Exempt Status: (check one)

- ☐ Ministerial [Sec. 21080(b)(1); 15268];  
☐ Declared Emergency [Sec. 21080(b)(3); 15269(a)];  
☐ Emergency Project [Sec. 21080(b)(2); 15269(b)(c)];  
☒ Categorical Exemption:

Existing Facilities, Section 15303, Subsection(c) and (e), New Construction or Conversion of Small Structures.

- ☐ Statutory Exemptions.

Reasons why the Project is exempt:

Section 15303 references the installation of new small facilities and structures of a limited size or use. Subsection (c) further includes the allowance of no more than 10,000 sq. ft. of additional floor area in urban areas with commercial use not involving the use of hazardous substances and not in an environmentally sensitive area. Subsection (e) allows for accessory structures. The Whitney Young Preschool Modular Buildings project is located on a pre-existing school site in an urban area that is not environmentally sensitive. Additionally, the two modular building are pre-fabricated structures having no hazardous materials and when combined, are significantly smaller than the allowable size limits. Therefore, the project is exempt from further CEQA review.
