What is an Action Plan?

- An annual Action Plan is the formal grant spending plan which the County submits to the United States Department of Housing and Urban Development (HUD) each year in May for Community Development Block Grant (CDBG) funds.
- The areas served under this Annual Action Plan are the unincorporated areas of the County and the 13 participating cities: Adelanto, Barstow, Big Bear Lake, Colton, Grand Terrace, Highland, Loma Linda, Montclair, Needles, Redlands, Twentynine Palms, Yucaipa, and the Town of Yucca Valley.

What initiated this Substantial Amendment?

- A proposal of a new project for City of Twentynine Palms which has been found eligible for CDBG funding and has not previously been listed and described in the 2021-22 Annual Action Plan.
- San Bernardino County is required by HUD to take this Substantial Amendment to the Board of Supervisors for approval and public hearing inviting citizens' comments.

Substantial Amendment

City of Twentynine Palms - Improvements to the Multipurpose Center for \$85,000

- The project will include improvements such as permanently affixed retractable bleachers and bleachers with seating areas that are Americans with Disabilities Act (ADA) compliant and accessible for community events and programs at the Twentynine Palms Multipurpose Center.
- This is a reallocation of \$85,000, of the original \$150,000 in CDBG funds, within the City's 2021-22 allocation. The reallocation amount consists of project savings from a design and engineering project that did not require the use of all of the project funds.

Approve Substantial Amendment to Program Year 2021-2022 United States Housing and Urban Development Annual Action Plan and direct Community Development and Housing Director to transmit Program Year 2021-2022 United States Department of Housing and Urban Development Annual Action Plan to the United States Department of Housing and Urban Development within 30 days of execution.
