CWDS operates within the Academy for Professional Excellence, a project of the San Diego State University School of Social Work to support the health and human service community by providing training, technical assistance, organizational development, research, and evaluation. CWDS provides child welfare training and support that serves the counties of Imperial, Orange, San Bernardino, San Diego, and Riverside.
3. Children and Family Services (CFS) – San Bernardino County department that administers programs designed to address child abuse and neglect issues. CFS provides family-centered programs and services that are designed to strengthen, preserve and ensure children have access to safe and permanent family units. CFS provides support for families while working to reduce risk and harm to children, improving parenting skills, and developing strong social support networks for families.
4. Common Core 3.5 – A mandated series of training courses for all new child welfare workers in the state of California. The Common Core curriculum is organized by key topic areas, which were identified as priority for new social workers. Core Practice Model (CPM) – A set of concepts, values, principles, and standards of practice that outline an integrated approach to working with children/youth and families involved with child welfare who have or may have mental health needs. The CPM is a result of the *Katie A. v. Bonta* (Katie A.) settlement.
7. CPM Champions – CFS staff who have been identified as CPM Champions and strongly support, endorse, and are highly invested in the new philosophies and practices of collaboration between the behavioral health and child welfare communities.

The settlement agreement was reached in the case in December 2011, requiring child welfare and

mental health leaders from State and local levels to work together to establish a sustainable framework for an array of services that occur in community settings in a coordinated manner. Reg. 12319 (Sept. 24, 1965)], as amended by Executive Orders 11375, 11625, 12138, 12432, 12250, and 13672; Title VII of the Civil Rights Act of 1964 (42 U.S.C. section 2000(e), et seq.); Division 21 of the California Department of Social Services Manual of Policies and Procedures; California Welfare and Institutions Code section 10000; the California Fair Employment and Housing Act (Cal. Gov. Code section 12900, et seq.); and other applicable federal, state, and County laws, regulations and policies relating to equal employment or social services to welfare recipients, including laws and regulations hereafter enacted.

The Contractor shall not unlawfully discriminate against any employee, applicant for employment, or service recipient on the basis of race, color, national origin or ancestry, religion, sex, marital status, age, political affiliation or disability. Information on the above rules and regulations may be obtained from the County.

2. Contractor shall comply with Executive Orders 11246, 11375, 11625, 12138, 12432, 12250, 13672, Title VI and Title VII of the Civil Rights Act of 1964, the California Fair Housing and Employment Act and other applicable federal, state and County laws and regulations and policies relating to equal employment and contracting opportunities, including laws and regulations hereafter enacted.
3. Civil Rights Compliance – The Contractor shall develop and maintain internal policies and procedures to assure compliance with each factor outlined by state regulation. These policies must be developed into a Civil Rights Plan, which is to be on file with the County within thirty (30) days of awarding of the Contract. The Plan must address prohibition of discriminatory practices, accessibility, language services, staff development and training, dissemination of information, complaints of discrimination, compliance review, and duties of the Civil Rights Liaison. Upon request, the County will supply a sample of the Plan format. The Contractor will be monitored by the County for compliance with provisions of its Civil Rights Plan. Additionally, the Contractor shall submit to County an Assurance of Compliance with the California Department of Social Services Nondiscrimination in State and Federally Assisted Programs Statement (Attachment D) annually.

Services provided must be respectful of and responsive to the cultural and linguistic needs of County residents.

Becoming culturally and linguistically competent is a developmental process and incorporates at all levels the importance of culture, the assessment of cross-cultural relations, vigilance towards the dynamics that result from cultural differences, the expansion of cultural knowledge, and the adaptation of services to meet culturally-unique needs. Providing services in a culturally appropriate and responsive manner is fundamental in any effort to ensure success of high quality and cost-effective health and human services. Offering those services in a manner that fails to achieve its intended result due to cultural and linguistic barriers does not reflect quality of care and is not cost-effective.
- f. To ensure equal access to quality care for diverse populations, Contractors providing health and health care services may adopt the Federal Office of Minority Health Culturally and Linguistically Appropriate Services (CLAS) national standards.
- g. Upon request, Contractor will provide County Human Services evidence of adherence to requirements listed above.
