<b>Grant Number (if applicable)</b>	

**Briefly describe the general nature of the contract:**

The District as the Principal Permittee under the current Municipal NPDES Stormwater Permit on behalf of itself, the sixteen cities and San Bernardino County participates in the Middle Santa Ana River (MSAR) Total Maximum Daily Load (TMDL) Task Force. The purpose of the MSAR TMDL Task Force is to identify activities that target sources of bacteria and to either eliminate the source of bacteria or prevent it from entering the Santa Ana River. This agreement is to provide continued funding to the Task Force to implement the requirements of the TMDL for bacterial indicators in the MSAR and to allocate funds during FY25-26 required for the compensation of the Santa Ana Watershed Project Authority as administrator to perform the tasks required by the Agreement shareholders.
