funding available for FY 2024–25 is \$10,500,000.

Table 1. Funding

Fund Source	Amount Available	Amount to Fund Item	Amount Remaining	Line Item
California Beverage Container Recycling (FY 2024–25)	\$10,500,000	\$8,962,899	\$1,537,101	Local Assistance /Grants

Background and Findings

Statutory Authority

Public Resources Code section 14581(a)(3)(A) of the California Beverage Container Recycling and Litter Reduction Act, authorizes CalRecycle to expend \$10,500,000 annually for payments to cities and counties for beverage container recycling and litter cleanup activities. Payments are calculated on a per capita basis, with a minimum payment of \$5,000 to cities and \$10,000 to counties.

Program Background

The program provides annual funding to California cities and counties for beverage container recycling projects that assist in achieving an 80 percent recycling rate for the state.

Incorporated areas of a city, city and county, or the unincorporated area of a county as reported by the California Department of Finance's annual population report (Report E-1 Population Estimates for Cities, Counties, and the State Population Estimates with Annual Percent Change (January 1, 2023, and 2024), are eligible to receive funding. Jurisdictions receive funding on a per capita basis, or a minimum of \$5,000 for cities and \$10,000 for counties, whichever is greater. All funds shall be available for expenditure until January 5, 2027, and are subject to reporting requirements.

Criteria and Process

The Notice of Funds Available was posted on the CalRecycle web site on August 20, 2024, with an appropriate notice sent to stakeholders. Funding Requests were due November 19, 2024.

There are 539 jurisdictions statewide. CalRecycle received 347 eligible Funding Requests, including 12 Regional Funding Requests comprising of 35 participating jurisdictions. Of the remaining 157 jurisdictions, 1 declined funding, and 156 did not submit a Funding Request and therefore were disqualified. Any remaining funds will revert back to the California Beverage Container Recycling Fund. All funds shall be available for expenditure until January 5, 2027, and are subject to reporting requirements.

Listed below are the types of projects recommended for funding.

The types of projects recommended for funding include implementation of new or existing curbside or neighborhood drop-off beverage container recycling programs, the purchase and/or installation of recycling bins for collection of California Refund Value (CRV) materials, public education and outreach promoting beverage container recycling, cooperative regional efforts among two or more cities and counties, purchase and installation of water refill stations, litter reduction and cleanup where the waste stream includes beverage containers, and in some instances, the expansion of current recycling collection activities in underserved areas and locations.

Recommendation

Staff recommends approval of 347 payment awards as listed below for \$8,962,899.
