The EO directs state agencies and their contractors (including by agreement or receipt of a grant) to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should it be determined that Liberty is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this Contract. Liberty shall be provided advance written notice of such termination, allowing Liberty at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the County.

C.50 Campaign Contribution Disclosure (SB 1439)

C.51 Generative Artificial Intelligence (GenAI)

The State of California seeks to realize the potential benefits of GenAI, through the development and deployment of GenAI tools, while balancing the risks of these new technologies. In compliance with the contract between the County and DSH, third parties or subcontractors must notify the County, in writing, if their solution or service includes, or makes available, any GenAI technology. Liberty shall complete and provide to the County, the state developed Attachment E – GenAI Disclosure & Factsheet, attached hereto and incorporated herein by this reference.

Failure to disclose GenAI to the County and submit the required Attachment E, will result in disqualification of Liberty and may void this Contract. The County reserves its right to seek any and all relief it may be entitled to as a result of such non-disclosure.

Upon receipt of Liberty's Attachment E, the State reserves the right to incorporate GenAI Special Provisions into the final contract or reject those that present an unacceptable level of risk to the State.

Liberty's indemnification obligation does not apply to claims, actions, losses, damages and/or liability caused by County Indemnities negligence or willful misconduct.

County of San Bernardino agrees to indemnify, defend (with counsel reasonably approved by Liberty) and hold harmless Liberty and its authorized officers, employees, agents and volunteers (Indemnities) from any and all claims, actions, losses, damages and/or liability arising out of or in connection with this Contract but only to the extent caused by the acts, errors, omissions or any failure by County to perform under this Contract and for any costs or expenses incurred by Liberty on account of any claim except where such indemnification is prohibited by law. County's indemnification obligation does not apply to Liberty's "negligence" or "willful misconduct."

In the event that Liberty and/or the County of San Bernardino are determined or alleged to be comparatively at fault for any claim, action, loss, or damage, that results from their respective obligations under this Contract, the County of San Bernardino, and/or Liberty, shall indemnify the other solely to the extent of its comparative fault.

G.2 Additional Insured

All policies, except for Worker's Compensation, Errors and Omissions and Professional Liability policies shall include the County of San Bernardino, the State of California, as well as their departments, officers, employees, agents and volunteers as additional insured but only with

respect to liabilities arising out of Liberty's negligence or willful misconduct, or failure to perform services hereunder. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

G.3 Waiver of Subrogation Rights

Liberty shall require the carriers of required coverages to waive all rights of subrogation against the County of San Bernardino and, the State of California, as well as their departments, officers, employees, agents, volunteers, contractors, and subcontractors. All general or auto liability insurance coverage provided shall not prohibit Liberty and Liberty's employees or agents from waiving the right of subrogation prior to a loss or claim. Liberty hereby waives all rights of subrogation against the County of San Bernardino and the State of California and the County of San Bernardino hereby waives all rights of subrogation against Liberty.

G.4 Policies Primary and Non-Contributory

All policies required herein, except for the Worker's Compensation, are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County, but only to the extent claims, damages or liabilities are caused by the acts, errors, omissions or any failure by Liberty to perform under this Contract. This primary and non-contributory requirement does not apply to claims, actions, losses, damages and/or liability caused by County Indemnities' negligence or willful misconduct.

G.5 Severability of Interests

Liberty agrees to ensure that coverage provided to meet these requirements, except for the Worker's Compensation, is applicable separately to each insured and there will be no cross-liability exclusions that preclude coverage for suits between the Liberty and the County of San Bernardino, or between the County and any other insured or additional insured under the policy.

G.6 Proof of Coverage

Liberty shall furnish Certificates of Insurance to the County Department administering the Agreement evidencing the insurance coverage at the time the Contract is executed; additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder. With the Certificates of Insurance, Liberty shall provide an endorsement indicating that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department of termination or expiration of coverage, and Liberty shall maintain such insurance from the time Liberty commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this contract, Liberty shall furnish a Certificate of Insurance and a copy of the Declaration page for all applicable policies.

G.7 Acceptability of Insurance Carrier

Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII" or a surplus lines carrier that is authorized to do business in California.

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to Risk Management.

G.9 Failure to Procure Coverage

G.10 Insurance Review

Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this contract and agreed upon by both parties. Liberty agrees to execute any such amendment within sixty (60) days of receipt or in the alternative may terminate the Contract pursuant to Section C.38.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

G.11 Liberty agrees to provide insurance set forth in accordance with the requirements herein. If Liberty uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, Liberty agrees to amend, supplement, or endorse the existing coverage to do so.

In addition to the use of structured assessments of patient response style, effort, and symptom validity as they relate to the potential that a patient is malingering and/or has cognitive dysfunction, Liberty shall integrate additional observable data reported by various disciplines on a 24/7 basis in coming to diagnoses for Patient Inmates. Full requirements for assessment and a non-exhaustive list of appropriate assessment measures are included in the Manual.

Many group topics can be assimilated into the groupings, e.g., mock trial, music-based competency treatment, etc.
