COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES

**Provide for the Safety, Health and Social Service Needs of County Residents.
Pursue County Goals and Objectives by Working with Other Agencies.**

FINANCIAL IMPACT

Approval of this item will not result in the use of additional Discretionary General Funding (Net County Cost). This agreement provides for reimbursement of costs associated with disposable non-surgical protective wear worn by medical students at the rate of \$40 per student, per rotation, for an estimated 50 students per year. The amount charged is the Sheriff/Coroner/Public Administrator's (Department) standard fee for protective wear, which is included in the County's Fee Ordinance, Section 16.0226(v)(9)(A). The annual revenue from this agreement based upon the current County Fee Ordinance is estimated at \$2,000.

BACKGROUND INFORMATION

The existing affiliation agreement provides for the safety, health, and social service needs of the County's residents by supporting Loma Linda University School of Medicine's (LLUSM) medical students and provides a rotation at the Department's Coroner Division facility.

The Department has maintained an affiliation agreement with LLUSM since 2010 (March 2, 2010; Item No. 44), which permitted the Department to allow medical students to observe autopsies. On September 13, 2016 (Item 77), the Board approved Agreement No. 16-706, allowing for continued service for the period of September 13, 2016 through June 30, 2020, with the option to extend two additional one-year periods.

The proposed amendment will allow the Department to continue the rotational training for medical students through June 30, 2021 with the option to extend the term an additional one-
