Specifications

The Placements Module includes the following:

- A. Client Staff Placement Dashboard (“Placement Dashboard”): Client staff will be able to access/manage families available to take placement(s) (“Family Placements”), access/manage children/youth awaiting placement or in care (“Intake Child”), and access/manage placement searches for specific children or sets of siblings:
 - a. Family Placements: Staff will be able to see Family Placements and their availability and capacity as well as basic characteristics/preferences related to a potential placement in their home.
 - i. Relative Placement Information: The Placements Dashboard shows county/community families and has a separate tab for relative families. The relative families tab also includes families that are still within the licensing process (clearly labeled) in the case that a pre-approval/emergency placement with a relative is needed.
 - ii. Complaints and Licensing Information: The Placements Dashboard highlights any overdue renewals or trainings, as well as any open/outstanding Complaints against this family (pulled from Licensing Module).
 - iii. Hold Functionality: Complaints (logged within the Licensing Module) are viewable in the Placement Dashboard and where staff determine that a placement should be placed on hold, they can so indicate in the Placement Dashboard, along with a note about whether the hold is voluntary and if there is an end date applicable to the hold.
 - iv. Dashboard Filters: Staff have the ability to filter Approved Families based on capacity, availability, location, preferences and specific attributes (e.g., emergency placement, medically trained, respite provider).
 - v. Map View: The ability to view Approved Families on a map, with the option to view within county boundary lines.
- B. Child/Youth Referral Tracking: Client staff can input information about Intake Children directly into Binti, indicating basic demographic information, school information, and strengths/placement recommendations. Siblings can also be directly connected in the system by entering the name of a child already within Binti (if not entered, first sibling can be entered, and then additional siblings can then be added/connected).
 - a. All children/youth can be viewed on the Children/Youth dashboard, displayed by status (awaiting placement, in care, and permanency/non-permanency exits). Client Staff can see whether a child is currently placed and name of current placement, as well as whether there’s currently an in-progress placement search
 - b. Track placement of Intake Children with placements and number of Intake Children not placed.

- c. Record when a child no longer needs a placement, the placement close date, and the reason the placement is no longer needed.
- C. Search Functions Based on Child Characteristics and Needs (“View Matching Families”): On the View Matching Families dashboard:
 - a. Filter and view Family Placements that could be a match for each child or sibling set based on the child characteristics and the families’ location and preferences (including both county/community and relative families, as applicable).
 - i. View these Family Placements either via list view or via Map View- the Map View shows pins for each Family Placement as well as separate pin/“graduation cap” for the child’s community of origin and school location.
 - b. Record Placement Contact and Calling Logs: Client Staff can send bulk emails with standard placement availability messages directly from Binti, and record individual reach-outs (such as phone calls) and Family Placements’ responses. All calls made to a Family Placement and the child/youth called on behalf of, as well as date and response can be viewed in a call log by Family Placement or by Child/Youth.

Features across all Licensed Modules:

- A. Unlimited number of Client users
 - Subject to the terms of the Agreement, Client may set up an unlimited number of applicant and admin user accounts.
 - Client may establish multiple levels of permissions/ access available, including agency admins, caseworkers, trainers, case carrying workers, placements workers, eligibility workers, and clerical workers.
- B. Module Access
 - All users (including applicants, Affiliated Persons, and Client staff) can access each Licensed Module from any secure computer, tablet or mobile device with access to a modern browser using username and password, or SSO (if enabled by Client).
