**STANDARD TERMS AND CONDITIONS**

- Definitions.** For purposes of this Agreement, the term "Product" means those commercially available products sold by Stryker from time to time, as listed and more particularly described on Schedule A.
- Products; Prices for Products.** Only Products expressly covered by Schedule A and purchased under this Agreement are eligible for the pricing offered under this Agreement. Customer understands that Product pricing and any other incentive offered under this Agreement is contingent upon Customer's, or, if applicable, a Participant's compliance with all material terms and conditions set forth in this Agreement including, but not limited to, those conditions set forth in Schedule A, the requirement to pay outstanding invoices and provide purchase orders as set forth in the section entitled "Purchase Orders; Invoices; Payments." 
- Purchase Orders; Invoices; Payments.** Customer and any Participant that purchase Products directly from Stryker, must submit to Stryker purchase orders for such Products prior to the shipment of such Products. For any Product held by Customer on a consignment or loaner basis, Customer must submit to Stryker a written purchase order for such Products within 48 business hours after the withdrawal from consignment or loaner inventory. For clarity, Customer's failure to provide purchase orders as set forth herein may be deemed a material breach of this Agreement. Upon shipment of Products to Customer or any Participant (or in the case of consignment as set forth in Schedule C, upon receipt of Customer's or a Participant's purchase order), Stryker will submit to Customer or the Participant, as the case may be, an invoice for such Products, and Customer or the Participant, must pay in full all invoices within 30 days from the date of invoice. If Customer or a Participant wishes to dispute an invoice or portion thereof, Customer or such Participant must notify Stryker in writing within 15 days of its receipt. The writing must provide sufficient detail regarding the basis and amount of the dispute. If neither Customer nor Participant disputes an invoice within 30 days of its receipt of same, the invoice will be deemed to have been approved by Customer or the Participant.
- Product-Related Services.** Stryker will provide technical training, including initial training for new users and supplemental training for existing users, as needed to promote the safe and effective use of the Products. Such technical training shall be provided to any

health care practitioner who uses or intends to use the Product and is employed by, or is on the active medical staff of, Customer or any purchasing Participant. If Stryker provides technical training to a health care practitioner, Stryker may pay for or reimburse reasonable expenses, including meals, lodging and transportation, actually incurred by such health care practitioner in connection with the technical training. Notwithstanding the foregoing, Stryker will not reimburse Customer, Participants or any third party for other fees or surcharges charged by Customer, Participants or a third party in connection with this Agreement; including, but not limited to, surgical scrubs, inventory lockers, supply chain management services, web-based product catalog services or sterilization trays.

5. Shipping; Delivery. Except as otherwise provided in this Agreement, all Products purchased directly from Stryker are shipped F.O.B. Origin, freight prepaid and added to the invoice. For those Products purchased on a consignment basis, shipping terms are set forth in Schedule C.
6. Tissue Products. The Parties acknowledge and agree that certain Products set forth herein may constitute Tissue Products (as hereinafter defined) and that applicable law, including, without limitation, the National Organ Transplant Act (NOTA), may prohibit the "sale" of such Tissue Products. It is therefore the intent of the Parties that any references to the "sale" of Products (including purchase terms and pricing) herein shall be construed in a manner that is consistent with NOTA and all other applicable laws, and that any price paid by Customer or a Participant for Tissue Products hereunder represents Stryker's cost associated with the collection, processing and storage of such Tissue Products as well as the provision of technical and other field support to health care providers with respect to such Tissue Products and not a sale of the material itself. For purposes hereof, the term "Tissue Products" means human bone and other human tissue materials that are procured and processed by or on behalf of Stryker and are intended for clinical use in certain orthopedic or other applications.
7. Reporting. Stryker, as supplier, hereby informs Customer, as buyer on behalf of itself and each purchasing Participant, of each Participant's obligation to make required reports (including reporting on net prices paid for items supplied hereunder) under the Federal Medicare and Medicaid Anti-Kickback Statute and the regulations thereunder (42 CFR Part 1001.952(h)). Pricing under this Agreement may constitute discounts on the purchase of Products. Institution represents that (i) it shall make on behalf of each Participant or cause each Participant to make on its own behalf, all required cost reports, and (ii) it has the power and authority to make or cause such cost reports to be made.
8. WARRANTY. ANY WARRANTIES PROVIDED BY STRYKER WITH RESPECT TO A GIVEN PRODUCT ARE AS DESCRIBED IN THE LABELING ACCOMPANYING UNITS OF THAT PRODUCT ON PURCHASE. STRYKER HEREBY EXPRESSLY DISCLAIMS ANY AND ALL EXPRESS OR IMPLIED WARRANTIES REGARDING THE PRODUCTS INCLUDING, BUT NOT LIMITED TO, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
9. LIMITATION OF LIABILITY. IN NO INSTANCE WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR INCIDENTAL, PUNITIVE, SPECIAL, COVER, EXEMPLARY, MULTIPLIED OR CONSEQUENTIAL DAMAGES OR ATTORNEYS' FEES OR COSTS FOR ANY ACTIONS UNDER OR RELATED TO THIS AGREEMENT.
10. Indemnity. Stryker will defend and indemnify Customer and Participants from any third-party liability and/or damages which Customer or Participants suffer directly as a result of a defect in workmanship or design of the Products. This indemnification applies only if the instructions outlined in the Product's labeling, manual, and/or instructions for use are followed. This indemnification does not apply to liability and/or damages arising from: (i) an injury solely due to the negligence of any person other than an employee or agent of Stryker; (ii) the failure of any person other than an employee or agent of Stryker to follow any instructions for use of the Product; or (iii) the use of any product not purchased from Stryker, or Product that has been modified, altered, reprocessed, or repaired by any person other than an employee of agent of Stryker.
11. Insurance.
  - a. During the term of this Agreement, Stryker will maintain the following tyupes and limits of insurance to cover liability arising out of this Agreement, including Products purchased by Customer from Stryker under the Agreement, which meet the following requirements:

All required policies, except for Worker's Compensation/Employer's Liability, shall contain additional insured endorsements that include Customer as an additional named insured with respect to liabilities arising out of this Agreement. Blanket endorsements are acceptable. When applicable, and when requested by Customer, evidencing proof of the foregoing coverage shall be furnished to Customer by Stryker.

Stryker shall require the carrier(s) of required Worker's Compensation/Employer's Liability and Automobile Liability insurance coverages to waive all rights of subrogation against the Customer, its officers, employees, agents, volunteers, contractors and subcontractors. Stryker hereby waives all rights of subrogation against Customer.

To the extent that any claim or loss arises out of the negligence or willful misconduct of Stryker, its employees or agents only, all policies required herein are to be primary to, and non-contributory with any insurance or self-insurance programs carried or administered by the Customer.

Stryker agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between Stryker and Customer or between Customer and any other insured or additional insured under the policy.

Unless otherwise approved by Customer's Department of Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII".

Upon request by Stryker, Customer will provide a certificate of insurance evidencing such coverage.
12. Termination Effect. Either Party may terminate this Agreement at any time, without cause, by giving 30 days' advance written notice to the other Party. All accrued rights or responsibilities will survive termination or expiration of this Agreement. Upon termination or expiration of this Agreement, Customer and each Participant shall, within 60 days, pay Stryker all amounts owed pursuant to this Agreement.
13. Confidentiality. Unless otherwise required by law, Stryker, Customer and each Participant: (a) shall hold in confidence this Agreement and the terms and conditions contained herein (including, without limitation all terms relating to Product pricing) and any information and materials which are related to the business of the other or are designated as proprietary or confidential, herein or otherwise, or which a reasonable person would consider to be proprietary or confidential information; and (b) hereby covenant that they shall not disclose such information to any third party without prior written authorization of the one to whom such information relates. The rights and remedies available to a party hereunder shall not limit or preclude any other available equitable or legal remedies. Notwithstanding all of the foregoing in this provision, Stryker understands that the Customer is a public entity subject to, among other laws, decisions, rules and statutes, the Ralph M. Brown Act, the California Public Records Act, and the Sunshine Ordinance in its County Code and Stryker consents to disclosure of information and writings, including but not limited to this Agreement and any amendments thereto, to the extent required by applicable law. Customer will take all reasonable steps to protect Stryker Confidential Information and provide prior notice to Stryker prior to the disclosure of such information in accordance with the previously cited statutes and laws.
14. Debarment and Suspension. Each Party hereby represents and warrants that it is not currently convicted of any criminal offense related to health care nor is currently debarred, excluded, or otherwise ineligible for participation in any federal or state government health care program, including Medicare and Medicaid. Further, each Party represents and warrants that no proceedings or investigations are currently pending or to a Party's knowledge threatened by any federal or state agency seeking to exclude that Party from such programs or to sanction that Party for any violation of any rule or regulation of such programs.
15. Access to Records. Stryker shall immediately, or as soon as practicable, report any attempt by a Customer officer, employee or agent to solicit (either directly or through an intermediary) improper consideration from Stryker.
17. Miscellaneous.

- e. This Agreement constitutes the entire agreement between the Parties and, as of the Effective Date, supersedes all prior negotiations and replaces any existing agreement between the Parties for purchases of products and services comparable to the Products and/or Services. This Agreement may only be amended by written agreement of the Parties. In the event of an inconsistency or conflict between this Agreement and any purchase order, invoice, or similar document relating to the purchase of Products, this Agreement will control.
- f. The Warranty, Indemnity, Liability, Confidentiality and Miscellaneous provisions of this Agreement shall survive its termination or expiration.
- g. The Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts shall together constitute one and the same Agreement. The parties shall be entitled to sign and transmit an electronic signature of this Agreement (whether by facsimile, PDF or other email transmission), which signature shall be binding on the party whose name is contained therein. Each party providing an electronic signature agrees to promptly execute and deliver to the other party an original signed Agreement upon request.
