The Subrecipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the Subrecipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

15. VOCA Requirements

The Subrecipient must comply with the conditions of the Victims of Crime Act (VOCA) of 1984, sections 1404(a)(2), and 1404(b)(1) and (2), 34 U.S.C. 20103(a)(2) and (b)(1) and (2) (and the applicable program guidelines and regulations), as required.

16. Demographic Data

The Subrecipient must collect and maintain information on race, sex, national origin, age, and disability of victims receiving assistance, where such information is voluntarily furnished by the victim.

17. Performance Reports

COAOC – VOCA – Cal OES 2-104f (Revised 7/2021)

The Subrecipient must submit quarterly performance reports on the performance metrics identified by OVC, and in the manner required by OVC. This information on the activities supported by the award funding will assist in assessing the effects that VOCA Victim Assistance funds have had on services to crime victims within the jurisdiction.

18. Access to Records

The Subrecipient must authorize the Office for Victims of Crime (OVC) and/or the Office of the Chief Financial Officer (OCFO), and its representatives, access to and the right to examine all records, books, paper, or documents related to the VOCA grant.

19. All Subawards ("Subgrants") must have specific federal authorization

The Subrecipient must comply with all applicable requirements for authorization of any Subaward. This condition applies to agreements that – for purposes of federal grants administrative requirements – OJP considers a "Subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any Subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All Subawards ("Subgrants") must have specific federal authorization), and are incorporated by reference here.

20. Unreasonable restrictions on competition under the award; association with federal government

This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used.

a. No discrimination; in procurement transactions, against associates of the federal government

Consistent with the (DOJ) Part 200 Uniform Requirements – including as set out at 2 C.F.R. 200.300 (requiring awards to be "manage[d] and administer[ed] in a manner so as to ensure that Federal funding is expended and associated programs are implemented in full accordance with U.S. statutory and public policy requirements") and 200.319(a) (generally requiring "[a]ll procurement transactions [to] be conducted in a manner providing full and open competition" and forbidding practices "restrictive of competition," such as "[p]lacing unreasonable

requirements on firms in order for them to qualify to do business" and taking "[a]ny arbitrary action in the procurement process") – no Subrecipient may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

b. Monitoring

The Subrecipient's monitoring responsibilities include monitoring of compliance with this condition.

c. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

d. Rules of construction

- 1) The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government – as an employee, contractor or subcontractor, grant Subrecipient or Subrecipient, agent, or otherwise – in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.
- 2) Nothing in this condition shall be understood to authorize or require any Subrecipient or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

21. Determination of suitability to interact with participating minors

This condition applies to this award if it is indicated – in the application for the award (as approved by DOJ), the DOJ funding announcement (solicitation), or an associated federal statute – that a purpose of some or all of the activities to be carried out under the award is to benefit a set of individuals under 18 years of age.

The Subrecipient must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

22. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination – 28 C.F.R. Part 42

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

23. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

24. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to

Subrecipient organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to Subrecipients and Subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi->

bin/ECFR?page=browse), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

25. Restrictions on "Lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the Subrecipient, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the Subrecipient to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, Subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a Subrecipient would or might fall within the scope of these prohibitions, the Subrecipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

26. Subgrant Award Report (SAR)

The Subrecipient must submit a SAR to OVC for each Subrecipient of the VOCA victim assistance funds, within ninety (90) days of awarding funds to the Subrecipient. Subrecipients must submit this information through the automated system.

27. Effect of Failure to Address Audit Issues

The Subrecipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the Subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this Grant Subaward), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

28. Additional DOJ Awarding Agency Requirements (2018, 2019, & 2020)

The Subrecipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the Subrecipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

29. Hiring Documents

The Subrecipient must keep, maintain, and preserve all documentation (such as Form I-9s or equivalents) regarding the eligibility of employees hired using the fund.

All appropriate documentation must be maintained on file by the Subrecipient and available for Cal OES or public scrutiny upon request. Failure to comply with these requirements may result in suspension of payments under the grant or termination of the grant or both and the Subrecipient may be ineligible for Subaward of any future grants if the Cal OES determines that any of the following has occurred: (1) the Subrecipient has made false certification, or (2) violates the certification by failing to carry out the requirements as noted above.

CERTIFICATION

I, the official named below, am the same individual authorized to sign the Grant Subaward [Section 15 on Grant Subaward Face Sheet], and hereby swear that I am duly authorized legally to bind the contractor or grant Subrecipient to the above described certification. I am fully aware that this certification, executed on the date and in the county below, is made under penalty of perjury under the laws of the State of California.

Grant Subaward Budget Narrative

Grant Subaward #: UV21 06 0360

Subrecipient: San Bernardino County District Attorney

The proposed budget provides for funding in the amount of \$265,210 for a specialized Unserved/Underserved Victim Advocacy and Outreach unit with 3.0 FTE staff members. Two full-time Victim Advocate II's and one full-time Victim Advocate I will provide direct services to victims. Advocates are trained and experienced in working with victims and coordinating services and will specialize in serving victims from the unserved/underserved lesbian, gay, bi-sexual, transgender, and questioning (LGBTQ) populations.

Advocates are qualified with the experience, skills, and training to perform a variety of direct and indirect services for crime victims. Victim Advocate I's are expected to have education equivalent to an Associate's Degree in psychology, sociology, criminal justice, behavioral or social science, as well as one year of experience which includes face to face interviews, making referrals, maintaining case records, and determining eligibility for social services. In addition to the education and experience listed above, Victim Advocate II's are expected to have two years of experience providing advocacy services. Supervising Victim Advocates have the same educational guidelines as above, but are expected to have three years of experience plus lead or supervisory experience.

Plan

San Bernardino County is the largest county in the contiguous United States, encompassing 24 incorporated cities and 72 unincorporated communities within an area of over 20,000 square miles and a population of over 2.1 million residents. The county has three distinct areas: the west valley, central, and desert region. 44 victim advocates provide services to a diverse population of Hispanic non-white, White, African American, Asian, Native American, Pacific Islander and Multi-Race residents. Considering the geographical size, population and crime rate, the program has not experienced a decline in the number of victims needing assistance. The Bureau of Victim Services advocates receive referrals from law enforcement agencies, domestic violence shelter agencies, 227 Deputy District Attorneys, other County departments including the hospitals and community-based organizations.

The National Coalition of Anti-Violence Programs (NCAVP) reported in 2017 that they had recorded 52 hate violence related homicides of LGBTQ and HIV affected people. The number of hate violence related homicides represents a 86% increase in single incident homicide reports from 2016. In 2017, NCAVP also reported that there had been nearly one homicide a week of an LGBTQ person in the U.S. In San Bernardino County, due to the existing and ever emerging

street gangs there is a potential to see more hate crimes reported that target people of color and gender diversity. Because of this, we could see more reported hate crimes committed against the LGBTQ community.

The San Bernardino County District Attorney's Office Bureau of Victim Services previously housed two full-time victim advocates at the Arrowhead Regional Medical Trauma Center (ARMC Trauma Center) who provided assistance to victims of crime from the LGBTQ community. In February 2013 we expanded our program to place a greater focus on the high desert region of our county and one of the ARMC Trauma Center advocates was relocated to the Victorville District Attorney's Office. In 2016, our program was able to expand to the west valley region of our county in part to receiving a larger grant award. The full-time victim advocates, at each location, will continue to provide services to the underserved crime victims in the high desert, central valley, and west valley regions of the county. Victim advocates will offer all mandatory and optional services such as crisis intervention that will include immediate, short-term emotional and physical care for victims both in-person, by telephone contact or video conferencing, emergency needs assessment, community resource referrals, assistance with completion of the California Victim Compensation Board program application, orientation to the criminal justice system; Assistance

will also include case management, assistance with victim impact statements, arrange for transportation to court and criminal justice offices as well as court accompaniment and assistance in securing child care in order for the victim to attend court. The victim advocate assigned to ARMC will continue to work in the Trauma Center, assisting crime victims requiring medical services as they arrive from all over the county, or are brought in by law enforcement officers. The victim advocate will provide immediate crisis intervention that will include immediate, short-term emotional and physical care for victims both in-person and by telephone contact, services may include crisis counseling, accompaniment during medical exams, referrals to qualified professional counselors and/or counseling agencies, victim compensation claim assistance, orientation to the criminal justice system, emergency needs assessment, relocation, and criminal case notification.

The goal of our Unserved/Underserved Victim Advocacy & Outreach Program is to improve upon and provide immediate services to crime victims of all crime types in the high desert region, central valley, west valley region, and to victims that arrive as patients at the ARMC Trauma Center. We will increase our efforts to identify and reach out to the underserved victims throughout the county. Our plan is to continue to advance our LGBTQ victim services programs at the ARMC

Trauma Center, both the high desert and west valley regions through improved victim advocacy. We will continue to increase our knowledge and awareness when working with victims that are members of the LGBTQ community and be better able to recognize culturally significant and gender sensitive issues that arise and handle them appropriately. By increasing our knowledge, awareness and sensitivity, we will be better able to provide all mandatory services to victims of the LGBTQ community. We will also be able to act as a liaison between the victim and medical staff, law enforcement, the victim's family, and community with a more compassionate and understanding approach. Another program goal is to continue to help the crime victim towards healing from the trauma, guide them through the criminal justice system, and restore their faith in a system that may have disregarded them and possibly even treated them poorly in the past.

The victim advocate assigned to the ARMC Trauma Center will continue to employ the following best practices to streamline the delivery of services to crime victims from our underserved populations: When a victim arrives at the ARMC, the victim advocate will introduce themselves and offer services immediately. An intake face page will be completed by the victim advocate in addition to the application for the California Victim Compensation Program.

Grant Subaward Programmatic Narrative

The victim advocate will accompany the victim during the medical exam and/or law enforcement interviews at the victim's request. A thorough needs assessment of the victim will be completed by the victim advocate, after which the victim advocate will make applicable referrals to both emergency resources and to community-based programs.

The victim advocate will provide a criminal justice system orientation, assistance with victim impact statements, assistance in securing childcare so that the victim can attend court and arrange for travel and accompaniment to court and criminal justice offices if the case is filed by the District Attorney's office. If the victim is admitted to the hospital as an in-patient, the ARMC Trauma Center victim advocate will follow up with the victim each day they are in the hospital, and if necessary, will provide further crisis counseling and a needs assessment. If the victim is not admitted to the hospital, the victim advocate will provide follow-up services as needed. If the victim is first seen in the high desert or west valley region, the victim advocate will be assigned to remain with the victim throughout the criminal proceedings to post trial. All victims receive a Marsy's card which lists all their rights under Marsy's Law and all questions regarding their rights as victims will be answered by the victim advocate. Following the above best service protocol has proven to be most effective in providing

comprehensive services to crime victims. During the fiscal year 19/20 our office was significantly impacted by the Covid-19 Pandemic. The Pandemic forced us to make changes in the manner that we provided services to victims of crime. We implemented the use of virtual technology to reach out to victims and continued to provide in-person assistance for the victims who had emergency needs such as funeral and burial assistance as well as food and clothing needs. Our office also coordinated with the Courts and created virtual courtrooms for victims and families to have the opportunity to view the hearings from a satellite office located in the District Attorney's Office. Once the courts made the decision to fully operate victim advocates provided court support to those victims who had to testify at the preliminary hearing or trial; victim advocates also provided court support during the sentencing hearing. We will continue to offer services in-person, by phone or video conferencing; and we will follow the preferred method of communication by the victim that we are serving to ensure we provide the most comfortable setting.

We have taken steps to meet the Cultural competency of victim advocate staff assigned to the ARMC Trauma Center and both the high desert and west valley divisions of the District Attorney's Office. The victim advocates have completed both the 40-hour Entry and Advanced Level Advocate training. We continue to

have partnerships with the CSUSB Pride Center, University of Redlands Pride Center, Foothill AIDS Project offices in San Bernardino, Claremont and Hesperia, and an ongoing partnership with the San Bernardino County Department of Behavioral Health Office of Cultural Competence & Ethnic Services. The victim advocates assigned to the project will continue to obtain additional training through these partnerships as it becomes available. The victim advocates will participate in site visits, make phone calls when necessary and will remain in communication with these centers on a regular basis to discuss available trainings and ways we can be of assistance to them, including providing virtual presentations on the services available through the Bureau of Victim Services and attend outreach fairs and community events. Every agency that supports the LGBTQ community has a supply of our LGBTQ Victim Services brochures and business cards. In the last year the victim advocates have continued to attend meetings with all the agencies listed who provide assistance to those in the LGBTQ community. It is our goal to continue attending meetings and sharing information on ways that we can better serve the community and it also provides an opportunity to network and address any issues that may have arisen.

Victim advocates trained in cultural competency and LGBTQ gender sensitivity will provide in-service training to the Bureau of Victim Services staff, District Attorney staff, ARMC staff, all law enforcement agencies and community-based organizations within the County of San Bernardino. An outreach brochure was designed and printed specifically to raise awareness of the special victim service needs of the underserved population. The brochures are available at the ARMC Trauma Center, CSUSB Pride Center, University of Redlands Pride Center and Foothill AIDS Project offices in San Bernardino, Claremont and Hesperia and all District Attorney Victim Services centers. To further our goals, the advocates assigned to the grant will continue to participate in San Bernardino County's Department of Behavioral Health Office of Cultural Competence & Ethnic Services LGBTQ Subcommittee. During fiscal year 2018/2019, a victim advocate assigned to the grant worked on aforesaid sub-committee to develop a resource guide and a safe, professional, and cordial relationship with the LGBTQ community. During fiscal year 19/20 we added one of our victim advocates to the underserved grant who was also part of the campus advocacy and outreach team. For 2022, we will continue to have the advocate on the grant assigned to the campus advocacy and outreach team. Through our extensive contact and partnerships with the colleges and universities in our County, we

believe that our advocates will be able to raise awareness of the services available through our program and it will provide an opportunity to reach out many students from the underserved community who need special assistance. The Bureau of Victim Services currently maintains an extensive community referral resource list. The list is regularly updated by the regional office assistants, and it includes mental health care providers, support groups, domestic violence shelters, dental and physical therapy providers, crime scene clean up providers, funeral and burial providers, and resources to various government agencies such as behavioral health and law enforcement. The District Attorney's Office also maintains a resource list that is available on our website. Resources include law enforcement agencies, district attorney's offices, legal aid resources, sexual assault service centers and domestic violence centers and TRO (Temporary Restraining Orders) assistance information. The community referral list was also updated to include medical care providers, county social services and child protective services agencies.

The victim advocates will continue to be trained in cultural sensitivity which has proven to be effective with providing assistance in a compassionate manner to same sex domestic violence victims. If the victim initially receives services at the ARMC Trauma Center, the victim advocate at the Trauma Center will transition

underserved clients to court-based victim advocates if a criminal case is filed. Underserved clients will be advised of their rights as crime victims and receive a Marjorie's rights card. Domestic violence occurs within same-sex relationships just as it does in heterosexual relationships, therefore the need for advocating with sensitivity and awareness is greater than ever. People in the LGBTQ community are more reluctant to seek help for fear of judgment and possibly harsh treatment by peace officers or attorneys. They also fear insensitivity or being exposed before they are ready to do so themselves. Understanding and acceptance of the LGBTQ community will encourage victims to seek help, improving the victim's willingness to cooperate with and restoring their faith in the criminal justice process.

Operational Agreements are in effect with Barstow, Chino, Colton, Fontana, Montclair, Ontario, Redlands, Rialto, San Bernardino and Upland police departments, the San Bernardino County Sheriff's Department and California Highway Patrol. We also have Operational Agreements with local domestic violence centers- Desert Sanctuary, House of Ruth, Option House and DOVES (Domestic Violence Education and Services); Partners Against Violence (sexual assault services agency); San Bernardino County Children's Network and Department of Children and Family Services and Arrowhead Regional Medical

Center. Each Operational Agreement contains original signatures, titles, agency names for both parties and effective dates.

Volunteers are recruited through the District Attorney website and through the outreach efforts made by our staff at local community centers and at various college campuses. Individuals interested in volunteering contact the volunteer coordinator and are given complete information and instructions as to the process of volunteering and what the volunteering position entails. All prospective volunteers are required to complete an application that is screened by the volunteer coordinator. The volunteer coordinator and a supervising victim advocate will interview the volunteer, asking a series of questions regarding their interest in our program and experience they have working with victims. The District Attorney's Bureau of Investigations conducts a background check on qualified candidates and the individual is fingerprinted by the San Bernardino County Sheriff's Department. Once the applicant has received background clearance, they are then required to attend a 4-hour CLETS/Computer use training. The volunteers are then trained on the job and assist by requesting police reports, contacting victims for missing information for claims, updating cases, translating, sending victim contact letters and assisting the victim advocate in court. Volunteers are required to complete a weekly

1980 and our department has a successful history of collaboration with other agencies including law enforcement, community-based organizations, and other governmental agencies through our advocacy work. Currently we have on file 25 operational agreements. Among them are law enforcement agencies, domestic violence centers, children's services and a sexual assault services center; most of the operational agreements have been in effect for at least 16 years. The number of years and number of collaborating agencies demonstrates the high quality of service we provide. To address outreach efforts to partnering agencies, we will contact each of our current collaborative partners to discuss our Unserved/Underserved Victim Advocacy & Outreach Program. We will also actively continue to seek new partners to assist the unserved/underserved victims of crime in San Bernardino County. With the plan we have in place, advocates placed in regional district attorney offices and the Arrowhead Regional Trauma Center; collaboration with agencies providing assistance to the LGBTQ community; the outreach efforts by the advocates and the on-going training that they receive, we believe this plan will be sustainable and will allow the Program to continue following the end of the five-year fund cycle.

In April 2013, during National Crime Victims' Rights Week we launched the One Call Now Marsy's notification system. Upon the filing of a criminal case, the system provides a telephonic notification to victims of crime informing them that they have rights under Marsy's Law and directs them to the District Attorney website for detailed information on those rights. We have an office assistant who is assigned to ensuring that the notifications are sent out daily. In June of 2014, The National Association of Counties (NACO) selected our County to receive an Achievement Award for the District Attorney's implementation of the One Call Now, Marsy's notification system.

The District Attorney's Office has a contract with the California Victim Compensation Board which provides partial funding for four claims technicians and two clerical staff members. The claims unit staff assist in processing applications for the State Victim Compensation and Government Claims Board, for victims seeking recovery of economic losses as a result of a crime (i.e., funeral/burial, medical bills, counseling, etc.). Staff process claims for payments, verifies services and billing invoices, and process requests for the disbursement of emergency funds.

Our budget proposal consists of 3.0 FTE victim advocate positions. The victim advocates will be supervised by supervising victim advocates funded through another grant program and from the district attorney's general fund.

The Bureau of Victim Services and the District Attorney's Information Technology department developed a comprehensive database which tracks the number of victims assisted and types and number of services provided. This database will continue to be used to track new and returning victims and the services provided to each victim; the performance measures can be easily collected from the database for the quarterly reports that are needed for the submission of service stats into the performance measurement tool required by the Office for Victims of Crime (OVC). Supervising victim advocates, victim advocates and office assistants update the database each time contact is made with a victim and services have been provided. For each victim, the database contains their name, address, e-mail address, telephone number, date of birth and crime type and services provided. Any supervising victim advocate, victim advocate or office assistant that has contact with a victim will be able to immediately identify when and what type of previous contact has been made and what services have been provided to that victim. This information will be used for reporting performance measures for the grant. Supervising victim advocates

can monitor the database at any time and can run reports. Caseloads are monitored throughout the grant year to assess needs and determine where advocates are needed; this enables us to focus on where our services are needed most, all of which are dependent upon the needs of victims.

The victim advocates will provide in-service trainings on cultural competency to the Bureau of Victim Services staff, the district attorney staff, law enforcement and community-based organizations. An outreach brochure was designed to raise awareness of the special victim service needs of the underserved population described and will continue to be distributed by the victim advocate assigned to the Arrowhead Regional Medical Center and the victim advocates in all district attorney offices to victims of crime and all law enforcement agencies, victim service provider agencies, colleges, county departments and at resource fairs.

Victim Advocates will provide in-service training on cultural competency pertaining to LGBTQ victims. One of the victim advocates assigned to the UV grant participated as a panel expert and shared a personal story during the County Pride training that was hosted by the County Department Diversity Committee. The said victim advocate has been a great resource for not only

our staff but members of the community as well and will continue to participate as a panel expert when called upon.

The victim advocates have met with staff from Parents and Families of Lesbians and Gays (PFLAG), the Gay and Lesbian Center in Los Angeles, CSUSB LGBTQ Survivors center, University of Redlands Pride Center and the Foothill AIDS Project offices in San Bernardino, Claremont, and Hesperia. We are partnering with these agencies and have discussed how to provide services and outreach opportunities to our underserved populations, as well as training components for our staff. The victim advocates will continue to be trained in Cultural sensitivity which has proven to be effective in providing assistance in a compassionate manner to same sex domestic violence victims.

The District Attorney's Office Bureau of Victim Services pioneered an original approach for serving the unserved/underserved population by placing a victim advocate in the Arrowhead Regional Medical Center's emergency room (San Bernardino County's premier trauma center) that serves all cultures and ethnicities. All underserved populations including the LGBTQ community receive services at the Arrowhead Regional Medical Center. The Unserved/Underserved Victim Advocacy & Outreach Program will focus on service delivery to victims of violent crime within the unserved/underserved and socially isolated populations

including, but not limited to, those historically underserved due to race, socio-economic status, disability or sexual orientation. Examples of targeted populations are high crime communities: communities of immigrants with limited English proficiency; Native Americans; persons with disabilities and/or deaf or hard-of-hearing; or members of LGBTQ populations. The specific needs of these groups, especially victims in the LGBTQ community, can be misunderstood by the community. There are cultural barriers and a lack of understanding of the LGBTQ culture in general, and consequently victims are not always treated with the proper levels of compassion, understanding or respect.

COUNTY AND CHIEF EXECUTIVE OFFICER GOALS & OBJECTIVES

Provide for the Safety, Health and Social Service Needs of County Residents.

Pursue County Goals and Objectives by Working with Other Agencies and Stakeholders.

FINANCIAL IMPACT

The grant funding request of \$228,334 for the San Bernardino County Unserved/Underserved Victim Advocacy and Outreach Program (UV Program) requires a local cash match of \$36,876. This match will be funded from the District Attorney's (Department) existing budget without the need for additional Discretionary General Funding (Net County Cost). The Grant and local match amount, which total \$265,210, will be used to fund the UV Program's staffing costs (one Victim Advocate I and two Victim Advocate IIs). Appropriation and revenue for this grant were included in the Department's 2021-22 budget and will be included in the 2022-23 recommended budget.

BACKGROUND INFORMATION

The Department provides services to victims of violent crime within the County's underserved population due to race, socio-economic status, disability, or sexual orientation. Target populations for these victim services include urban, high crime communities; communities of immigrants with limited English proficiency; American Indians; persons with disabilities and/or deaf or hard-of-hearing; and/or members of the Lesbian, Gay, Bisexual, and Transgender populations. Grant funds received from California Office of Emergency Services (Cal OES)

have assisted the Department in providing services that immediately respond to the victim's emotional and physical needs (excluding medical care) such as accompaniment to medical examinations, hotline counseling, emergency food, clothing, transportation, shelter, and other emergency services that are intended to restore the victim's sense of dignity and self-esteem.

On September 17, 2021, Cal-OES announced its intention to release grant funds for the UV Program. The competitive application process is open to all qualifying agencies. If this application is successful, the Department will return to the Board of Supervisors (Board) for acceptance of the grant award in accordance with County policy. The Department has been receiving grant funds from Cal-OES annually for this program since 2010.

The Cal-OES Recipient Handbook, Section 1350, requires all grant recipients to obtain written authorization, in the form of a resolution or letter from the Board, that the official executing the agreement is, in fact, authorized to execute the document. Recipients must maintain this written authorization on file and make it available upon demand during audits. Historically, Cal-OES has requested that each county's District Attorney be the authorized official to execute the grant documents.

PROCUREMENT

The 2021 Subrecipient Handbook Section 3000 provides direction for contracts and procurement bids. The Department will follow the Subrecipient Handbook and County Policy 11-04 for any contracts or procurements for services or supplies paid with grant funds.
