The Department of Housing and Community Development (the “Department”) has allocated designated funding to counties for use by county child welfare services agencies.

2. Purpose

In accordance with the authorities cited above, the Contractor was awarded Financial Assistance (The “Allocation Acceptance Form”) in the form of a grant from the THP and HNMP Programs (collectively referred to as the Grant) for the 2023-2024 fiscal year.

The purpose of the THP program is to help young adults who are 18 through 24 years of age, inclusive, (herein meaning starting at their 18th birthday until their 25th birthday known as the “eligibility period”) to secure and maintain housing with priority given to young adults formerly in the state’s foster care or probation systems.

The purpose of the HNMP program is to provide housing navigators to help young adults who are within the eligibility period to secure and maintain housing with priority given to young adults currently or formerly in the foster care system. Additionally, the HNMP program provides funding to the Contractors to provide training to its child welfare agency social workers and probation officers who serve nonminor dependents (HSC Section 50811).

The Allocation Acceptance Form, including all representations made by the Contractor therein, are hereby incorporated in this Agreement. The Department agrees to make the Grant based on the THP and HNMP Statutes and this Agreement.

The Department and the Contractor enter into this Agreement in accordance with the terms and conditions set forth herein; subject to all the provisions of the applicable statutes and further subject to the State laws and requirements governing State contracts.
