2. Comprehensive General Liability Insurance - The School shall carry General Liability Insurance covering all operations performed by or on behalf of the School, providing coverage for bodily injury and property damage with a limit of one million dollars (\$1,000,000) per occurrence or claim and two million (\$2,000,000) in the aggregate. The policy coverage shall include:
  - (a) Premises operations and mobile equipment
  - (b) Products and completed operations.

The policy shall have a combined single limit of one million dollars (\$1,000,000) for bodily injury and property damage, per occurrence.

If the School owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

4. Umbrella Liability Insurance – An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a "dropdown" provision providing primary coverage for any liability not covered by the primary policy. 6. Additional Insured – All policies, except for Workers' Compensation, Errors and Omissions and Professional Liability policies, shall contain endorsements naming the County and its officers as additional insured with respect to liabilities arising out of the performance of services hereunder. the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy.

7. Policies Primary and Non-Contributory – All policies required above are to be primary and non-contributory with any insurance programs carried or administered by the County.
8. Proof of Coverage – School shall furnish Certificates of Insurance to the County Department administering the Agreement evidencing the insurance coverage, including endorsements, as required, prior to the commencement of performance of services hereunder. 10. Failure to Procure Coverage – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the Agreement.
11. Insurance Review – Insurance requirements are subject to periodic review by the County. The Director of Risk Manager or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the above insurances is not available, is unreasonably priced, or is not needed to protect the interest of the County.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

- B. County is a self-insured public entity for purposes of professional liability, general liability, and Workers’ Compensation. County warrants that through its program of self-insurance, it has adequate professional liability, general liability and Workers’ Compensation to provide coverage for liabilities arising out of County’s performance of this Agreement.

County, upon the execution of this Agreement, shall furnish School with certificates of self-insurance evidencing compliance with all requirements.

County agrees to maintain Workers’ Compensation as required under California State Law.

The above County insurance shall state that the same may not be altered or canceled to School detriment without thirty (30) days prior written notice to School. It should be expressly understood, however, that the coverage herein shall not in any way limit the liability of County..

County further agrees to maintain such other insurance in such amounts, which from time to time may reasonably be required by mutual consent of the School and County, against other insurable hazards relating to performance. Prior to the commencement of this Agreement,

County agrees to issue a Certificate of Insurance indicating compliance with the aforementioned insurance coverage requirements. County agrees that it will give School thirty (30) days advance written notice of any modification, change, or cancellation of any of the insurance coverage

VI. Status of County and School:

The parties expressly understand and agree that -
