Step 4

The residency program in Obstetrics and Gynecology at Arrowhead Regional Medical Center consists of four years of training in an accredited, post-graduate program. The focus of our community-based program is the management of acute and chronic problems with special emphasis on healthcare maintenance and disease prevention. Our graduates are well prepared to provide general obstetric and gynecologic services. They will possess the clinical knowledge, surgical skills and attitudes required to function as board certified obstetrician-gynecologists to ensure the highest quality of patient care.
