HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

- 1. This award includes prorated funding based on your health center achieving the objectives of the Fiscal Year 2022 Health Center Program Service Expansion – School Based Service Sites (SBSS) award. The balance of your annualized SBSS award will be provided in a subsequent action based on the final FY 2024 Health Center Program appropriation. HRSA expects that you will continue to provide school-based services as needed to meet the current and evolving needs of your patient population and community. By integrating these funds into your H80 Health Center Program award, you are expected to continue to comply with the post-award requirements cited in Subpart D-Post Federal Award Requirements, standards for program and fiscal management of 45 CFR Part 75. HRSA may use future Uniform Data System reports or other methods to assess ongoing school-based services.
- All prior terms and conditions remain in effect unless specifically removed.
