CERTIFICATE OF INITIATIVE PETITION

I, Bob Page, Registrar of Voters for the County of San Bernardino, State of California, hereby certify:

That the initiative petition entitled **"THE SAN BERNARDINO COUNTY SUPERVISOR COMPENSATION REDUCTION AND TERM LIMITS INITIATIVE"** was filed with the Registrar of Voters office on March 20, 2020;

That said petition consists of **10,121** sections; containing **75,132** signatures;

That each section contains signatures purporting to be the signatures of qualified electors residing within San Bernardino County;

That attached to this petition at the time it was filed was an affidavit purporting to be the affidavit of the person who solicited the signatures, and containing the dates between which the purported qualified electors signed this petition;

That the affiant stated his or her own qualifications, that he or she had solicited the signatures upon that section, that all of the signatures were made in his or her presence, and that to the best of his or her information and belief each signature to that section was the genuine signature of the person whose name it purports to be;

That after the proponent filed this petition, pursuant to Section 9115 of the California Elections Code, an examination of a random sampling of 3% of the signatures was conducted by examining the records of registration within San Bernardino County, current and in effect at the respective purported dates of such signing, to determine what number of qualified electors signed the petition, and from that examination, I have determined the following facts regarding this petition:

1. Number of signatures filed by proponent (raw count)	75,132
2. Number of signatures verified (3% random sample)	2,255
a. Number of signatures found SUFFICIENT	1,840
b. Number of signatures found INSUFFICIENT	415
3. NOT SUFFICIENT because DUPLICATE	1
4. Required number of valid signatures	53,725
5. Projected number of valid signatures (from 3% random sample)	60,228 (112.10%)

That pursuant to Section 9115 of the California Elections Code, the projected number of valid signatures is more than the required 110%, and that therefore, the petition has been signed by the requisite number of qualified electors needed and based thereon is deemed sufficient;

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal this first day of May 2020.
