***NUTRITION EDUCATION AND OBESITY PREVENTION BRANCH
SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM-EDUCATION***

Awarded By
THE CALIFORNIA DEPARTMENT OF PUBLIC HEALTH, hereinafter “Department”
TO
| County of San Bernardino|, hereinafter “Grantee”

Implementing the |“CalFresh Healthy Living Program|,” hereinafter “Project”

GRANT AGREEMENT NUMBER23–10339 |

The Department awards this Grant and the Grantee accepts and agrees to use the Grant funds as follows:

AUTHORITY: The Department has authority to grant funds for the Project |Health and Safety Code (HSC), Section 131085(a)(b)|

PURPOSE: |The Department administers a portion of the United States Department of Agriculture (USDA)-funded Supplemental Nutrition Assistance Program – Education (SNAP-Ed), known in California as the CalFresh Healthy Living program (CFHL). The purpose of the Grant is to provide allowable nutrition education and obesity prevention activities and interventions for low-income Californians under the CFHL program. The negative health effects of obesity and resulting chronic diseases, such as heart disease, high blood pressure, diabetes, arthritis, and some forms of cancer, are well-documented. Obesity rates continue to grow and remain high among children, adolescents, and adults. The focus of the project is upstream public health approaches and individual and organizational health promotion to help the CFHL target audience establish healthy eating habits, a physically active lifestyle, and for primary prevention of disease. The CalFresh Healthy Living program in California offers a comprehensive public health approach that enables partners to work together to prevent obesity and serve California’s individuals and families with low incomes. The target audience for CFHL is CFHL-eligible Californians. CFHL-eligible individuals refers to the SNAP-Ed eligible audience, specifically SNAP participants and other low-income individuals who qualify for SNAP (CalFresh Food) benefits or other means-tested Federal assistance programs. The term “means-tested Federal Assistance programs” is defined as Federal programs that require the populations they serve have a gross individual or family income at or below 185 percent of the Federal Poverty Level. There may be additional eligibility requirements to receive these programs, which provide cash and noncash assistance to eligible individuals and families. |

GRANT AMOUNT: The maximum amount payable under this Grant Agreement shall not exceed the amount of [\$ 12,449,082]. The total budget authority for this grant includes an additional 20 percent above the FFY 2024-2026 funding allocation projections. This additional amount provides flexibility for budget allocations and minimizes the administrative burden in the event additional funds become available and are awarded to the Grantee. The maximum amount of this grant does not guarantee that the Grantee will receive this full amount. Funds awarded above the base funding allocation projection amount are contingent upon available funds. |

TERM OF GRANT AGREEMENT: The term of the Grant shall begin on |October 1, 2023| and terminates on |September 30, 2026|. No funds may be requested or invoiced for services performed or costs incurred after |September 30, 2026|.

PROJECT REPRESENTATIVES. The Project Representatives during the term of this Grant will be:

California Department of Public Health	Grantee: County of San Bernardino
Name: Jorge Leal	Name: Teslyn Henry-King, Program Coordinator, Public Health
