Definitions

Contacts – Individual or community-based agency which HFA was discussed with by mail, email, telephone or another form of communication.

Referral – An individual who has been screened for HFA services, determined eligible for services, and recommended for services.

Enrollments – A participant is considered enrolled once the participant:

- Participates in a face-to-face visit with the home visitor at the participant's home, the place where the participant is residing or in a private setting outside the participant's home.
- Signs required HFA model consent forms.

Technical Assistance – When agencies are not meeting minimum expectations as defined in the scope of work, San Bernardino County Department of Public Health (SBCDPH) will provide monthly technical assistance calls to the agency to include:

- Discussion of possible reasons minimum expectation was not met.
- Advice on how to remove barriers to meeting minimum expectation.
- Assistance that can be offered by SBCDPH.
- Potential training needed to meet minimum expectation.

Performance Improvement Plan – Agencies are required to meet minimum expectations as defined in the scope of work to demonstrate a stable home visiting program and maximize funding levels. When an agency falls below minimum expectations as defined in a specific scope of work activity description for three (3) consecutive months, SBCDPH will initiate a Performance Improvement Plan (PIP). The procedure for a PIP is outlined below:

- On a monthly basis, SBCDPH will review caseload reports for each agency. Agencies who have fallen below minimum expectations for three (3) consecutive months will work jointly with SBCDPH to create a PIP.
- The PIP contains a SMART Expectation and monthly tracking goals towards improving caseload capacity. On a monthly basis, the agency and SBCDPH will discuss progress on the PIP until the minimum expectation has been met for a minimum of one (1) month. Reaching the minimum expectation concludes the PIP process.

Creative Outreach to Enrolled Participants – Agencies must use positive and persistent creative outreach efforts to reengage participants who are enrolled in the home visiting program but have not maintained services. The procedure for placing a participant on creative outreach is defined below:

- After one (1) month of unsuccessful attempts to schedule a home visit, creative outreach must be instituted.
 Creative outreach will include contact:
 - Every week for the first month.
 - Twice a month for the second month.
 - Once in the third month.
- If a participant is unavailable for home visits for at least thirty (30) days (i.e., they will be out of the area for a month), placement on creative outreach must be immediate.
- Participants must not be placed on creative outreach due to program issues (e.g., staff turnover, training).
- Efforts to contact participants to re-engage them in services (e.g., attempted phone calls, texts, home visits) must be documented in supervision notes and in the Efforts to Outcome (ETO) database. In addition, HFA must document creative outreach in the family file.
- Creative outreach efforts must continue for three (3) consecutive months (Ninety (90) days) unless the participant re-engages, declines services, or move from the service area.
- If participant does not re-engage with site at the end of the three (3) consecutive months (Ninety (90) days) from the time they were placed on creative outreach, dismissal is required immediately.
