The Project Compensation shall be considered earnable compensation and shall be considered part of the Contractor's regular rate of pay for purposes of calculating overtime, if applicable. Such increases in pay shall not affect the Contractor's step advancement in the base salary range.

It is important to obtain Director of Human Resources review of the request in advance of the date the Contractor begins the assignment, because there is no guarantee the request will be approved. If the Contractor leaves employment prior to repayment of overage, the Auditor-Controller/Treasurer/Tax Collector's Office shall recover the amount owed from the Contractor's final pay. If the amount owed is greater than the Contractor's final pay, the Auditor-Controller/Treasurer/Tax Collector shall initiate the collections process against the Contractor.

In those situations where the Contractor has been underpaid by seven and one-half percent (7 1/2%) or more of the Contractor's base pay in the immediately preceding pay period, through no fault of their own, the Contractor may request an on-demand warrant to correct the error. The departmental payroll section shall complete the request for payroll adjustment and forward it and

any necessary approval of the Appointing Authority to the Auditor-Controller/Treasurer/Tax Collector within one (1) working day of receipt of the Contractor's request. The Auditor-Controller/Treasurer/Tax Collector's Office shall pay the Contractor the amount due within two (2) working days of receipt of the request for payroll adjustment from the department. For this Section, base pay shall be determined by multiplying the Contractor's base rate of pay by the number or hours in their usual work schedule.
