WHEREAS, the parties acknowledge a desire to contribute to health-related education for the benefit of Resident(s) and to meet community needs;

WHEREAS, it is to the benefit of the parties that those in the GME Programs have the opportunity for clinical experience to enhance their capabilities as practitioners;

WHEREAS, the facilities of each party have unique attributes that are of benefit to Residents in their training, and the parties have agreed that Residents in the residency program at ARMC should participate in clinical rotations at Receiving Site and its facilities; and

WHEREAS, Receiving Site has agreed to accept certain specified Residents of ARMC for training in accordance with the terms and conditions of this Agreement; and

NOW, THEREFORE, the parties hereto enter into this Agreement as a full statement of their respective responsibilities during the term of this Agreement, and in consideration of the representations made above and the covenants and conditions set forth herein, the parties agree as follows:

I. General Information

A. General Relationship

Based upon the terms and conditions set forth in this Agreement, Receiving Site shall make its facilities available to Residents from ARMC for the purpose of participating in a rotation and receiving clinical training and supervision in the specific specialties agreed upon by the parties and for which the parties have entered into a Program Letter of Agreement (“PLA”)(Exhibit A). The number of ARMC Residents, the duration of rotation, and schedule for the rotations at Receiving Site in the respective medical specialties shall be determined based on the pertinent PLAs and mutual agreement by the ARMC residency program director for applicable specialty and the Site Director at Receiving Site. All actions taken as a result of this Agreement shall be in accordance with the Receiving Site and ARMC rules and regulations that are in effect during the term of the Agreement.

B. Standards of Operations

The parties, at their own expense, shall operate and maintain their respective facilities in accordance with the standards prescribed and maintained by TJC, state and federal law, and other applicable accrediting agencies.

The parties shall each assume sole responsibility for the accreditation of their respective GME program(s) they sponsor (if any) and for obtaining required approval in accordance with the standards prescribed by the ACGME or TJC. During the term of this Agreement, both parties agree to comply with all such applicable ACGME or TJC standards for residency training, the Program Letters of Agreement between the parties relating to the pertinent specialty, and to collaborate as may be required for accreditation purposes.

C. ACGME Affiliation Approval

The parties understand and agree that if this Agreement is not acceptable to and/or is found not to meet the standards prescribed by the ACGME at any time, now or in the future, this Agreement shall be immediately terminated upon written notice by one party to the other party.

D. Licenses

The parties shall, through the term of this Agreement, maintain any license(s) or verify the maintenance of such license(s) necessary for the provision of the Resident(s) services hereunder as required by the laws and regulations of the United States, the State of California, County of San Bernardino and all other applicable governmental agencies and accrediting bodies. Each party shall notify the other party immediately in writing of its inability to obtain or maintain such license(s). Said inability shall be cause for immediate termination of this Agreement as determined solely by the party receiving such notice; the prior 30 day advanced written notice of termination set forth in Section XII of this Agreement shall not be required.

C. Patients

The parties agree that all patients of Receiving Site may be part of the clinical training program, if agreed to by the patient's treating physician and the patient.
