Personal, as distinguished from financial interest, includes an interest arising from blood or marriage relationships, or close business, personal or political associations. This section shall not serve to prohibit independent acts or other forms of enterprise during those hours not covered by active County employment, providing such acts do not constitute a conflict of interest as defined herein. Contractor is also subject to the provision of California Government Code Sections 1090, 1126, 87100, and any other conflict of interest code applicable to County employment.

III. TERM

This Contract shall be effective November 7, 2020 and shall remain in effect through November 6, 2023, subject to the termination provisions below. The Assistant Executive Officer of Human Services is authorized to execute amendments to the Contract to extend the term of this Contract for a maximum of three (3) successive one-year periods. Notwithstanding the foregoing, either party may terminate this Contract at any time without cause with a fourteen (14) day prior written notice to the other party. This Contract may be terminated for just cause immediately by the County. Contractor shall serve at the pleasure of the appointing authority, who shall have the full authority and discretion to exercise County rights under this paragraph.

IV. COMPENSATION OF CONTRACTOR

Upon the effective date of this Contract, Contractor shall be considered a Contract employee in the County's Unclassified Service. Contractor shall receive only the benefits and compensation specifically set forth in this Contract. This Contract provides for the full compensation to Contractor for the services required hereunder. This Contract supersedes any prior employment Contract of Contractor.

A. SALARY RATE

Contractor shall be compensated for services at a rate of \$42.60 per hour, which is equivalent to Step 10 of Range 63 of the current salary schedule for employees in the Supervisory Unit. Contractor shall not exceed eighty (80) hours per pay period unless expressly authorized, pursuant to the Overtime provision of this Contract. Contractor shall be eligible to receive step increases in the same manner and amounts as employees in the Supervisory Unit. Contractor shall be eligible to receive longevity pay pursuant to the terms and conditions set forth in the applicable MOU.

Contractor shall be eligible to receive salary adjustments, including across-the-board adjustments, in the same amount and at the same time as employees in the Supervisory Unit if approved by the Executive Director and the Assistant Executive Officer of Human Services.

Payment for services shall be made bi-weekly during the term specified in Section III of this Contract. Contractor does not gain probationary or regular status during the term of this Contract. All currently accrued service hours toward a step increase will be reset with the execution of this Contract.

B. OVERTIME

Overtime shall be defined as all hours actually worked in excess of eighty (80) hours per pay period. For purposes of defining overtime, paid leave time, excluding sick leave, shall be considered as time actually worked. If Contractor is authorized by the Executive Director, or designee to work overtime, Contractor shall be eligible to be compensated at straight time compensating time off.

Cash payment at the Contractor's base rate of pay shall automatically be paid for any compensating time, which exceeds eighty (80) hours, or for any hours on record immediately prior to termination of Contract.

C. LEAVE PROVISIONS

Contractor shall receive, or be subject to, the following Leave Provisions in the same manner and amount as employees in the Supervisory Unit: Administrative Leave, Annual Leave, Bereavement, Blood Donation, Compulsory, Holiday, Jury Duty, Military, Sick, and Vacation.

Refer to Item P in this Section for processing of leave balances upon termination of this Contract.

D. MEDICAL AND DENTAL COVERAGE

Contractor must enroll in a medical and dental plan offered by the County, unless enrolled in other comparable employer sponsored coverage. If eligible, Contractor shall receive the Medical Premium Subsidy (MPS) and Dental Premium Subsidy (DPS) to offset the cost of medical and dental plan premiums charged to Contractor pursuant to the terms and conditions for employees in the Supervisory Unit. The applicable MPS shall be paid directly to the provider of the County-sponsored medical plan in which the eligible Contractor has enrolled. In no case shall the MPS exceed the total cost of the medical insurance premium for the coverage selected (e.g., when the MPS amounts exceed the lowest HMO cost). The MPS shall not be considered compensation earnable for purposes of calculating benefits or contributions for the San Bernardino County Employee's Retirement Association.

Contractor shall not receive Flex Dollars if Contractor chooses to "opt-out" or "waive" from the County-sponsored health plans.

E. VISION CARE INSURANCE

Subject to carrier requirements, the County shall pay the premiums for vision care insurance for Contractor (employee-only coverage) if Contractor is in a paid status and is scheduled at least forty-one (41) hours per pay period.

F. LIFE INSURANCE

The County shall pay premiums for a term life insurance policy for Contractor in the same manner and amount as employees in the Supervisory Unit. County-paid life insurance will become effective the first pay period in which Contractor is in a paid status and shall continue for each pay period Contractor is in a paid status. For pay periods in which Contractor does not meet the paid hours' requirement, Contractor shall have the option of continuing life insurance coverage at Contractor's expense.

G. ACCIDENTAL DEATH AND DISMEMBERMENT

Contractor shall be eligible to purchase Accidental Death and Dismemberment Insurance coverage and additional supplemental term life insurance in the same manner and amount as offered by the County to employees in the Supervisory Unit.

H. EXPENSE REIMBURSEMENT

Contractor shall be eligible for expense reimbursement in the same manner and amount as employees in the Supervisory Unit.

I. RETIREMENT PLAN

If Contractor is regularly scheduled for and regularly works a minimum of forty (40) hours per pay period, Contractor shall participate in the County's general employee retirement system during the term of this Contract. Contractor shall pay the required employee contribution for the term of the Contract. Contractor's participation in the general retirement system shall be in accordance with the applicable terms of the County Employee Retirement Law of 1937, the California Public Employees'

Pension Reform Act of 2013 (Gov't Code section 7522 et seq.), and the By-Laws and other requirements of the San Bernardino County Employees' Retirement Association.

If Contractor has attained the age of sixty (60) prior to employment, Contractor may waive membership, at the time of hire, in the San Bernardino County Employee's Retirement Association. If Contractor regularly works less than forty (40) hours per pay period, waives membership, or otherwise does not meet the definition of a member of the retirement system, Contractor shall instead participate in the County's PST Deferred Compensation Retirement Plan.

J. RETIREMENT MEDICAL TRUST ("Trust")

Contractor shall be able to participate in the Retirement Medical Trust per the Plan Document and in the same manner and amount as employees in the Supervisory Unit, provided the Contractor meets the eligibility requirements (e.g., years of service, etc.) for participation. Contractor shall not receive County contributions to the Trust.

Refer to Item P in this section for processing of unused Sick Leave balances upon termination of this Contract.

K. SALARY SAVINGS PLAN

Contractor shall be eligible to participate in the County's 457(b) Salary Savings Plan, per the Plan Document. Contractor shall not receive County match contributions with respect to participation in such plan.

L. DEPENDENT CARE ASSISTANCE PLAN (DCAP) AND FLEXIBLE SPENDING ACCOUNT (FSA) PLAN FOR MEDICAL EXPENSE REIMBURSEMENT

Contractor shall be eligible to participate in the County's DCAP and FSA Plans in the same manner as employees in the Supervisory Unit and per the plan documents. Contractor shall not receive any County match contributions with respect to participation in either plan.

M. LEGALLY REQUIRED BENEFITS

Contractor shall receive all benefits as required by law when eligible (e.g., FMLA, ACA, Military Leave, Time Off for Voting, and Medicare). Where the County provides a greater benefit than is required by law, Contractor shall only receive the minimum benefit in accordance with the law, unless the greater benefit is specifically provided for in another provision of this Contract.

N. SHORT TERM DISABILITY

Contractor shall be eligible to receive the same Short-Term Disability insurance benefits as offered to employees in the Supervisory Unit.

O. SERVICE AND EFFECT ON BENEFITS

Contractor was a County Contract employee immediately prior to entering into this Contract, without separation from County employment. Execution of this Contract shall not result in separation in County employment for purposes of determining eligibility for and level of benefits including, but not limited to, health benefits, leave accrual rates, and retirement benefits. Thus Contractor's rate for leave accruals is based on the start date of the period of continuous County employment that is extended by this Contract. Contractor shall maintain and carry forward Holiday, Vacation, other paid leave, and Sick leave balances. Contractor's retirement contribution rate is based on the date Contractor began participating in the County's general employee retirement system.

P. BENEFITS UPON TERMINATION OF CONTRACT

Contractor Separated from County Service

Upon separation from County employment, Contractor shall be compensated for any unused Administrative, Vacation and Holiday Leave at the then base rate of pay. Contractor will be eligible to convert the cash value of unused Sick Leave to the Retirement Medical Trust Fund in the same

manner and amount as employees in the Supervisory Unit, if eligibility requirements are met. If eligibility requirements are not met at the time of separation, unused Sick Leave shall be forfeited. Unused Annual Leave shall be forfeited.

Contractor to Regular County Employment

In the event this Contract is terminated because Contractor is appointed to a regular County position without a break in service, the Contractor shall be provided a new date of hire (i.e., Regular Hire Date). Eligibility for benefits, including, but not limited to, retirement system contributions, health benefits, and leave accrual rates shall be based upon the provisions of the applicable Memorandum of Understanding (MOU) or ordinance in effect at the time Contractor is appointed to a regular County position. Seniority, for purposes of layoff, shall be determined by the most recent Regular Hire Date or as otherwise provided in the applicable MOU.

At the sole discretion of the appointing authority of the County department or office in which appointment to the regular position is made, unused leave balances may be maintained and carried over. Any leave balances carried over shall be in accordance with the applicable MOU for the bargaining unit associated with the position into which the contractor was hired. Any leave balances not authorized to be carried over shall be distributed as outlined in "Contractor Separated from County Service" above.

Contractor to New Contract Position

In the event the Contractor accepts another Contract position with the County without a break in service, at the sole discretion of the appointing authority of the County department or office in which appointment to the Contract position is made, leave accrual rates and unused leave balances may be maintained and carried over. Any leave balances carried over shall be in accordance with the applicable MOU for the bargaining unit associated with the position into which the contractor was hired. Any leave balances not authorized to be carried over will be distributed as outlined in "Contractor Separated from County Service" above.

V. GENERAL PROVISIONS RELATING TO CONTRACTOR

A. TOUR OF DUTY

Contractor's standard tour of duty (regularly scheduled workweek) shall be established by the Executive Director, or his/her designee. The Executive Director, or his/her designee, may modify or change the number of hours in a standard day, tour of duty or shift to meet the needs of the service. Contractor shall not work more than eighty (80) hours a pay period without prior approval from the Executive Director, or his/her designee. If the services to be performed under this Contract require Contractor to drive a vehicle, Contractor must possess a valid California driver's license at all times during the performance of duties under this Contract.

Contractor agrees to allow the County to obtain a Department of Motor Vehicles report of Contractor's driving record.

In order for Contractor to be able to use a private vehicle during the performance of duties under this Contract, Contractor shall be covered by vehicle liability insurance at least equal to the minimum requirements of the California Vehicle Code. Such requirements currently are:

1. Fifteen thousand dollars (\$15,000) for single injury or death;
2. Thirty thousand dollars (\$30,000) for multiple injury or death;
3. Five thousand dollars (\$5,000) for property damage.

E. EVIDENCE OF ELIGIBILITY TO WORK

Contractor shall submit evidence of eligibility to work in the United States and verification of identity within three (3) working days of the effective date of this Contract. Contractor shall submit to and successfully complete a pre-employment background check, including a medical examination through the County's Center for Employee Health and Wellness before employment commences. This provision is satisfied if Contractor is a current employee or Contractor who previously met the requirements of this provision.

F. DIRECT DEPOSIT

Contractor must make arrangements for the direct deposit of paychecks into the financial institution of their choice via electronic fund transfer. Inability or failure by Contractor to make such arrangements will result in the County paying Contractor via pay card.

G. MISCELLANEOUS

Government Code section 53243.2 requires the following provision be included in this Contract: If this Contract is terminated, any cash settlement related to the termination that Contractor may receive from the County shall be fully reimbursed to the County if Contractor is convicted of a crime involving an abuse of his or her office or position, as defined in Section 53243.4.
