FINANCIAL IMPACT

Approval of this item will not result in the use of additional Discretionary General Funding (Net County Cost). On September 21, 2021 (Item No. 18) and November 16, 2021 (Item No. 33), the Board of Supervisors (Board) approved an allocation of \$4 million and \$7 million, respectively, to the Board Discretionary Fund - District Specific Priorities Program (Priorities Program), for each of the five supervisorial districts for projects that meet a public purpose, and provide services to citizens that promote health, safety, economic well-being, and other public services that enhance quality of life and meet the needs of the County residents. On an annual basis, unspent appropriations for discretionary funding will be carried over into the subsequent year's budget. The recommended contract will be funded by the Fourth District's Priorities Program budget.

BACKGROUND INFORMATION

Priorities Program projects help to promote the vision of a complete County by recognizing the unique traits of each Supervisorial District and, thereby, allow individual Board Districts to work with community partners through County services and contractual agreements to identify programs, projects, and initiatives, that support the vision, meet a public purpose and provide services to residents that promote health, safety, economic well-being, education, recreation, and other public services that enhance quality of life, and meet the needs of the County's residents. Projects under the District Specific Priorities Program are based on District Supervisor discretion and are presented by the Chief Executive Officer (CEO) for Board approval.
