2025 Summary of Policy Revisions

Policy & Issue #	New	Major	Minor	Reviewed	Policy Title	Explanation (New and Major Revisions Only)
			X		Index	
610.06 v7		X			Transition (Discharge) Planning / Management	This policy details the multidisciplinary responsibility to assess, develop, implement and evaluate a safe discharge plan for all patients. The policy and attachments are updated to reflect current contacts for all resources.
610.09 v5		X			Patient Discharge Lounge	This policy details the guidelines for opening, maintaining, staffing, and closing the patient discharge lounge while on surge. It clarifies the process to move patients to the lounge once they are discharged. It also discusses the types of patients that can be moved to the lounge and what to do if a medical emergency arises.
610.49 v2			X		Emergent Life-Threatening Reversal of Direct Oral Anticoagulants (DOACS)	
690.32 v1	X				Law Enforcement Weapons	This policy details a method for preventing acts of violence. To ensure the safety and welfare of patients, visitors, and ARMC Staff, weapons are not to be carried by any employee of the hospital, nor other person outside of those employed and on duty with law enforcement.
690.42 v1	X				Cannabis for Terminal Illness - Management of	This policy permits the self-administration of medical cannabis at bedside for an admitted
