(3) Deposits for Developer Deposit Accounts and Project Trust Accounts:

An initial deposit is required for each actual cost service or process. The initial deposit is as specified in this ordinance. If no amount is specified, the initial deposit is the San Bernardino County Flood Control District's initial estimate of the actual cost of the service or process. The San Bernardino County Flood Control District may revise its estimate at any time during the processing of the service or process. If a revised estimate is higher than a previous estimate, the San Bernardino County Flood Control District may require an additional deposit. Notice of any required additional deposit shall be mailed (including email) to the applicant. The notice shall include the date by which the deposit must be made and shall inform the applicant that unless provision for payment is made by the date specified, the application will be deemed denied without prejudice, without further action by the San Bernardino County Flood Control District. Any such denial without prejudice is not appealable. Each estimate shall be the result of a good faith attempt to determine the probable actual cost of the service or process based on the nature of the project, the District's experience in processing similar services or processes, and applicable rates. In addition, the Flood Control Engineer or designee has the authority, with agreement of the applicant, to increase or decrease the required initial deposit amounts based on the complexity of the service or process. Initial deposits or any additional deposits for all services or processes related to a project shall be placed and combined into a Project Trust Account. Such combined deposited funds will be utilized as the source of payment for any flat fee service,

security deposit, or actual cost service on that project. In addition, deposits may also be placed in a Developer Deposit Account. Deposited funds in a Developer Deposit Account may be used by an individual or entity to fund various Project Trust Accounts.

(4) Applicant’s obligation to pay actual cost:

The applicant shall pay the actual cost of the project, regardless of any estimate; except that the applicant is not obligated for costs incurred after the applicant delivers to the San Bernardino County Flood Control District either an unconditional written withdrawal of the application, or a written notice to stop work which includes a waiver of any applicable time limits for processing the application.

(i) Returned check fee:

(1) A fee of \$25.00 per item shall be charged for each negotiable item returned unpaid by the drawn financial institution for any reason, including, but not limited to, non-sufficient funds or closed accounts.

(j) Waiver/refund of fees:

(1) Except as otherwise provided by law, the San Bernardino County Flood Control District Board of Supervisors, by Board action, can waive, defer payment of, or refund any fee set forth in this ordinance or any other fee levied by the Flood Control District provided one of the following conditions is met:

- (A) The service for which the fee was levied has not and will not be performed; or
- (B) The fee was collected in error; or
- (C) For other good cause shown, provided such waiver/refund would serve a San Bernardino County Flood Control District purpose.

(2) In the event of a disaster, or other good cause shown to serve a San Bernardino County Flood Control District purpose, the Chief Flood Control

1 Engineer may defer payment of, waive, or refund any fee set forth in this  
2 ordinance or any other fee levied by the San Bernardino County Flood  
3 Control District provided all of the following conditions are met:

4 (A) Exigent conditions exist whereby obtaining Board approval of the fee  
5 waiver/refund/deferral would not be immediately feasible; and

6 (B) The San Bernardino County Flood Control District receives  
7 concurrence from the County Chief Executive Officer.

8 (3) The Chief Flood Control Engineer, or designee, may refund any fee or  
9 deposit set forth in this ordinance provided one of the following conditions  
10 is met:

11 (A) The service for which the fee or deposit was levied has not and will  
12 not be performed; or

13 (B) The fee or deposit was collected in error; or

14 (C) Unused deposit monies remain on actual cost projects when all  
15 charges for the project have been recorded.

16 (4) As set forth in California Government Code section 6103, the state and any  
17 county, city, district, or other political subdivision, are exempt from those  
18 filing fees and administrative amendment fees specified in the preceding  
19 Sections (a)(1)(A)(I), (a)(2)(A)(I), (a)(1)(D)(II), (a)(3)(A), (a)(4)(A)(I),  
20 (a)(5)(A)(I), (a)(6)(A)(II)(a), (a)(6)(C)(I), (a)(6)(D)(I), and (a)(8)(A). Unless  
21 otherwise expressly exempted by law, any county, city, district, or other  
22 political subdivision shall be subject to all fees set forth herein, including but  
23 not limited to, Section (g). The state may be additionally exempt from fees  
24 pursuant to California Government Code sections 6103 and 6103.7.

25  
26 SECTION 3. This ordinance shall take effect on July 1, 2024.
