a. Software License. Subject to the terms and conditions of this Agreement and in accordance with the applicable Documentation and the License Type, License Model and quantities of licenses purchased and paid for by You,, Ivanti hereby grants You (as applicable) (i) a limited right to access and use the SaaS Offering, (ii) a non-exclusive, non-transferable, non-sublicensable license (except as set forth within this Agreement) to use the Software, and (iii) a limited right to maintain one (1) backup, unmodified copy of the Software for archival purposes.

Users shall use and/or access the Software solely on behalf of and for the benefit of You or Your applicable Affiliates and in accordance with the license purchased and the terms of this Agreement. You shall be responsible for all acts and omissions committed by any Users and any actions by such Users that would be a breach of this Agreement, if taken by You, shall be deemed a breach of this Agreement. You agree that Your purchase of the Software is neither contingent upon the delivery of any future functionality or features nor dependent upon any oral or written public comments made by Ivanti with respect to future functionality or features.

Ivanti provides the Software under two (2) general license types (the “License Types”):

- “Perpetual License”. A license to use the Software that is not time-limited when used in accordance with the terms of this Agreement.

- “Subscription License”. A time-limited license to use the Software that expires at the end of a specified period. Software licensed under a Subscription License may contain disabling code to automatically disable itself upon the expiration of the subscription term.

Within the License Types, Ivanti offers the following eight (8) license models (the “License Models”):

- “User-Based”. Under the User-Based model, the Software may be used by a specific User on any number of that User’s Devices. However, You may not transfer a license from one User to another User more than once every thirty (30) days. A license is required for each User.
- “Named User”. Under the Named User model, a Named User is a single User authorized by You to access or use the Software, regardless of whether or not the individual is using the Software. However, You may not transfer a license from one User to another User more than once every thirty (30) days. A license is required for each Named User.
- “Concurrent User”. Under the Concurrent User model, licenses are required for the maximum number of simultaneous Users authorized by You to access or use the Software at any given moment during the previous thirty (30) days (each a “Concurrent User”), regardless of the number of connections used by that individual. A license is required for each Concurrent User.
- “Named Analyst”. Under the Named Analyst model, a Named Analyst is a single Analyst authorized by You, who is assigned a dedicated license to access or use the Software, regardless of whether or not the individual is using the Software. A Named Analyst license cannot be shared across multiple Analysts simultaneously and may not be transferred from one Analyst to another Analyst more than once every thirty (30) days. A license is required for each Named Analyst.
- “Concurrent Analyst”. Under the Concurrent Analyst model, licenses are required for the maximum number of simultaneous Analysts authorized by You to access or use the Software at any given moment during the previous thirty (30) days (each a “Concurrent Analyst”), regardless of the number of sessions used by that individual. A license is required for each Concurrent Analyst.
- “Device-Based”. Under the Device-Based model, licenses are required for each Device, whether physical or virtual, on which the Software is deployed. However, You may not transfer a

license from one Device to another Device, whether physical or virtual, more than once every thirty (30) days.

- “Device-Limited”. Under the Device-Limited model, licenses are required for each Device on which the Software is deployed and may only be transferred in the event of accidental destruction to another Device of the same make and model.

- “Enterprise License Agreement” or “ELA”. Under the Enterprise License Agreement or ELA model, the Software may be used by Your employees, contractors, and agents on any number of each User’s Devices. One (1) license is required for each of Your employees, contractors, and agents, whether or not such employees, contractors, or agents actually use the Software.

b. The Invoice shall set forth the License Type, License Model, and the means of provisioning of the Software which You are purchasing.

c. Evaluation. If the Software is offered to You for evaluation purposes and provided on a trial use basis then, notwithstanding any contrary provision in this Agreement, You are permitted to use the Software only for internal demonstration, test or evaluation purposes in a non-production environment, and for the period specified on the software license key (if not indicated, this period will be forty-five (45) days from delivery) following which the Software may automatically disable itself. You acknowledge that Ivanti is not obligated to permit further use of the Software past the expiration date. **NOTWITHSTANDING ANY CONTRARY PROVISION IN THIS AGREEMENT THE EVALUATION SOFTWARE IS PROVIDED “AS-IS” WITHOUT SUPPORT OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED. SAVE FOR DEATH AND PERSONAL INJURY CAUSED BY IVANTI’S NEGLIGENCE, IVANTI SHALL HAVE NO LIABILITY OF ANY KIND IN ANY CIRCUMSTANCES WHATSOEVER TO YOU IN RESPECT OF ANY EVALUATION SOFTWARE. IN PARTICULAR, IVANTI SHALL HAVE NO LIABILITY IN ANY CIRCUMSTANCES WHATSOEVER FOR ANY DATA LOSS OR CORRUPTION AND YOU AGREE THAT YOU HAVE SOLE RESPONSIBILITY FOR PROTECTING YOUR DATA DURING EVALUATION OF THE SOFTWARE.**

### 3. SAAS OFFERINGS.

a. SaaS Offering Supplemental Terms. If You purchase a SaaS Offering, as identified in the Invoice as a SaaS or cloud offering, then You agree and are subject to the terms and

conditions contained in this Agreement and Ivanti's then-current Supplemental Terms for the SaaS Offering found at <https://www.ivanti.com/company/legal/saas>.

b. Reinstatement Fee. If You purchase a SaaS Offering and at the end of the Initial Term or a Renewal Term choose to change any portion of a SaaS Offering to an on-premise Perpetual License, then Ivanti may assess You with a one (1) time reinstatement fee equal to ten percent (10%) of the cost assessed to You for the SaaS Offering in the Invoice.

4. ENTERPRISE LICENSE AGREEMENT. The ELA model enables customers to purchase various bundles of Software products for enterprise-wide use under a Subscription License (each an "ELA Offering"). Additional details regarding the Software products, analyst license ratios, and server license ratios that are included in each ELA Offering are set forth in the ELA program guide found at <https://rs.ivanti.com/legal/ela-program-guide.pdf>. If You purchase an ELA Offering, as specified in the Invoice, then You agree that the following terms shall apply to any such purchase:

a. User Count. You agree and represent that, at the time of purchase, the quantity of licenses in the Invoice is greater than or equal to the total number of Your employees, contractors, and agents (the "User Count"). Your Affiliate or Affiliates may use the Software You purchase under the ELA only if You have included the total number of such Affiliate's or Affiliates' employees, contractors, and agents in the User Count.

b. True Forward. You shall provide Ivanti with an updated User Count at least thirty (30) days but not more than ninety (90) days prior to each annual period during the term of the Agreement. Any increase in User Count will be added as additional licenses and You will be invoiced accordingly for the next annual period. No additional charges will be made against You for increases in User Count unless there is an excessive increase due to a merger, acquisition or growth. The User Count cannot be decreased at any time during the Initial Term unless specifically agreed to by the Parties in writing.

5. RESTRICTIONS. The Software is licensed, not sold. You may not use the Software for any purpose beyond the scope of the licenses granted in this Agreement, and all other rights are reserved by Ivanti or its suppliers. Without limiting the generality of the foregoing and except as expressly permitted in this Agreement, You will not (and will not permit any User or third party to): (a) authorize or permit access to or use of the Software by persons other than Users or Analysts; (b) assign, sublicense, distribute, sell, lease, rent, novate or otherwise transfer or convey the Software, or Documentation to any third party without Ivanti's prior written consent, except as set forth in the assignment provision in this Agreement, or disclose the software license

key to the Software to any third party; (c) pledge as security or otherwise encumber the rights granted under this Agreement; (d) modify, adapt or create any derivative works of the Software (or any component thereof) or the Documentation; (e) decompile, disassemble, reverse engineer or otherwise attempt to obtain or perceive the source code from which any component of the Software except and only to the extent: (i) that applicable law expressly permits such actions despite this limitation; or (ii) such actions are required to debug changes to any third party open source software libraries linked to by the Software; (f) use the Software as a service provider or application service provider for third parties; (g) circumvent or attempt to circumvent any technical restrictions in the Software; (h) remove, alter or obscure any proprietary notices or legends from the Software or any copies thereof; or (i) violate Ivanti's Acceptable Use Policy located at <https://www.ivanti.com/company/legal>; (j) employ or authorize a competitor of Ivanti to use or view the Software or Documentation without the prior written consent of Ivanti.

To the extent that any applicable mandatory laws give You the right to perform any of the aforementioned activities without the consent of Ivanti to gain certain information about the Software, You hereby agree that, before You exercise any such rights, You shall first request such information from Ivanti in writing detailing the purpose for which You need the information. Only if and after Ivanti, at its sole discretion, denies Your request, shall You exercise Your statutory rights.

6. TITLE. Ivanti and its licensors (if any) retain all rights, title and interest, including all patent, copyright, trade secret, trademark, moral rights and other intellectual property rights, in and to the Software and Ivanti expressly reserves all rights not expressly granted under this Agreement.

7. SUPPORT AND MAINTENANCE SERVICES. Standard Support and Maintenance Services, Updates and Upgrades are included in the price of the Software if it is purchased as a Subscription License, a SaaS Offering, or an ELA. You may purchase or upgrade Support and Maintenance Services for the Software separately. Except as set forth herein, You have no rights to any Updates or Upgrades unless You purchase Support and Maintenance Services for the Software. If You purchase Support and Maintenance Services for the Software, You are required to purchase and maintain such Support and Maintenance Services for all licenses of the Software. All Support and Maintenance Services are subject to Ivanti's then-current Supplemental Terms for the Support and Maintenance Services found at <https://www.ivanti.com/company/legal/support-terms> and the relevant end-of-life policies found at <https://forums.ivanti.com/s/end-of-life>.

8. PROFESSIONAL SERVICES AND TRAINING.

- a. **Statement of Work.** You may engage Ivanti to provide certain Professional Services pursuant to a statement of work or similar document, whether in print or online, which describes the tasks or services to be provided ("SOW"). Each SOW shall incorporate this Agreement by reference, be governed by and subject to the terms and conditions of this Agreement, and in the event of any conflict or inconsistency between this Agreement and the SOW, this Agreement shall take precedence.
- b. **Customer Cooperation.** You shall provide Ivanti with all necessary cooperation, information and support that may reasonably be required by Ivanti for the performance of the Professional Services including, without limitation, access to suitably configured computers, software products and applicable passwords, at such times as Ivanti may request. You shall further perform such other obligations as specified in the SOW.
- c. **Postponing and Rescheduling.** Unless otherwise agreed by both Parties in writing, if You postpone or reschedule a Professional Services project fewer than ten (10) business days but more than five (5) business days prior to the start date of a project, You shall pay Ivanti fees equal to the fees quoted for one (1) day of Professional Services under the project or \$2,500, whichever is less. If You postpone or reschedule a project fewer than five (5) business days prior to the start date of a project, You shall pay Ivanti fees equal to the fees quoted for: (i) the number of days of Professional Services postponed, (ii) one (1) week of Professional Services due for the project as if it had been fully performed, or (iii) \$12,500, whichever is less. Any rescheduling of Professional Services under a SOW shall be subject at all times to the SOW's completion criteria and/or any long-stop dates specified in the SOW.
- d. **Implementation Practices.** Ivanti uses, develops and refines processes, procedures, best practices, computer software code, general knowledge, skills, experience, ideas, know-how, and implementation techniques (collectively, "Implementation Practices") by providing implementation and configuration services to many customers. You benefit from those Implementation Practices and agree that Ivanti owns and is free to use the Implementation Practices in its sole discretion, including Implementation Practices developed or refined in the course of providing Professional Services to You, so long as the Implementation Practices do not include the use of or reference to Your Confidential Information (as defined below). Ivanti grants You a non-exclusive, non-transferable, royalty-free, perpetual, and limited license to use the Implementation Practices within Your organization, for the purpose for which the Professional Services were provided. In the event that the Professional Services involve Ivanti software products licensed to You under a separate license agreement, only the terms set out in such separate license agreement shall apply in respect to each such Ivanti software product. For the

avoidance of doubt, all materials provided by You to Ivanti in connection with the Professional Services shall remain Your property.

e. Travel. The amount of time that Ivanti will be on-site at Your location for Professional Services is subject to the Ivanti project manager's discretion. If You require that Ivanti be on-site for more time than advised by the Ivanti project manager, then Ivanti will invoice and You agree to pay for Ivanti's travel expenses for the additional time on-site.

f. Training Courses. You may also purchase training from the Ivanti Advantage Learning. Payment for training courses is managed through the purchase of an individual license (1 User) or enterprise license (10 Users). Private training courses may be purchased as well. Cancellation fees are due for customer cancelled onsite private training courses at a rate of fifty percent (50%) of the course fee if cancelled within one (1) week of the start of the course, or one hundred percent (100%) of the course fee if the course is not attended or if notice of cancellation is given less than one (1) week before the start of the course. All Ivanti Advantage Learning courses and offerings are subject to Ivanti's then-current terms of use for Ivanti Advantage Learning found at <https://www.ivanti.com/company/legal/terms-of-use-ivanti-advantage-learning>. Orders for Ivanti Advantage Learning training courses and Professional Services expire if not used within one (1) year from the date of order.

9. PAYMENT. You agree to pay, without setoff or deduction, the amounts set forth in the Invoice. Fees for any Support and Maintenance Services shall be paid in advance of the relevant term covered. Renewal fees are due on or before the annual renewal date. Fees for the Software purchased as a Subscription License, a SaaS Offering, or as an ELA shall be paid for either i) as a lump sum for the entire Initial Term or Renewal Term at the time of purchase, or ii) according to the annual payment schedule for each year of the Initial Term or Renewal Term set forth in the Invoice.

Ivanti will provide the Professional Services as set forth on the applicable quote, plus a fixed daily rate for travel and accommodation expenses. Professional Services shall be delivered on either (a) a prepaid basis which will be invoiced upon receipt of a purchase order, or (b) a time and materials basis which will be invoiced monthly as the Professional Services are performed. All charges are non-refundable unless specifically stated otherwise in the relevant SOW.

Unless otherwise agreed, all such fees shall be due and payable within thirty (30) days from the date of the Invoice in U.S. Dollars, Euros, or British Pound Sterling, depending on the local currency of the contracting Ivanti entity or Reseller, or as otherwise indicated in the Invoice. A

hard copy purchase order number and VAT ID (where applicable) must be provided with all orders.

If You fail to make a payment when due, You agree that Ivanti may charge interest at the lesser of a rate of one and one-half percent (1.5%) per month or the maximum rate allowed by law, which interest will accumulate on the outstanding balance on a daily basis until paid in full. You agree to reimburse Ivanti for all reasonable costs, including legal fees and related costs, Ivanti incurs in collecting any late payments and interest. Ivanti will be entitled to terminate all licenses, and services provided hereunder upon thirty (30) days prior written notice to You if You fail to pay any required fees when due. If You fail to pay undisputed amounts in accordance with the terms and conditions of this Agreement for any SaaS Offering, Ivanti shall have the right, in addition to any of its other rights or remedies, to suspend Your access to the SaaS Offering, without liability to You until such amounts are paid in full.

Except as expressly provided otherwise in this Agreement, all payments by You (whether to Ivanti or a Reseller) are nonrefundable and not available for credit for the purchase of other Software.

If You dispute any fees, taxes, or other charges billed by a Reseller or Ivanti under this Agreement, You must notify Ivanti, in writing, of the disputed amount and any relevant information regarding the circumstances of the dispute. Ivanti shall acknowledge receipt of the disputed information in writing to You. All Parties agree to work cooperatively to resolve any such disputed amounts. If You fail to provide Ivanti with a notice of such a disputed amount within twenty (20) business days following receipt of the Invoice for such disputed charge, then such amount is deemed undisputed and due.

All prices exclude value-added tax, sales tax and any other applicable tax, unless expressly stated otherwise. In the event that any withholding, sales, value-added, use or other taxes or government fees, assessments or charges are payable because of this Agreement, then You agree to pay all such taxes, fees, assessments and charges in addition to all other payments. If Ivanti is required to make any such payments, You agree to reimburse Ivanti for such payments promptly upon notice.

If You are purchasing the Software, Support and Maintenance Services and/or Professional Services through a Reseller, then the payment terms and associated payment obligations herein do not apply to You to the extent of such purchase(s), instead Your payment terms and obligations with the Reseller would apply to any such purchase(s).

10. CONFIDENTIALITY. Each Party shall keep confidential, and not disclose to any third party (except each Party's respective employees or staff members or as maybe required by law or any legal or regulatory authority) any Confidential Information which may be provided in connection with this Agreement. "Confidential Information" means any non-public information disclosed by one Party to the other Party, either directly or indirectly, whether communicated in writing, orally or by inspection of tangible objects (including, without limitation, pricing, trade secrets, product plans, products, services, customers, Software, designs, inventions, processes, drawings, engineering, hardware configuration information, marketing or financial information), which is designated as "Confidential," "Proprietary" or some similar designation. Notwithstanding the obligations set forth above, the receiving Party may disclose the Confidential Information of the disclosing Party to the limited extent such disclosure is required by law to be disclosed by the receiving Party, provided that the receiving Party will promptly give the disclosing Party written notice of such requirement prior to any disclosure so that the disclosing Party may have sufficient time to seek a protective order or other appropriate relief.

In the defense or settlement of any Infringement Claim, Ivanti may, at its sole option and expense: (i) procure for You a license to continue using the Software or SaaS Offering; (ii) replace or modify the allegedly infringing technology to avoid the infringement; or (iii) if the foregoing options are not commercially feasible in Ivanti's sole judgment, refund any prepaid, unused SaaS Offering fees as of the date of termination or Software license fees depreciated on a straight line basis over thirty-six (36) months. The foregoing states Ivanti's sole and exclusive liability, and Your sole and exclusive remedy, for the actual or alleged infringement or misappropriation of any third-party intellectual property right by the Software or SaaS Offering.

e. Ivanti Indemnitees. You agree to hold harmless, indemnify, or at Your option, settle, any third party claim, suit or proceeding brought against Ivanti, its Affiliates and their respective employees, officers and directors (“Ivanti Indemnatee(s)”) arising out of (i) Your unauthorized use of the Software and related services; (ii) Ivanti’s compliance with Your designs, specifications or instructions; (iii) Your unauthorized modification of the Software or SaaS Offering; and (iv) Your instructions or Your failure to comply with the obligations as set forth in Section 16(c) of this Agreement and the DPA, and You shall pay all third party costs and damages awarded in judgment of such claim or agreed to in settlement of such claim between You and such third party; provided that Ivanti Indemnatee(s): (a) provide You with prompt notification of the claim, such that You are not prejudiced by any delay in such notification; and (b) provide reasonable assistance in connection with the defense or settlement, at Your expense.
