**Briefly describe the general nature of the contract:** Cooperative Agreement (SMC Agreement No. SMC-2024-01) between the San Bernardino County Flood Control District, the Counties of Orange, and San Diego, the Los Angeles County Flood Control District, the Ventura County Watershed Protection District, the Riverside County Flood Control and Water Conservation District, the cities of Long Beach, Los Angeles and San Diego, the Southern California Coastal Water Research Project, the California Regional Water Quality Control Boards of the Los Angeles, Santa Ana and San Diego Regions, the State of California Water Resources Control Board, and Caltrans acting together as the Stormwater Monitoring Coalition. The members have agreed that there is a need to ensure that the scientific and technical tools for stormwater program implementation, assessment and monitoring are more fully developed, and will annually establish scopes of work and appurtenant budgets to fund these projects.

**FOR COUNTY USE ONLY**
