ARMC Psychiatry Residency Program
PROGRAM LETTER OF AGREEMENT**

This document serves as the required ACGME Program Letter of Agreement between San Bernardino County on behalf of Arrowhead Regional Medical Center (ARMC) and Total Longterm Care, Inc. DBA InnovAge California PACE – Inland Empire

This document serves as an agreement between ARMC as Sponsoring Institution for the Psychiatry Residency Program and Total Longterm Care, Inc. DBA InnovAge California PACE – Inland Empire (InnovAge) as the Participating Site for residency education for the rotation of Geriatrics.

This Program Letter of Agreement (PLA) is contingent upon and effective upon full execution by the parties of the Affiliation Agreement for Residency Rotations (“Affiliation Agreement”) to which this PLA is attached and the term will run concurrently with the Affiliation Agreement. This PLA may be terminated by either party for any reason with 30 days written advance notice.

1. Persons Responsible for Education and Supervision

At ARMC (Sponsoring Site): Kedarnath Challakere, MD

At InnovAge (Participating Site): Seema Siraj, MD

The above mentioned people are responsible for the education and supervision of the ARMC Psychiatry residents while on a rotation at InnovAge.

2. Responsibilities

The faculty at InnovAge must provide appropriate supervision of the ARMC residents in patient care activities and maintain a learning environment conducive to educating the residents in the ACGME competency areas. The faculty must evaluate resident performance in a timely manner during each rotation or similar educational assignment and document this evaluation at completion of the assignment.

3. Content and Duration of the Educational Experiences

The content of the educational experiences has been developed according to ARMC’s residency program requirements and include the following goals and objectives:

Goals: During this experience, the resident is expected to become familiar with:

1. Diagnosis and management of mental disorders in geriatric patients with coexistent medical disorders;
2. Diagnosis and management, including management of the cognitive component, of degenerative disorders;
3. Basic neuropsychological testing of cognitive functioning In the elderly; and,
