RE: 2025 ONDCP – LA HIDTA Discretionary Funds (\$290,000)

To whom it may concern,

This year, the Office of National Drug Control Policy (ONDCP) received 72 requests from the regional HIDTAs, including multiple joint submissions, exceeding a total of nearly \$33 million for the \$15.4 million available in discretionary funds.

ONDCP worked alongside the HIDTA Directors' Committee and in collaboration with subject matter experts at ONDCP to review, score, and prioritize the proposals recommended for funding. ONDCP's Director reviewed and approved the funding decisions, which were then cleared with the Office of Management and Budget (OMB) and Congress. *Attached, to provide additional details and for your awareness, is the notification to the Appropriations Committees.*

The Los Angeles High Intensity Drug Trafficking Area (LA HIDTA) Director's Office is pleased to announce that in total, LA HIDTA has received \$290,000 in ONDCP 2025 Discretionary funding.

Of this amount, \$205,000 will be awarded to the City of La Verne to fund the Crime Gun Intelligence Center (CGIC), an offshoot of the Joint Regional Intelligence Center (JRIC).

The remaining \$85,000 is to address the overdose crisis and will be disbursed as follows:

- San Bernardino County/IRNET (\$28,500) – Overdose Response Team HIDTA (ORTH)
- Riverside County/RMTF (\$28,500) – Overdose Death Investigations & Narcotics (ODIN)
- Orange County/RNSP (\$28,000) – Orange County Homicide Overdose Team (OCHOT)

Should you have any questions or concerns, please contact the LA HIDTA Director's Office.

Sincerely,

Roger F. Bass
Executive Director
