<p><b>1. PROBLEM STATEMENT</b></p> <p>The San Bernardino County Probation Department’s High-Risk Drunk Driving Supervision Unit provides over 180 probationers with a high level of supervision. Since its inception in 2006, the unit has consistently developed strategies and policies that decrease recidivism or new DUI arrests. Efforts by this unit have not only reduced new DUI offenses but also helped send out a unified message to the community that drunk drivers will be targeted. This unified effort consists of the Probation Department working closely with the Courts, Sheriff, city police departments and CHP, working with community programs focused on decreasing drunk driving, warrant sweeps, instituting the use of an alcohol monitoring system countywide, and working with DMV to cite/arrest those driving with suspended or revoked license. In San Bernardino County, the number of felony convictions for DUIs increased from 241 in 2015 to 267 in 2016 and the number of misdemeanor convictions dropped from 5,053 in 2015 to 4,945 in 2016. It remains apparent that the Probation Department has a clear role going forward in working with those offenders who can be helped and maintaining more intensive supervision of those who are likely to re-offend. This grant has made it possible for the Probation Department to have a dedicated team of officers working high risk drunk driving offenders. Without the assistance of this grant the high risk offenders would be absorbed by other regular caseloads. They would not be supervised by officers with specialized training in identifying and working with alcohol involved offenders. The grant allows for these offenders to receive intense supervision on smaller caseloads by officers trained to deal with these specific offenders. These intensive supervision techniques include regular alcohol testing, regular compliance checks, surprise compliance checks on weekends and special operations, and alcohol monitoring.</p>	
<p><b>2. PERFORMANCE MEASURES</b></p> <p><b>A. Goals:</b></p> <ol style="list-style-type: none"> <li>1. Reduce the number of persons killed in traffic crashes.</li> <li>2. #### Media Requirements

- The following requirements are for all grant-related activities
- Send all media advisories, alerts, videos, graphics, artwork, posters, radio/PSA/video scripts, storyboards, digital and/or print educational materials for grant-related activities to the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) for approval and copy your OTS coordinator. Optimum lead time would be 7 days before the scheduled release but at least 3 business days prior to the scheduled release date for review and approval is appreciated.
- The OTS PIO is responsible for the approval of the design and content of materials. The agency understands OTS PIO approval is not authorizing approval of budget expenditure or cost. Any cost approvals must come from the Coordinator.
- Pre-approval is not required when using any OTS-supplied template for media advisories, press releases, social media graphics, videos or posts, or any other OTS-supplied educational material. However, copy the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) and your OTS coordinator when any material is distributed to the media and public, such as a press release, educational material, or link to social media post. The OTS-supplied kick-off press release templates and any kickoff press releases are an exception to this policy and require prior approval before distribution to the media and public.
- If an OTS-supplied template, educational material, social media graphic, post or video is substantially changed, the changes shall be sent to the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) for approval and copy to your OTS Coordinator. Optimum lead time would be 7 days prior to the scheduled release date, but at least 3 business days prior to the scheduled release date for review and approval is appreciated.
- Press releases, social media posts and alerts on platforms such as NextDoor and Nixle reporting immediate and time-sensitive grant activities (e.g. enforcement operations, day of event highlights or announcements, event invites) are exempt from the OTS PIO approval process. The OTS PIO and your Coordinator should still be notified when the grant-related activity is happening (e.g. car seat checks, bicycle rodeos, community presentations, DUI checkpoints, etc.).
- Enforcement activities such as warrant and probation sweeps, court stings, etc. that are embargoed or could impact operations by publicizing in advance are exempt from the PIO approval process. However, announcements and results of activities should still be copied to the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) and your Coordinator with embargoed date and time or with "INTERNAL ONLY: DO NOT RELEASE" message in subject line of email.
- Any earned or paid media campaigns for TV, radio, digital or social media that are part of a specific grant objective, using OTS grant funds, or designed and developed using contractual services by a subgrantee, requires prior approval. Please send to the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) for approval and copy your grant coordinator at least 3 business days prior to the scheduled release date.
- Social media posts highlighting state or national traffic safety campaigns (Distracted Driving Month, Motorcycle Safety Awareness Month, etc.), enforcement operations (DUI checkpoints, etc.), or any other grant-related activity such as Bicycle rodeos, presentations, or events, are highly encouraged but do not require prior approval.
- Submit a draft or rough-cut of all digital, printed, recorded or video material (brochures, posters, scripts, artwork, trailer graphics, digital graphics, social posts connected to an earned or paid media campaign grant objective) to the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) and copy your OTS Coordinator for approval prior to the production or duplication.

- Use the following standard language in all press, media, and printed materials, space permitting: Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
- Space permitting, include the OTS logo on all grant-funded print materials, graphics and paid or earned social media campaign grant objective; consult your OTS Coordinator for specifics, format-appropriate logos, or if space does not permit the use of the OTS logo.
- Email the OTS PIO at [pio@ots.ca.gov](mailto:pio@ots.ca.gov) and copy your OTS Coordinator at least 21 days in advance, or when first confirmed, a short description of any significant grant-related traffic safety event or program, particularly events that are highly publicized beforehand with anticipated media coverage so OTS has sufficient notice to arrange for attendance and/or participation in the event. If unable to attend, email the OTS PIO and coordinator brief highlights and/or results, including any media coverage (broadcast, digital, print) of event within 7 days following significant grant-related event or program. Media and program highlights are to be reflected in QPRs.
- Any press releases, work plans, scripts, storyboards, artwork, graphics, videos or any educational or informational materials that received PIO approval in a prior grant year needs to be resubmitted for approval in the current grant year.
- Contact the OTS PIO or your OTS Coordinator for consultation when changes from any of the above requirements might be warranted.

### **RESTRICTION ON STATE LOBBYING**

Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.
