5. Potential Subcontractors

Nothing contained in this agreement or otherwise, shall create any contractual relation between State and any subcontractors, and no subcontract shall relieve Contractor of its responsibilities and obligations hereunder. Contractor agrees to be as fully responsible to State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by Contractor. Contractor's obligation to pay its subcontractors is an independent obligation from State's obligation to make payments to Contractor. As a result, State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

6. Priority Hiring Considerations for Contracts with a Value of \$200,000

If the resulting agreement will have a total value of \$200,000 or more, Contractor is hereby advised that it will be obligated to give priority consideration in filling vacancies in positions funded by the resulting agreement to qualified recipients of aid under Welfare and Institutions Code Section 11200. This requirement shall not interfere with or require a violation of a collective bargaining agreement, a federal affirmative action obligation for hiring disabled veterans of the Vietnam era, or nondiscrimination compliance laws of California and does not require the employment of unqualified recipients of aid.

7. Intellectual Property

Any works developed during and/or pursuant to this agreement by Contractor, including all related copyrights and other proprietary rights therein, as may now exist and/or which hereafter come into existence, shall belong to State upon creation, and shall continue in State's exclusive ownership upon termination of this agreement. Contractor further intends and agrees to assign to State all right, title and interest in and to such materials as well as all related copyrights and other proprietary rights therein.

Contractor agrees to cooperate with State and to execute any document or documents that may be found to be necessary to give the foregoing provisions full force and effect, including but not limited to, an assignment of copyright.

Contractor agrees not to incorporate into or make the works developed, dependent upon any original works of authorship or Intellectual Property Rights of third parties without first (a) obtaining State's prior written permission, and (b) granting to or obtaining for State a nonexclusive, royalty-free, paid-up, irrevocable, perpetual, world-wide license, to use, reproduce, sell, modify, publicly and privately display and distribute, for any purpose whatsoever, any such prior works.

8. Contractor's Duties, Obligations and Rights

Contractor is hereby apprised that California Public Contract Code Section 10335 through 10381 are applicable relative to Contractor's duties, obligations, and rights in performing the agreement.
