Unless otherwise stated in the PLA, all PLAs executed during the term of this Agreement shall be subject to the terms and conditions of this Agreement. All PLAs to this Agreement must be executed by the relevant specialty GME program director and the Designated Institutional Official of ARMC. The number of Trainees, the duration of rotation, and schedule for the rotations at Receiving Hospital in the respective medical specialties shall be determined based on the pertinent PLAs or mutual agreement by the ARMC GME program director for the applicable specialty and the Site Director at Receiving Hospital. All actions taken as a result of this Agreement shall be in accordance with the Receiving Hospital and ARMC rules and regulations that are in effect during the term of the Agreement.

B. Standards of Operations

The parties, at their own expense, shall operate and maintain their respective facilities in accordance with the standards prescribed and maintained by state and federal law, and other applicable accrediting agencies.

The parties shall each assume sole responsibility for the accreditation of their respective GME program(s) they sponsor (if any) and for obtaining required approval in accordance with the standards prescribed by the ACGME or the applicable accrediting agencies. During the term of this Agreement, both parties agree to comply with all such applicable ACGME or applicable accrediting agency standards for GME training, the PLAs between the parties relating to the pertinent specialty, and to collaborate as may be required for accreditation purposes.

Neither party hereto shall assign its rights or obligations in this Agreement without the express written consent of the other party.

**XV. Rules of Construction**

The language in all parts of this Agreement shall in all cases be construed as a whole, according to its fair meaning, and not strictly for or against either party. Section headings in this Agreement are for convenience only and are not to be construed as a part of this Agreement or in any way limiting or amplifying the provisions hereof. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as the identifications of the person or persons, firm or firms, corporation or corporations may require.

**XVI. Entire Agreement**

This Agreement contains the final, complete, and exclusive agreement between the parties hereto. Any prior agreements, promises, negotiations or representations relating to the subject matter of this Agreement not expressly set forth herein are of no force or effect. This Agreement is executed without reliance upon any promise, warranty, or representation by any party or any representative of any party other than those expressly contained herein. Each party has carefully read this Agreement and signs the same of its own free will. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision whether or not similar nor shall any waiver constitute a continuing waiver.

**XVII. Governing Law and Venue.**

This Agreement is made and entered into in the State of California, and shall in all respects be interpreted, enforced, and governed by and under the laws of the State of California. Any action arising under this Agreement shall be venued in the state or federal courts in the State of California.

**XVIII. Counterparts and Electronic Signatures**

This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts shall together constitute one and the same Agreement. The parties shall be entitled to sign and transmit an electronic signature of this Agreement (whether by facsimile, PDF or other email transmission), which signature shall be binding on the party whose name is contained therein. Each party providing an electronic signature agrees to promptly execute and deliver to the other party an original signed Agreement upon request.

**XIX. Conflict of Interest**

The parties hereto and their respective employees or agents shall have no interest, and shall not acquire any interest, direct or indirect, which will conflict in any manner or degree with the performance of services or obligations required by this Agreement.

**XX. Severability**

The provisions of this Agreement are specifically made severable. If any clause, provision, right and/or remedy provided herein is unenforceable or inoperative, the remainder of this Agreement shall be enforced as if such clause, provision, right and/or remedy were not contained herein.

The undersigned individuals represent that they are fully authorized to execute this Agreement on behalf of the named parties.

**XXII. Accreditation/License**

Any action or failure to act on the part of either party that results in the threatened loss of accreditation or licensure of the other party ("Non-Fault Party") will be considered a material breach of this Agreement, which permits the Non-Fault Party to terminate this Agreement immediately, effective upon service of notice of termination.

**XXIII. Standards and Regulatory Compliance**

All applicable provisions of law and other rules and regulations of any and all governmental authorities relating to the licensure and regulation of ARMC and to the operation of the Program shall be fully complied with by all parties hereto.
