BACKGROUND INFORMATION

The HIDTA program provides federal assistance to local law enforcement agencies operating in areas determined to be critical drug-trafficking regions of the United States, to reduce drug trafficking and production by facilitating cooperation among law enforcement agencies, enhancing law enforcement intelligence sharing; providing reliable law enforcement intelligence to law enforcement agencies; and supporting coordinated law enforcement strategies that make the most of available resources.

Since 1997, the County has received HIDTA grant funds from the ONDCP for IRNET and the RMTF initiatives. IRNET is a joint effort between the Department, as the lead agency, and other member agencies designed to target, investigate and prosecute major drug trafficking organizations. RMTF is a joint effort between San Bernardino and Riverside counties to target major methamphetamine production/distribution and arrest persons/organizations involved in illicit sales and trafficking of methamphetamine. VIPER is a joint effort between the Sheriff's Departments of Los Angeles, Orange, San Bernardino, and Riverside counties to target drug trafficking on the highway.

The total allocation for IRNET of \$623,420 will fund personnel costs of existing positions, including overtime, supplies, investigative services, service contracts, and other program-related expenses. Additionally, the grant will provide overtime reimbursement to the California Department of Alcohol and Beverage Control, Montclair Police Department, Ontario Police Department, Redlands Police Department, San Bernardino Police Department and Riverside County Sheriff's Department. The \$385,056 allocated for RMTF will fund the Department's overtime and partial salary, without benefits, in addition to travel, supplies, service contracts, and other operating expenses of this program. The \$106,333 allocated to VIPER will fund the Department's overtime, travel, technical investigative equipment, supplies, service contracts, and other operating expenses related to this program.

The Board of Supervisors (Board) approved the submission of the grant application on October 22, 2019 (Item No. 42). The ONDCP released award notification on February 24, 2020. The agreement is being submitted to the Board at this time, as this is the first available Board date following the required fiscal, operational, and legal reviews. The grant performance period is from January 1, 2020 through December 31, 2021. As the award was expected and included in the Department's budget, funds in the approximate amount of \$135,000 have been expended against this agreement to date. The Department can submit claims for reimbursement retroactively to January 1, 2020.

Approval of Recommendation No. 2 will authorize the Sheriff/Coroner/Public Administrator to sign the grant award documents in compliance with ONDCP's policy.
