FINANCIAL IMPACT

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost) as this item is non-financial in nature.

BACKGROUND INFORMATION

Approval of this item allows the County to submit its concurrence of the proposed Measure I Expenditure Plan (attached to the Resolution) to the San Bernardino County Transportation Authority (SBCTA) for further action. Since the inception of the Measure I one-half of one percent transactions and use tax program (Measure I Program) in 1989, the SBCTA has been the administrator and will continue to be, should the County's voters approve the continuation of the Measure I Program for transportation improvements.

On October 30, 1989 (Item No. 22), the Board of Supervisors (Board) adopted the first Measure I Project List and the Measure I Program pending voters' approval of the Measure I Program at the November 7, 1989 election.

In 2004, SBCTA proposed extending the Measure I Program by an additional 30 years. On May 11, 2004 (Item No. 57), the Board adopted Resolution No. 2004-87, approving the Measure I Expenditure Plan for the revenues expected to be derived from the proposed continuation of Measure I, San Bernardino County's one-half of one percent sales tax for transportation improvements, which was then tentatively scheduled for voter consideration on November 2,

2004. Voters subsequently approved the Measure I extension at the November 2, 2004 election.

The proposed Measure I Program is presented to outline the new Measure I Expenditure Plan in anticipation of voters' approval in November 2026 to extend the Measure I Program with an indefinite termination, until voters repeal the Measure I Program.

If passed, the Measure I Program will continue to provide long-term funding to help fight traffic congestion, improve local streets, major roads, and highways; and enhance San Bernardino County's economy by providing construction-related jobs, manufacturing jobs, and a transportation system to meet the needs of residents and the business communities.

Pursuant to the Public Utilities Code Section 180206, the Measure I Expenditure Plan must be approved by the Board and the city councils representing both a majority of the cities in the County and a majority of the population residing in the incorporated areas. On February 4, 2026 (Item No. 3), the SBCTA Board of Directors approved the Measure I Expenditure Plan. Upon receipt of Resolutions by all interested parties, the SBCTA Board of Directors will take action to adopt the final Measure I Expenditure Plan and request that the Board place the Measure on the November 3, 2026, ballot.
