1. School agrees that the County is not to assume, nor shall it assume by this Agreement, liability under any applicable Workers' Compensation Law for, by, or on behalf of any students while said students are on the premises of the County performing any duty under the terms of this Agreement and School agrees to indemnify, defend and hold the County harmless with respect thereto as provided herein.
2. School agrees to maintain insurance policies or a self-insurance program in amounts sufficient to satisfy its indemnification obligations as set forth in Section III and IV of this Agreement.
3. Students participating in the internship program are not County officers, employees, agents, or volunteers, and as such, the County's worker's compensation benefits will not be extended to the student. The County does not provide professional liability coverage for student interns. All student interns who provide clinical services must be either covered by the School's professional liability insurance or carry their own professional liability insurance with combined single limits of \$1,000,000 and \$2,000,000 in the aggregate.

4. Additional Insured – All policies, except for the Workers' Compensation, General Liability, Cyber Liability, Errors and Omissions and Professional Liability policies, shall contain endorsements naming the County and its officers, employees, agents and volunteers as additional insureds with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.
5. Waiver of Subrogation Rights

School shall require the carriers of required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, contractors, and subcontractors. All general or auto liability insurance coverage provided shall not prohibit the School and School's employees or agents from waiving the right of subrogation prior to a loss or claim. The School hereby waives all rights of subrogation against the County.
6. Policies Primary and Non-Contributory

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.
7. Severability of Interests

School agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the School and the County or between the County and any other insured or additional insured under the policy.
8. Proof of Coverage

School shall furnish Certificates of Insurance to the County Department administering the agreement evidencing the insurance coverage at the time the agreement is executed. Additional endorsements, as required, shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and School shall maintain such insurance from the time School commences performance of services hereunder until the completion of such services. School shall make available insurance documents for review/inspection at its Office of Risk Management complete certified copies of the policies and endorsements immediately upon request.

12. Insurance Review

Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to the agreement. School agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

13. Insurance Specifications

School agrees to provide insurance set forth in accordance with the requirements herein. If the School uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the School agrees to amend, supplement or endorse the existing coverage to do so.
