**Briefly describe the general nature of the contract:**

This amendment is for the temporary use of approximately 646 square feet of additional Federal lands for the placement of a non-ground penetrating antenna tower and a non-ground penetrating equipment shelter during the reconstruction and improvement of the existing equipment shelter and the construction of a new antenna tower at Skyland communication Site. The temporary use is authorized during the remaining 25 years eight months of the term of the Special Use Authorization agreement. The use fee for this agreement is waived under current United States Forest Service guidelines.
