Briefly describe the general nature of the contract:

In 1997, the California Victim Compensation Board implemented a restitution program to increase imposition of statutorily mandated restitution fines and restitution orders in criminal cases. This program was established to ensure there would be funding available state-wide to assist victims of crime. San Bernardino County has been receiving funding under this program for the last 26 years.

This revised agreement in the amount of \$449,859 continues funding and offsets the cost of staff assigned for the next three fiscal years; 2023-24 in the amount of \$149,953; 2024-25 in the amount of \$149,953; and 2025-26 in the amount of \$149,953. The revisions to the agreement are administrative and cause no financial or operational impact to the Department or the Program.
