

Report of Fundraising Activities

Sheriff's Benefit Rodeo 2022

The year 2000 was not only the beginning of a new millennium, but it was also the year the Sheriff/Coroner/Public Administrator's Department (Department) brought back traditional rodeo to the San Bernardino County, after a 25-year hiatus. In 2000, the Rodeo Committee's (Committee) goals were to provide wholesome, fun entertainment for adults and kids alike. These goals continue as a driving force behind this extraordinary annual event. The Sheriff's Benefit Rodeo is endorsed and sanctioned by the Professional Rodeo Cowboys Association (PRCA). A PRCA rodeo also gives the Department the opportunity to support American values, interact with children and donate to worthy causes. The Rodeo draws visitors from throughout the Inland Empire and greater Los Angeles basin. It provides a positive marketing tool that promotes both the Department and the County of San Bernardino.

The Sheriff's Benefit Rodeo 2022 was held at Glen Helen Regional Park from September 23 – September 25, 2022.

The following is an overview of how the Rodeo Committee donates to a variety of charities and encourages the participation of the Boy Scouts, Girl Scouts, COPS and the Big Brother Big Sisters of the Inland Empire. These causes would not reap the many benefits they receive each year without the commitment and generous sponsorship of businesses, groups and individuals. Highlighted below are a few of the organizations benefited by the Rodeo (a detailed list is included on the attached Exhibit A):

- The Southern California Concerns Of Police Survivors (COPS) received \$3,000.
- The Big Brothers, Big Sisters of the Inland Empire received \$4,000, in addition to participating in special events during the Rodeo.
- The Man Up Crusade which supports domestic violence awareness received \$3,000.
- The Girl Scouts received \$2,000.
- Loma Linda University Medical Center's "Tough Enough to Wear Pink" program received \$4,000.
- The Safety Employee Benefit Association (SEBA) received a total of \$2,500 for "Shop with a Cop" program.

This report conforms to County Standard Practice #06-02SP and includes an estimate of the time spent by county employees for the Sheriff's Benefit Rodeo 2022 (January 2022 to December 2022). Many of the employees involved in the Rodeo are in the exempt or safety management classification; therefore overtime compensation is not a factor. There are also well over 100 volunteers from the community, including County employee volunteers, who dedicate their time to this

worthy cause. Exhibit B provides a detail of the estimated hours spent by county employees on county time in support of the Rodeo.

The Rodeo Committee, Seven Point Inc. is a 501(c3) non-profit corporation that employs a variety of fundraising methods. The Committee solicits businesses and individuals for sponsorship opportunities and sells event tickets online and on-site. Exhibit C provides a list the Rodeo's Sponsors.

In addition to the actual rodeo events, the Committee also sponsors a Camporee for the Boy Scouts at Glen Helen Regional Park, including payment of \$11,600 in park fees. The Committee pays for park staff, trash removal, park rental, portable restroom rental, and meals for Camporee volunteers. Scouts may sell Camporee tickets, keeping a portion of the proceeds for their troop. This generates approximately \$40,000 per year for the Scouts. There is also a special Rodeo performance on Saturday just for the Scouts.

Aside from this annual event, the Committee maintains the rodeo facilities located at Glen Helen Regional Park year-round for use by the San Bernardino County 4H Club, at no charge.

As in years past, the Sheriff's Benefit Rodeo 2022 provided a wholesome family event that reinforced the traditional American values that have made our country strong. We look forward to serving the County with even greater success in the years to come.
