

MASTER AGREEMENT

THIS MASTER AGREEMENT (the "Agreement") is entered into as of January 1, 2023 (the "Effective Date"), by and between Net Health Systems, Inc., with an address at 40 24th Street, Pittsburgh, PA 15222 ("Net Health") and San Bernardino County, a political subdivision organized and existing under the constitution and laws of the State of California on behalf of Arrowhead Regional Medical Center, with an address at 400 N Pepper Ave, Colton, CA 92324 ("CUSTOMER").

WHEREAS, Net Health owns proprietary software and CUSTOMER desires to obtain use and access of software from Net Health in accordance with the terms of this Agreement; and

WHEREAS, Net Health and CUSTOMER desire that this Agreement serve as the Master Agreement with respect to one or more purchase schedule(s) (each a "Purchase Schedule"), the first of which is attached hereto as Exhibit A, setting forth the Software (as such term is defined below), services, service fees and other terms applicable thereto.

NOW, THEREFORE, for and in consideration of the mutual covenants contained herein, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties hereto, and intending to be legally bound hereby, the parties agree as follows:

1. SOFTWARE.

(a) Use and Access of Software. Subject to the terms, conditions and limitations set forth in this Agreement, CUSTOMER shall have the non-exclusive, non-transferable right to use and access the software more fully described in the applicable Purchase Schedule(s) (the "Software") for the term set forth therein, and to receive other related services, if any, supplied by Net Health hereunder for use by the designated sites and healthcare providers/users (each an "Authorized Site/Provider," set forth in the applicable Purchase Schedule.

(b) Limitations. Except as otherwise expressly set forth herein, CUSTOMER receives no right to copy, distribute, disseminate, modify, reverse engineer or license/sublicense the Software or any of component thereof. Payment of the Fees (as defined in Section 5) or any portion thereof does not entitle CUSTOMER, or any of its affiliates, independent contractors, or agents, to use the Software at any location other than an Authorized Site. Subject to the foregoing restrictions and the confidentiality obligations contained in this Agreement, CUSTOMER'S affiliates and those agents and subcontractors of CUSTOMER that have agreed in writing to abide by the terms and conditions of this Agreement may access and/or use the Software solely for CUSTOMER'S benefit hereunder. CUSTOMER at all times shall be responsible and liable to Net Health for any use of the Software by such affiliates, agents or subcontractors.

(c) Title & Ownership of Rights. Title to the Software and all additional programs (including without limitation, reports) developed by Net Health for CUSTOMER hereunder, and all copies thereof are proprietary to Net Health and title thereto remains with Net Health. In addition, CUSTOMER acknowledges that Net Health is the owner of all right, title and interest in the Software and in any derivative works of and improvements upon Software, regardless of any assistance or involvement by agents or employees of CUSTOMER in any such improvements or derivatives.

(d) Denial of Access. CUSTOMER shall be solely responsible to Net Health for the observance and compliance with all terms and conditions of this Agreement by its Authorized Sites/Providers and/or any third party who has been permitted access to the Software as a result of its action or inaction, whether or not such third party is actually permitted to have such access under the terms of this Agreement. Net Health reserves the right to immediately deny, suspend, or terminate CUSTOMER's access to and use of the Software without notice if Net Health reasonably believes any action or omission of CUSTOMER or its Authorized Sites/Providers threatens (i) to breach this Agreement; (ii) the operation, integrity, confidentiality, or security of the Software; (iii) the use of the Software by Net Health or Net Health's other customers; or (iv) to violate applicable law or cause other potential liability or security risk to Net Health.

2. INTERFACES.

(a) Net Health agrees to build, as applicable, the interface(s) described in the applicable Purchase Schedule (the "Interface(s)"), if any. All Interfaces are subject to Net Health's standard applicable Interface specifications. Requests to deviate from Net Health's standard applicable Interface specifications will be subject to additional development Fees.

3. CONSULTING SERVICES.

(a) Consulting Services. CUSTOMER agrees to accept, and Net Health agrees to provide certain personnel to perform consulting services ("Consulting Services"), if applicable, subject to the terms of this Agreement and as set forth on the applicable Purchase Schedule. Consulting Services may be performed via telephone and other forms of remote correspondence, and may include on-site meetings with CUSTOMER, as further specified in each Purchase Schedule.

(b) Independent Contractor/Relationship of the Parties. In connection with Net Health's performance of any Consulting Services, Net Health and each person provided by Net Health to CUSTOMER hereunder shall act solely as an independent contractor and nothing herein contained shall at any time be so construed as to create a relationship of employer and employee, partnership, principal and agent, or joint venture as between CUSTOMER and Net Health or between CUSTOMER and any person provided by Net Health to CUSTOMER hereunder. CUSTOMER will report the amounts paid to Net Health in accordance with applicable tax laws.

4. TERM AND TERMINATION.

(a) General. The term of this Agreement ("Term") shall commence on the Effective Date and shall remain in effect until December 31, 2026, subject to earlier termination in accordance with this Agreement.

(b) Purchase Schedule Term. The initial term for each Purchase Schedule shall be as stated in the applicable Purchase Schedule (the "Purchase Schedule Initial Term"). Upon the expiration of the Purchase Schedule Initial Term, unless otherwise provided in the Purchase Schedule, the term shall automatically renew for successive one (1) year terms commencing on the day after the expiration of the then current Term (each a "Purchase Schedule Renewal Term" and together with the Purchase Schedule Initial Term, the "Purchase Schedule Term") at the Fees set forth in Section 5(b) of this Agreement, unless either party elects to terminate the applicable Purchase Schedule at the end of the Purchase Schedule Initial Term or a Purchase Schedule Renewal Term by giving the other party written notice of such election at least

ninety (90) days before the expiration of the then-current Purchase Schedule Term. Notwithstanding the foregoing, no Purchase Schedule Term will extend beyond the Term, and all Purchase Schedules are coterminous with the Agreement Term.

(c) Termination. If CUSTOMER commits a material breach of this Agreement, or Purchase Schedule, and persists in such failure for a period of thirty (30) days after receiving written notice thereof from Net Health, Net Health may terminate this Agreement, or Purchase Schedule, as applicable, upon written notice to CUSTOMER and CUSTOMER shall pay all remaining Fees from the date of termination to the end of the current Term. If Net Health commits a material breach of this Agreement, or Purchase Schedule, and persists in such failure for a period of thirty (30) days after receiving written notice thereof from CUSTOMER, CUSTOMER may terminate this Agreement, or Purchase Schedule, as applicable.

5. PAYMENT.

(a) General. In consideration of the Software, Interface(s) Consulting Services, or other services provided by Net Health pursuant to this Agreement, CUSTOMER shall pay to Net Health the amounts provided for in the applicable Purchase Schedule (the "Fee(s)") and in accordance with the payment terms set forth in this Agreement and in the applicable Purchase Schedule(s).

(b) Renewal & Third-Party Fees; Increases. For any Purchase Schedule Renewal Term for either Software, Interfaces and/or maintenance and support fees in connection therewith, the Fees shall be to Net Health's then-current Fees. Net Health may increase Fees at any time in an amount equal to any charges imposed by third parties for any third party components used in connection with the applicable Software, or Interfaces. In addition, Net Health reserves the right to increase Fees at any time; provided; however, any such increase shall not occur more than once in any given twelve month period.

(c) Set Up and Training Fees, Expenses. Unless otherwise provided in the applicable Purchase Schedule, CUSTOMER shall pay to Net Health a one-time fee stated in the attached Purchase Schedule for setup of the Software and training for the applicable Authorized Site. Unless otherwise indicated on the applicable Purchase Schedule, all training and implementation will be performed remotely. If CUSTOMER chooses any Saturday or Sunday training, it will cost an additional \$500.00 per day payable to Net Health. All training hours included on or referenced in a Purchase Schedule expire nine (9) months from the applicable Purchase Schedule Effective Date. If CUSTOMER cancels or reschedules training less than fifteen (15) days prior to the scheduled date of such training, the CUSTOMER will be charged the greater of (i) a \$2500.00 fee with respect to each such cancelled or rescheduled training, or (ii) an amount equal to the monthly Fees for the applicable Software during the length of any such delay in training. CUSTOMER shall also reimburse Net Health for all reasonable expenses incurred by Net Health in providing the training, including, but not limited to, travel, airfare, hotel, mileage, transportation, meals, etc. (to the extent such expenses are acceptable under Net Health's Travel Policy). Expenses will be invoiced as incurred and payment is due upon receipt.

(d) Taxes Not Included. To the extent applicable, the Fees listed in any Purchase Schedule do not include taxes, duties, or other fees, and CUSTOMER shall reimburse Net Health for all such taxes appropriately assessed and paid related to any Software or services provided pursuant to this Agreement, except for those taxes based on Net Health's net income.

(e) Billing Start Date. Unless otherwise stated on the applicable Purchase Schedule, monthly Fees will commence on the Billing Start Date set forth on the Purchase Schedule. On or before the Billing Start Date, Net Health will (i) provision the applicable Software database for CUSTOMER (meaning, the base Software and associated Software database will be deployed); and (ii) create and deliver to CUSTOMER its admin user login information so that CUSTOMER may access the Software. Net Health does not guarantee that any applicable integrations, training, implementation or testing of or relating to the Software will be completed by the Billing Start Date, nor shall any such incompleteness be justification for CUSTOMER's delay or withholding of payment of monthly Fees due under the Purchase Schedule beyond the Billing Start Date.

(f) Late Payment. If any of the undisputed Fees are not paid to Net Health by CUSTOMER when due, then the Software, Consulting Services and Interfaces may not become available to CUSTOMER until such Fees are paid in full. CUSTOMER may only dispute Fees in good faith and must provide written notice of such disputed Fees within ten (10) days of the date of the applicable invoice. Payments not made when due will be subject to interest charges at a rate equal to the lesser of one and one-half percent (1.50%) per month, or the maximum rate allowable by law and will accrue monthly on all outstanding balances until paid. CUSTOMER shall be responsible for paying all costs of collection, including reasonable attorneys' fees, and where lawful, collection agency fees. If payment is not received within sixty (60) days of such payment due date, any and all warranties provided pursuant to the terms of this Agreement shall be voided, and any support and implementation services provided to CUSTOMER pursuant to the terms of this Agreement will be suspended until payment is received. Furthermore, CUSTOMER is aware that in the event CUSTOMER fails to pay all amounts due to Net Health in accordance with the terms and conditions of this Agreement, Net Health will provide CUSTOMER with a copy of its data in a comma delimited file, and CUSTOMER'S access to the Software will be disabled. CUSTOMER ACKNOWLEDGES AND AGREES THAT NET HEALTH SHALL NOT BE LIABLE FOR ANY LOSSES OF TIME, OR FOR ANY OTHER DAMAGES THAT MAY RESULT IN ANY WAY FROM THE DISABLING OF ACCESS TO THE SOFTWARE PURSUANT TO THIS SECTION. Warranties, support, and implementation services, if any and as applicable, shall be fully reinstated when CUSTOMER'S payment is received in full. Except for termination by CUSTOMER in accordance with this Agreement, all payment obligations under this Agreement are non-cancelable and non-refundable. In addition to disabling access to the Software, Net Health reserves the right to pursue all remedies as may be available to it at law or in equity.

6. CUSTOMER RESPONSIBILITIES.

(a) CUSTOMER shall be responsible for the following, unless otherwise set forth in the applicable Purchase Schedule: adherence to specified system requirements; running and maintaining all computer network and internet connections necessary for CUSTOMER to use the Software; and all data conversion (if applicable).

(b) CUSTOMER will secure and make available all technical and other resources required for its full and timely participation in the implementation of the Software, including attending training sessions, performing applicable file builds, and complying with other reasonable Net Health instructions regarding the implementation of the Software.

(c) Net Health will not be responsible for any issues resulting from CUSTOMER'S failure to comply with the parties' mutually agreed upon plan for implementing the Software.

(d) CUSTOMER will fully cooperate with Net Health in its performance of the Consulting Services, if applicable, and will at all times provide Net Health with at least one reliable point of contact for purposes of overseeing the Consulting Services. CUSTOMER contact shall possess the skill, knowledge, and/or experience necessary to oversee, engage and understand the Consulting Services.

(g) CUSTOMER acknowledges that the Software may use, incorporate or access Third Party Products, or that CUSTOMER may use, incorporate or access Third Party Products in conjunction with CUSTOMER's use of the Software, or any other product or service provided to CUSTOMER by Net Health. To the extent that CUSTOMER uses, incorporates or accesses any Third Party Products that are provided by Net Health to CUSTOMER, CUSTOMER acknowledges that continued usage of such Third Party Product(s) is contingent on Net Health's continued relationship with such Third Party Product vendor and that such use may be subject to additional terms and conditions of the applicable Third Party Product vendor. To the extent CUSTOMER uses, incorporates or accesses any Third Party Products that are not provided by Net Health to CUSTOMER, CUSTOMER represents it has obtained and covenants it will obtain the necessary rights or licenses from the applicable third party vendors to use such Third Party Products and agrees that Net Health shall not be liable for CUSTOMER's failure to obtain such rights or licenses. Net Health makes no representation or warranty with respect to any such Third Party Products. Net Health shall not be liable for any damages, costs, or expenses, direct or indirect, arising out of the performance or failure to perform of Third Party Products. "Third Party Products" includes, but is not limited to, any product, technology, tool, database, software, works, coding scheme or other intellectual property developed or owned by a third party.

(h) CUSTOMER agrees that it shall use the Software solely in a manner that complies with this Agreement and all applicable laws.

(i) CUSTOMER acknowledges that the Software constitutes part of an information system to be used by CUSTOMER's personnel as an aid to the organization of patient care. The Software is in no way intended, and the information contained therein is not to be used by any party in any way to replace the professional skill and judgment of physicians and other health care providers. The Software is not to be used to guide or determine care provided by physicians and other health care providers, nor as a substitute for an accurate patient medical record and/or sound medical judgment by the treating physician or other health care provider. CUSTOMER's personnel and all healthcare providers are solely responsible for the care of their patients and for determining whether to rely on the data and information contained within the Software. Any reliance for any purpose directly or indirectly related to patient care cannot in any way be controlled by Net Health and CUSTOMER is responsible for verifying the accuracy and completeness of any medical or other similar information contained in, entered into, or used in connection with the Software.

7. CONFIDENTIALITY.

(a) CUSTOMER acknowledges that the Software contains proprietary information of Net Health, and such information is deemed confidential/proprietary information, the disclosure of which is restricted by this section. CUSTOMER agrees to maintain the confidentiality of the Software in a manner using at least as great a degree of care as the manner used to maintain the confidentiality of CUSTOMER'S own confidential information. Unless otherwise permitted by this Agreement or required by law, CUSTOMER shall not disclose any of Net Health's confidential or proprietary information to any third party without the prior written consent of Net Health. CUSTOMER further agrees that the confidentiality obligations contained herein shall apply to CUSTOMER's agents and employees that utilize the Software, and that CUSTOMER is wholly responsible for its user's compliance with this provision.

(b) CUSTOMER, its authorized affiliates, agents, and subcontractors shall not sell, transfer, publish, disclose, display, reverse engineer, or otherwise make available to others the Software or any other material relating to the Software. CUSTOMER shall protect the Software, and any other material relating to the Software, from unauthorized access and use, including using passwords made known only to CUSTOMER'S employees who use the Software as a regular part of their employment and giving its employees written notification of the requirements of this section. CUSTOMER shall advise Net Health immediately if CUSTOMER learns or has reason to believe that any of CUSTOMER'S employees, agents, independent contractors, or affiliates has violated or intends to violate the terms of this section, and CUSTOMER will cooperate with Net Health in seeking injunctive or other equitable relief against any such person including giving Net Health access to all relevant documents and the opportunity to interview CUSTOMER'S employees.

8. **USE OF DE-IDENTIFIED DATA.** In further consideration of the CUSTOMER's use and access of the Software, Net Health may use in its business, on a perpetual, irrevocable basis, without obligation to CUSTOMER, de-identified patient data and information that is collected and uploaded to the Software including, but not limited to, patients' gender, age, medical histories and treatment (collectively, the "Data"). Under no circumstances shall Net Health use or disclose personal health information except in the de-identified form as described above and in compliance with HIPAA.

9. **PUBLICITY.** Following execution of this Agreement and during the Term hereof, Net Health shall NOT be permitted to utilize CUSTOMER'S name and logo in marketing materials, customer lists, and in press releases noting that CUSTOMER is a Net Health customer. The foregoing restriction will not apply to any disclosure required by law or regulation, including, but not limited to, disclosures made in accordance with applicable financial reporting standards. CUSTOMER hereby agrees that Net Health may include CUSTOMER's name in a list of multiple customers, as long as: (i) CUSTOMER's name is simply one among many customers; (ii) CUSTOMER's name is listed in plain script, i.e., no logos or stylized scripts are used; (iii) the mention of CUSTOMER's name is relatively inconspicuous; (iv) nothing is done to create the impression that CUSTOMER sponsors or endorses the good or service in question; and (v) Net Health will cease using CUSTOMER's name in any such list upon CUSTOMER's request.

10. INDEMNIFICATION; INSURANCE

(a) Each party (as "Indemnifying Party"), agrees to defend, indemnify and hold the other party, its officers, directors, and employees (as "Indemnified Party") harmless from and against any and all incurred

damages, liability, losses and expenses resulting from corresponding third party claims and lawsuits awarded or adjudged to such third party by a court or arbitration panel, or approved in writing by the Indemnifying Party, to the extent arising from the negligent acts or omissions of the Indemnifying Party. Indemnified Party's right to defense and/or indemnification hereunder is conditioned upon the following: prompt notice to Indemnifying Party and demand for payment of any claim for which indemnity and/or defense is sought; control of the selection of counsel, investigation, preparation, defense and settlement thereof by Indemnifying Party; and reasonable cooperation by the Indemnified Party, at Indemnifying Party's request and expense, in the defense of the claim. Indemnified Party shall have the right to participate in the defense of a claim by Indemnifying Party with counsel of the Indemnified Party's choice at the Indemnified Party's expense.

(b) Subject to the indemnification procedures set forth in this section, Net Health agrees to defend, or at its option, settle any action brought against CUSTOMER to the extent that the action is based on a claim that the Software (alone and not in combination with any other software or device) infringes any patent, trademark, copyright, trade secret or other proprietary right belonging to any third party; provided that CUSTOMER notifies Net Health in writing of the infringement claim within thirty (30) days of becoming aware of such claim and gives to Net Health exclusive control of such defense or settlement, at Net Health's expense, and all information and assistance, at Net Health's expense, necessary to enable Net Health to defend or settle such claim. Net Health shall be relieved of liability for any claim of infringement based on the use of the Software other than in compliance with the terms of this Agreement and/or other than as implemented, modified or directed by Net Health. If the Software or any part thereof is, or in the opinion of Net Health may become the subject of such a claim, Net Health may, at its option and at its own expense, take one of the following steps, (i) procure the right for CUSTOMER to continue using the Software which is the subject of the infringement claim, or (ii) replace or modify the Software to make it non-infringing, or (iii) terminate this Agreement and the applicable Purchase Schedule(s). **THE FOREGOING STATES CUSTOMER'S SOLE AND EXCLUSIVE REMEDY WITH RESPECT TO CLAIMS OF INFRINGEMENT OF THIRD PARTY PROPRIETARY RIGHTS OF ANY KIND.**

WHEN USED IN SUCH SETTINGS, CUSTOMER AND ITS AUTHORIZED PROVIDERS ARE ULTIMATELY RESPONSIBLE FOR FOLLOWING ALL APPLICABLE MEDICAL PROTOCOLS AND POLICIES AND FOR ANY MEDICAL CARE AND HEALTHCARE SERVICES RENDERED TO INDIVIDUALS. ANY GUIDANCE PROVIDED OR SUGGESTED BY NET HEALTH, THROUGH THE SOFTWARE OR OTHERWISE, THAT MAY BE INTERPRETED AS RELATING TO MEDICAL PROTOCOLS AND POLICIES OR THE MEDICAL CARE OR HEALTHCARE SERVICES RENDERED TO INDIVIDUALS IS PURELY ADVISORY IN NATURE AND SHOULD NOT BE SUBSTITUTED FOR A HEALTHCARE PROVIDER'S PROFESSIONAL JUDGMENT. NET HEALTH DOES NOT WARRANT THAT THE SOFTWARE CAN OR WILL DIAGNOSE ANY MEDICAL CONDITION, DETECT RISK FACTORS RELEVANT TO ANY MEDICAL CONDITION; OR PROVIDE ANY TREATMENT DECISIONS OR RECOMMENDATIONS RELATED TO A MEDICAL CONDITION. NET HEALTH

DISCLAIMS, AND CUSTOMER RELEASES NET HEALTH FROM, ANY AND ALL LIABILITY RELATING TO PERSONAL INJURY, MEDICAL MALPRACTICE, OR OTHER CLAIMS RELATING TO ADHERENCE TO APPLICABLE MEDICAL PROTOCOLS AND POLICIES AND MEDICAL CARE AND HEALTHCARE SERVICES RENDERED TO INDIVIDUALS. (b) In no event shall Net Health be liable to CUSTOMER for any loss of profits; any incidental, special, exemplary, or consequential damages; or any claims or demands brought against CUSTOMER, even if Net Health has been advised of the possibility of such damages. Except as set forth below, Net Health's total liability with respect to all causes of action together will not exceed the total amount of Fees paid by CUSTOMER to Net Health under the applicable Purchase Schedule in the twelve (12) months before such claim arose. The foregoing limitation of liability shall not apply to each party's indemnification obligations hereunder (the "Excluded Claims"); provided, however, Net Health's total liability with respect to all Excluded Claims will not exceed three times (3x) the amounts paid to Net Health under the applicable Purchase Schedule in the twelve (12) months before such claim arose.

12. GOVERNING LAW AND JURISDICTION. This Agreement and all Purchase Schedules and Exhibits attached hereto shall be governed and construed in all respects in accordance with the laws of the Commonwealth of Pennsylvania without regard to any conflict of laws principles.

13. EXHIBITS. Any exhibit appended to this Agreement is hereby incorporated herein by reference.

14. FORCE MAJEURE. Net Health shall not be liable for breach of this Agreement, or any Purchase Schedule, caused by circumstances beyond Net Health's reasonable control.

15. COUNTERPARTS. 8. Survival

The respective rights and obligations and rights of CE and BA relating to protecting the confidentiality or a patient's PHI shall survive the termination of the Contract or this BAA.
